Best wishes for a successful 2018 season.

PGA TOUR CHAMPIONS TOURNAMENT REGULATIONS

These Tournament Regulations shall govern the operation and administration of the golf tournaments for professional golfers who are 50 years of age or older which are sanctioned by PGA TOUR* and operated under the management of PGA TOUR Champions Division Board. All references to PGA TOUR also shall refer and apply to PGA TOUR Champions and any special events that may from time to time be sanctioned by PGA TOUR Champions.

These Regulations may be amended or repealed from time to time, as provided in Article IX, Section I of these Regulations.

The Commissioner of the PGA TOUR shall interpret and apply these Regulations and, in the interim between meetings of PGA TOUR Champions Division Board, if he deems it in the interest of the game of golf, the sponsors, the public or the players, may waive or suspend the application of any one or more of these Regulations.

No right or privilege pursuant to these Regulations shall be denied on the basis of race, religion, sex or national origin.

** PGA TOUR is the trade name of PGA TOUR, Inc., a Maryland nonprofit corporation.*

I. DEFINITIONS

- A. A “cosponsored” tournament is a PGA TOUR Champions golf competition for which PGA TOUR contracts with a cosponsor. The respective responsibilities of PGA TOUR and the cosponsor with respect to such an event shall be as set forth in the Tournament Agreement for such tournament.
- B. An “approved” tournament is a PGA TOUR Champions golf competition endorsed by PGA TOUR but for which PGA TOUR has no Tournament Agreement with the tournament’s sponsor. (Currently, the only such approved events are the U.S. Senior Open, the Senior PGA Championship and The Senior Open Championship.)
- C. An “open” tournament is a cosponsored tournament for which all players eligible under these Regulations may apply to enter.
- D. An “invitation” tournament is a cosponsored tournament whose participants are invited by the cosponsored tournament in accordance with categories set forth in the Tournament Agreement with PGA TOUR.
- E. A “coordinated” tournament is a PGA TOUR-sanctioned PGA TOUR Champions tournament for which a Tournament Agreement exists, but for which (due to field size, format, time of year, or other such special circumstances) the purse is not considered official money and for which a conflicting event release is not required.
- F. “Exempt” (i.e., an “exempt player”) means automatically eligible to compete in particular tournaments without any additional (i.e., event-by-event) qualifying, subject to the availability of space in the tournament field and to these Regulations.
- G. The “Official PGA TOUR Champions Money List” is the list of players ranked according to the amount of official money (see Article IV, Section H.6) each has won in PGA TOUR Champions cosponsored or approved tournaments in the applicable time period.
- H. The “All-Time Money List” shall include for each player, in addition to official money won in PGA TOUR Champions tournaments (see Article IV, Section H.6), all official money won in PGA TOUR (Regular TOUR) cosponsored or approved tournaments and all official money won in Web.com Tour tournaments from 1996 through the current year.
- I. An “All-Time Victory” is a first-place finish in any PGA TOUR or PGA TOUR Champions tournament (except team events), and, prior to March 1969, a first-place finish in any PGA-sanctioned tournament awarding official money and conferring official victory status (except team events). - J. The “All-Time Victory List” is the list of players ranked according to the aggregate number of All-Time Victories.

II. TOURNAMENT AGREEMENT

All PGA TOUR Champions cosponsored and coordinated tournaments shall be conducted pursuant to a written contract between PGA TOUR and the tournament host organization (the “Tournament Agreement”). The Commissioner of PGA TOUR as its chief executive officer, or his designated representative, is authorized to execute Tournament Agreements on behalf of the PGA TOUR. The Tournament Agreements shall be in conformance with these Regulations, which shall be incorporated by reference therein and be a part thereof.

iii. Tournament Winners

A winner of a PGA TOUR Champions cosponsored or approved tournament (awarding official victory status) who is not otherwise exempt for PGA TOUR Champions open, full field tournaments. A player is exempt as a Tournament Winner for the remainder of the official PGA TOUR Champions season during the year of his victory and the full season immediately following. Player(s) who win multiple events in a season, will be eligible for the remainder of the official PGA TOUR Champions season and up to a maximum of two full seasons immediately following.

iv. Special Medical Exemption

At the discretion of the Commissioner, after review of such medical reports and examinations as he deems appropriate, an Exempt PGA TOUR Champions member (e.g. . . . a member playing out of eligibility categories A.1(a) – (f) and (j)(iii)) who has experienced an injury or other medical disability may be extended a Special Medical Extension if he has been prevented from competing on a regular basis in PGA TOUR Champions tournaments, not to exceed three seasons. If in the discretion of the Commissioner, and after review of medical reports and examinations, it is determined that extraordinary circumstances exist, an extension beyond three seasons may be granted.

Such member must notify the Commissioner in writing that he desires to take advantage of this Special Medical Extension no later than November 10 of the year prior to the calendar year in which such member seeks to resume competition.

A member shall not be entitled to any Special Medical Extension if he has played in more than (60%) of PGA TOUR Champions tournaments awarding official prize money in the year in which his injury or other medical disability occurred.

A member who qualifies for a Special Medical Extension can play up to the number of PGA TOUR Champions tournaments awarding official prize money “Available Events” that equals the average number of official money tournaments played by the top 36 members on the previous year’s final Official PGA TOUR Champions Money List, less the number of official

money tournaments in which such member played in the calendar year in which his injury or medical disability occurred “Events Played. Notwithstanding the above, no member who qualifies for a Special Medical Extension shall be: (a) provided access via this category to more Available Events than the number for which he was eligible and missed due to his injury; (b) guaranteed full access to the number of events for which he may qualify, and (c) permitted to makeup events in the year subsequent to the year for which his Special Medical Extension was granted.

If the amount of combined earnings from Available Events plus Events Played does not equal or exceed the amount of official money earned by the member finishing in 54th position (or 36th position, if applicable) on the final Official PGA TOUR Champions Money List for the preceding calendar year, such member shall not be entitled to any further Special Medical Extension.

A member shall not be entitled to a Special Medical Extension if one or more full PGA TOUR Champions seasons shall have passed between the time a member has experienced an injury or other medical disability and the time such member again is able to resume play, unless, in the case of severe injury or medical disability, the Commissioner, in the exercise of his discretion, determines to permit a member to have additional recuperative time.

Prior to resuming play under the Special Medical Extension category in the year following the injury or medical disability, such member shall not play in any PGA TOUR Champions tournament awarding official prize money, or his Special Medical Extension will be forfeited.

Priority within the Special Medical Extension category shall be on the basis of a member’s standing on the Official Money List in the year immediately prior to that in which the injury or other medical disability occurred.

1. Major Special Medical Exemption

Notwithstanding the above, a player granted a Special Medical Extension who has finished among the Top 36 of PGA TOUR Champions Money List in the year prior to his injury or was eligible for tournaments via Section A.1(j) (iii) of this Article III (Tournament Winners) at the time of his injury (i.e. “Major” Medical) and does not gain access via the space available basis as prescribed in this Section A.1(a-h) shall be included in the starting field of 78 players in each open, full-field tournament to which he is entitled to access as detailed in this Section (A.1) (i) (iv). If the amount of official money earned by such member in the Available Events, when combined with the amount of official money earned in the Events Played, equals or exceeds the amount of official money earned by the member finishing in 54th position on the final Official PGA TOUR Champions Money List for the preceding calendar year, such member shall be entitled to remain in the Special Medical Extension category (A.1) (i) (iv). The events which shall be included for the purposes of calculating the combined money shall be all tournaments in which a member plays while in the Special Medical Extension Category, whether or not such member shall have gained access to a particular tournament pursuant to this Section (A.1) (i) (iv) or any other eligibility category set forth in Section A.1 of this Article III. After the calculation of the combined money, a member shall be entitled to receive remaining events in his Special Medical Extension (A.1) (i) (iv), if any.

Further, if the amount of official money earned in the Available Events for such player who was granted a "Major" Medical Extension (i.e. was among the Top 36 of the Money List in the year prior to his injury), when combined with the amount of official money earned in the Events Played, equals or exceeds the amount of official money earned by the member finishing in the 36th position on the final Official PGA TOUR Champions Money List for the preceding calendar year, such member shall be entitled to remain in the "Major" Medical Extension for the remainder of the year.

v. Top Ten from Previous Tournament

If not otherwise exempt under Sections A.1 (a-i), a maximum of one (1) player finishing in 10th place (including ties for 10th place) or better in the order of finish in the immediately preceding PGA TOUR Champions cosponsored event (excluding Mitsubishi Electric Championship at Hualalai, Bass Pro Shops Legends of Golf, Inseperity Invitational, Senior PGA Championship, Senior Open Championship, U.S. Senior Open Championship, Regions Tradition, Constellation SENIOR PLAYERS Championship, PowerShares QQQ Championship, Dominion Energy Charity Classic and Charles Schwab Cup Championship).

In the case of total score ties for the one available position, priority will be established by matching round scores, beginning with the final round of the event in which the players finished within the top 10 (or tied for 10th place) and working backward. Any ties that still exist after matching round scores shall be broken by matching hole scores in the final round, starting with the 18th hole and working backward.

In the event of such an occurrence at a multi-course tournament in which the players finishing within the top 10 (or tied for 10th place) may not have played the same course in the same order, ties will be determined by matching round scores of the same golf courses, regardless of order played, with priority given to the golf course played the final day of the event by the eventual tournament winner. Any ties that still exist shall be decided by matching hole scores in the final round, starting with the 18th hole of the golf course played by the eventual winner and working backward.

To be exempt pursuant to this section A.1 (j)(v) a PGA TOUR Champions Regular member shall have committed by the commitment deadline and a PGA TOUR Champions Associate or temporary member must commit to an on-site PGA TOUR Champions Official within one-half hour (:30 minutes) after the conclusion of such immediately preceding PGA TOUR Champions event, if not sooner. The winner of the tournament, whether or not a PGA TOUR Champions member, if not otherwise eligible, will become eligible and may also commit on-site as provided.

vi. Prior Year Money List

Any player(s) who were to finish Top 36 in the final Charles Schwab Cup Money list but not Top 36 on the final Charles Schwab Cup points list and does not qualify under Sections A.1 (a-i)

(j) Alternate List

The alternate list for the tournament field will be established, in order, by adding eligible players, in priority of each category, until reaching the field size of 78 players:

- 1) Section a (floor of 54 players)
- 2) Section b (floor of players with at least 5 points)
- 3) Section c (floor of players with at least 5 points)
- 4) Section d (Hard floor of 100 players)
- 5) Section e (Career Victory Category)
- 6) Special Medicals
- 7) Past Champions

Any member who has won a PGA TOUR tournament awarding official money and conferring official victory status (excluding team events) or a PGA TOUR Champions tournament awarding official money and conferring official victory status, and is not otherwise exempt, may enter PGA TOUR Champions open, full-field tournaments. Beginning with the 2008 Liberty Mutual Legends of Golf, team winners (Legends Division only) shall each be credited with an official victory. Priority within this Section A.1(n) Past Champions category shall be determined by total combined number of PGA TOUR and PGA TOUR Champions victories awarding official money and conferring official victory status. When two or more players have the same number of such victories, the player with the highest ranking on the All-Time Money List shall have the priority. Concerning performance guidelines (Article III, Section C.1(a)), a player in this eligibility category is not exempt from the scoring average requirement.

8) Veteran Members

Veteran Members, as defined in Article IX, Section A.1(j) of these Tournament Regulations, in order of their position on the All-Time Money List. Concerning performance guidelines (Article III, Section C.1, a player in this eligibility category is not exempt from the scoring average requirement.

NOTE: A player who receives a two-time exemption into the Finals of the National Qualifying Tournament as a Tournament Winner (as defined above) shall not be eligible to receive such exemption as a PGA TOUR Veteran member at a later date. Likewise, a player who receives a two-time exemption into the Finals of the National Qualifying Tournament as a PGA TOUR Veteran Member (as defined above) shall not be eligible to receive such exemption as a Tournament Winner at a later date. **The two-time exemption applies only to those players whose first year of eligibility for the National Qualifying Tournament is 2010 and beyond. - The leading available player, to a floor of 5th position, on the European Senior Tour Order of Merit and the Japan Senior Tour Order of Merit.
- Beginning in 2014, players who win a PGA TOUR Champions event awarding official money, official victory status, will receive a one-year exemption into the finals of National Qualifying Tournament for each win. This exemption can be used at the player's discretion at any point that player no longer maintains exempt status on PGA TOUR Champions.

A player must be 50 years of age or older, or can be 49 years of age provided he turns 50 on or before the day of the first day of the competition of the eighth open full-field tournament in the ensuing Official Money Season (as prescribed in Section C.5 of this Article III), in order to begin competition at any level (regional or final) of the National Qualifying Tournament

A PGA TOUR Champions member may apply for the National Qualifying Tournament and continue to participate in PGA TOUR Champions cosponsored and coordinated tournaments. Applicants for the PGA TOUR Champions National Qualifying Tournament must apply online and must pay the application fee prescribed by PGA TOUR Champions. Successful contestants in the Qualifying Tournament also may be required, as a condition of application for PGA TOUR Champions membership, to attend an orientation program as determined by PGA TOUR Champions.

Medical Provision (Final Stage and Event Qualifying)

A PGA TOUR Champions member who presents bona fide evidence of any injury or other medical disability that prevented him from playing in one or more PGA TOUR Champions tournaments and who meets the following criteria shall be exempt into Final Stage Qualifying:

- 1) Not more than one Qualifying Tournament has passed since such member has been prevented from playing PGA TOUR Champions events due to such injury or other medical disability; and
- 2) Such member has not played in 15 or more PGA TOUR Champions cosponsored or approved tournaments in the year in which such injury or other medical disability occurs; and
- 3) Such member has had an average finish position in the top 75 on the Official PGA TOUR Champions Money List for the last three calendar years if such member has been a member of PGA TOUR Champions for three years or more, or if such member has been a member of PGA

TOUR Champions for less than three years, has averaged 75th or better on the Official Money List for those years such member has played PGA TOUR Champions.

NOTE: Any player who has earned an exemption into Final Stage Qualifying via the top 75 places on the current year Official Money List and presents bona fide evidence of an injury or other medical disability sufficiently serious to prevent him from playing in Final Stage Qualifying in that respective year, shall be exempt into Final Stage Qualifying the subsequent calendar year. A player who begins play at Final Stage Qualifying and subsequently withdraws due to injury or other reason prior to completion of Final Stage Qualifying shall not be permitted to utilize the exemption in the following year's PGA TOUR Champions National Qualifying Tournament. Notwithstanding the above, a PGA TOUR Champions member who finishes outside the 75th position on the current year's Official Money List and presents bona fide evidence of any injury or other medical disability during that season which prevents him from playing in one or more PGA TOUR Champions tournaments shall remain eligible for Event Qualifying for the following season without entering the National Qualifying Tournament should he meet the following criteria:

- 2) Such member has had an average finish position in the top 75 on the Official PGA TOUR Champions Money List for the last three calendar years if such member has been a member of PGA TOUR Champions for three years or more, or if such member has been a member of PGA TOUR Champions for less than three years, has averaged 75th or better on the Official Money List for those years such member has played PGA TOUR Champions.

NOTE: A player who begins play at Final Stage Qualifying and subsequently withdraws due to injury or other reason prior to completion of Final Stage Qualifying shall not be permitted to apply for this exemption into Event Qualifying for the following year's PGA TOUR Champions season.

C. OTHER ELIGIBILITY REQUIREMENTS

In any PGA TOUR Champions tournament cosponsored or coordinated by PGA TOUR, eligibility of a player to participate also shall be conditioned on the following:

1. Performance Guidelines - Scoring Average

Upon the conclusion of the season, any player who has played a minimum of six official rounds and played in a minimum of three tournaments shall have maintained a scoring average for all rounds played by such player during the previous year in tournaments awarding official money no higher than four and one-half (4.5) strokes in excess of the average score for all players in such tournaments. These players include those players:

- Above the 100th position on the All-Time Money List
- Above the 54th position on the Previous Year Charles Schwab Cup Points List
- On the PGA TOUR Points List
- On PGA TOUR Champions Points List
- On the Career Victory Category
- World Golf Hall of Fame members
- Past Champions
- Veteran Members

Any such player failing to meet the guidelines set forth in this Section C.1(a) of this Article III shall retain regular membership but for subsequent seasons shall no longer be exempt.

The scoring average portion of the Performance Guidelines shall not be applicable for those members who have a minimum of 50 combined (PGA TOUR and PGA TOUR Champions) victories in tournaments awarding official money. There shall be no other exemption from this scoring average provision of the Performance Guidelines except as set forth in Article III, Section A.1(j.1) (e.g. All-Time Victories) of the Tournament Regulations.

A player who loses his exempt status for failing to meet the scoring average provision of the Performance Guidelines may regain exempt status immediately by finishing among the top one-half (1/2) of the starting field in any PGA TOUR Champions cosponsored or approved tournament awarding official prize money, excluding official money team events.

2. Entry Form and Fee

No player shall be eligible to participate in a PGA TOUR Champions cosponsored or coordinated tournament unless he has signed an entry form as prescribed in Article IV, Section B of these Regulations, and he has paid the required entry fee, the amount of which may be changed from time to time by PGA TOUR Champions Division Board.

3. PGA TOUR Champions Dues

Every professional player who applies to enter a PGA TOUR Champions cosponsored or coordinated tournament shall be a fully paid member of PGA TOUR Champions or, if not a member, shall pay \$100 (or such other amount as PGA TOUR Champions Division Board may set from time to time) as dues for limited PGA TOUR Champions membership for the duration of the tournament.

4. Insurance

As a further condition of entry in any PGA TOUR Champions cosponsored or coordinated tournament, each player must furnish evidence acceptable to PGA TOUR that he has obtained personal liability insurance covering any liability or claim that may arise from his participation in such tournament, in minimum amounts of \$500,000 for each occurrence, with PGA TOUR, Inc., the Professional Golfers' Association of America and such other affiliated entities as shall be designated from time to time by PGA TOUR Champions Division Board, named as co-assureds under such policy, indicating the name of the insurance company and the number of the policy by which he is insured. In addition, nonmembers of the PGA of America who enter a PGA TOUR Champions cosponsored or coordinated tournament may be required as a condition of entry to pay a fee to PGA TOUR Champions for the cost of personal liability insurance covering their participation in such tournament.

5. Attaining Age 50

Players eligible to compete in PGA TOUR Champions events must attain age 50 on or before the first day of the official competition (i.e. Friday for three round tournaments or Thursday for four round tournaments). Players competing in pre-qualification or Event Qualifier must be 50 on or before the day of such qualifier.

IV. CONDUCT OF TOURNAMENTS

The management and conduct of all PGA TOUR Champions cosponsored and coordinated tournaments, pro-am events and other golf events shall be under the direction of PGA TOUR, and such events shall be played in accordance with these Regulations and the Tournament Agreements applicable thereto.

A. STARTING FIELDS

1. Open Events

The starting field in a PGA TOUR Champions open event shall consist of those players listed in Article III, Section A.1 of these Regulations. Unless provided otherwise in the Sponsor Agreement, the number of professionals in such a starting field shall be 78.

Should any combination of spots from the Fill the Field Category A.1 (j) of Article III cause the starting field to exceed 78 players, the field may increase in size.

2. Invitational Tournaments

PGA TOUR also may cosponsor or approve PGA TOUR Champions invitational tournaments. The starting field in such a tournament shall be that number specified in the Tournament Agreement. The Tournament Agreement for an invitational tournament shall list the categories and number of players to be invited. All players within such categories who are eligible players under Article III, Section A of these Regulations may apply to enter such tournaments.

In instances where the field of an invitational tournament is still short of the prescribed players after all eligibility categories have been exhausted, alternate players will be determined in the same manner as in open, full-field events in accordance with Article IV, Section D, unless otherwise modified and detailed in the Player Handbook

3. Coordinated Events

PGA TOUR Champions may cosponsor or approve special coordinated events that may combine any or all of the aspects of open, invitation and pro-am events. Players eligible to participate in such events shall meet the requirements of Article III of these Regulations. The conduct of special and coordinated events shall be in accordance with Tournament Agreements entered into with respect thereto and with these Regulations.

B. COMMITMENTS AND PERSONAL REGISTRATION

Eligible players wishing to participate in a PGA TOUR Champions cosponsored or coordinated tournament must commit in advance to the PGA TOUR. Commitments may be made by calling 800-742-2244 to the Competitions Department during business hours Monday through Friday, except for legal holidays. Commitments can also be made electronically via the pgatourlinks.com website.

NOTE: Commitments made via any other means than those listed above (i.e. email or text) are not accepted. Therefore, the commitment is not deemed official and the player would not be eligible to participate in that event.

While advance commitments may be made at any time, the deadline for all exempt players to commit to PGA TOUR Champions tournaments shall be 5 p.m. (Eastern time) on the Friday of the week

preceding the tournament. The winner of any tournament held between the commitment deadline and the tournament, as well as the highest finishing player among the top 10, not otherwise eligible may commit to an on-site PGA TOUR Champions tournament official within one-half hour after the conclusion of such tournament for the next week's event.

It is the member's responsibility to contact PGA TOUR Champions Headquarters to verify commitment status.

As of such time, each exempt player (i.e., players in Categories (a)-(j) of Article III, Section A.1 of these Tournament Regulations) shall have access to the tournament based upon his highest eligibility category applicable as of the commitment deadline.

The commitment deadline for all players entering Event Qualifying shall be 5:00 p.m. (Eastern time), on the Friday preceding tournament week. All entries must be made via mail, fax, or e-mail (if accepted by local PGA Section), and be accompanied by the appropriate entry fee. The personal registration deadline at the tournament site shall be one-half hour prior to his pro-am starting time, or with an on-site PGA TOUR Champions Official should registration not be open. It is the player's sole responsibility to ensure the PGA Section has received his application for the respective Event Qualifier by the entry deadline.

C. GROUPINGS AND STARTING TIMES

Groupings and starting times for players in PGA TOUR Champions tournaments shall be by threes to the extent possible, and shall be subject to the direction and discretion of PGA TOUR Champions Tournament Director.

Players shall be grouped on the following basis for the first round of competition:

Category 1: (a) PGA TOUR Champions and PGA TOUR tournament winners in the preceding three calendar years; (b) Winners of PGA TOUR Champions Major Championships in the preceding five years, (i.e., Regions Tradition, Senior PGA Championship, Constellation Energy Senior Players Championship, U.S. Senior Open, The Senior Open Championship); (c) Winners of the Masters, THE PLAYERS Championship, U.S. Open, The Open Championship and PGA Championship in the preceding five years and (d) Exempt players who are also members of the World Golf Hall of Fame.

Category 2: All other PGA TOUR Champions and PGA TOUR tournament winners and any player who has finished within the top 36 on the Prior Year Official Money List.

Category 3: All other players.

For the second and succeeding rounds, all players shall be grouped accordingly by cumulative score.

D. SUBSTITUTIONS AND ALTERNATES

If any committed (exempt) player in the original starting field is unable to begin play in the tournament, then he shall be replaced by the first available alternate, except as follows.

PGA TOUR members may commit to both PGA TOUR and PGA TOUR Champions events scheduled for the same week. If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure

to notify the PGA TOUR of his intention will cause the player to be placed in the PGA TOUR field and removed from PGA TOUR Champions field.

A player who is an alternate for that week's PGA TOUR Champions event and is in the PGA TOUR tournament must notify PGA TOUR Headquarters by 5p.m. Eastern Time on Wednesday of tournament week of his intention to play the PGA TOUR event. If he notifies the PGA TOUR that he intends to play the PGA TOUR event (or if he fails to give such notification), then he shall cease to be an alternate for that week's PGA TOUR Champions event and shall remain in the field of the PGA TOUR event.

Should the player elect to play the PGA TOUR event and withdraw from PGA TOUR Champions event, the player who would have been in PGA TOUR Champions field if the dually-committed player had withdrawn from PGA TOUR Champions event prior to the 5 p.m. Eastern Time Friday commitment deadline shall replace the withdrawn player. In the event that any dually committed player does not displace any other player at the time of the commitment deadline and the dually committed player subsequently withdraws for PGA TOUR Champions event, that player's position will be filled by the first available player on PGA TOUR Champions alternate list.

A player who is an alternate for the PGA TOUR event and is in PGA TOUR Champions tournament must notify PGA TOUR Headquarters by 5p.m. Eastern Time on Wednesday of tournament week of his intention to play PGA TOUR Champions event. If he notifies the PGA TOUR that he intends to play PGA TOUR Champions event (or if he fails to give such notification), then he shall cease to be an alternate for that week's PGA TOUR event and shall remain in the field of the PGA TOUR Champions event.

PGA TOUR Champions members may commit to both PGA TOUR Champions and Web.com Tour events scheduled for the same week. If a player is in the field of both events, he must notify PGA Tour Headquarters by 3p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure to notify the PGA TOUR of his intention will cause the player to be placed in PGA TOUR Champions field and removed from the Web.com Tour field.

Alternates will be taken from the first available players from the Prior Year's final Official Charles Schwab Cup Points List, not otherwise eligible, to a floor of the 54th position. Additional players (provided they are committed and available) in the following priority order will fill the field as alternates, as necessary: PGA TOUR Points List, to a floor of 5 points; PGA TOUR Champions Points List, to a floor of 5 points; All-Time Money List, to a hard floor of the 100th position; Career Victory Category; Past Champions; and Veteran Members.

Concurrently with a withdrawal, the highest-ranking alternate from the alternate list automatically becomes a contestant in the tournament and is subject to the same rules, regulations and guidelines as other contestants in the tournament field, including the obligation to begin play at an assigned starting time.

NOTE: It is an alternate's responsibility to know his position on PGA TOUR Champions alternate list. It is the obligation of the contestant or alternate when he becomes a contestant to know his starting time and/or that of the player whom he is replacing. An alternate that is not available to fulfill the starting time or pro-am of the player he is replacing shall be disqualified from that tournament.

Sponsor Exemption: If there is any withdrawal by a sponsor exemption prior to Monday of tournament week at 5:00 p.m. (eastern), the sponsor may elect to choose another sponsor exemption from the

respective category (e.g. restricted or unrestricted), provided that such exemption may not be granted to an exempt player who has failed to meet the applicable commitment deadline. After such time, the sponsor exemption shall be replaced by the next available alternate.

Event Qualifier: At any time prior to the start of the tournament, any withdrawal by an event qualifier will be replaced by a tournament alternate in priority order.

Alternate Privileges: Prior to the commencement of the last starting time of the first official round of a tournament, the first six alternates and the two highest ranking alternates on-site beyond the first six alternates from the standard priority order shall have the following on-site tournament privileges: (1) full access to practice range and tournament course; (2) access to the contestant locker room, with locker privileges on a space available basis; (3) contestant parking; and (4) access to player/family dining.

E. PROFESSIONAL-AMATEUR EVENTS

Unless provided otherwise in the Tournament Agreement or altered at the discretion of the Tournament Director because of bad weather conditions or other similar circumstances, a PGA TOUR Champions tournament shall consist of two days of pro-am competition (normally Wednesday and Thursday) followed by three days (normally Friday, Saturday, and Sunday) of pro-only competition of 54 holes. All players participating in any pro-am round shall be required to return a signed scorecard for each round.

1. Pro-Am Obligation

A commitment to enter a tournament is also a commitment to play in a minimum of one host course pro-am (i.e., Wednesday or Thursday) as prescribed in this Article IV, Section E.2. Failure to meet this pro-am obligation (i.e., arrive at his starting point, ready to play within five minutes of assigned starting time) shall cause him to be ineligible for the tournament, unless a player has registered on-site and is excused from the pro-am by PGA TOUR Champions President, his designee or the on-site Tournament Director after presenting evidence of an injury or other disability which requires medical attention. Further, at the discretion of PGA TOUR Champions President, or his designee, a player may be excused from the pro-am due to serious personal emergency, such as a funeral or serious illness of a family member or close personal friend or other extenuating circumstances. In determining whether a player is excused due to extenuating circumstances, PGA TOUR Champions President, or his designee, will consider all factors, including the player's level of effort to satisfy his pro-am obligation. In the case of a player being excused due to a serious personal emergency or other extenuating circumstance, such member may be excused without having registered onsite. A player who is excused from the pro-am for any reason may be required to perform an additional pro-am obligation at some other time during the year in which the player was excused or perform a substitute tournament sponsor function. In addition, the player may be subject to disciplinary action for conduct unbecoming a professional golfer, which could include a fine or suspension from tournament play. Upon being excused from the pro-am, the player is not allowed to practice at the tournament site on the day of the pro-am, except on a limited basis as requested by medical or therapy personnel and approved by the on-site Tournament Director. Further, the player must show best efforts to meet and/or contact his pro-am team explaining the reason for his absence.

2. Professional Field

The professional field for each of the two pro-am rounds in the first cosponsored, open full field event of the year and, thereafter, in each second subsequent such event (i.e. third event, fifth event, etc) shall be determined using Pro Am Eligibility #1 and the professional field for each of the two pro-am rounds in the second cosponsored, open full field event of the year and, thereafter in each second subsequent such event (i.e., fourth event, sixth event, eighth event, etc) shall be Pro Am eligibility #2

Pro Am Eligibility #2

The Rules Officials will use a rotation system from week to week to give some relief to some of the players that play two pro ams in back to back weeks

(i) Amateur players shall be selected or approved by the sponsor. Amateurs shall have up-to-date handicaps computed under the USGA handicap procedure. They shall use their full handicaps (maximum of 27) except that a plus handicap shall be changed to zero.

Women amateurs shall play from the ladies' or forward teeing grounds.

PGA TOUR must authorize in writing competitions with only one amateur on each team. Each professional player in any pro-am shall have executed the official entry form for the tournament. Notwithstanding any other provisions in these Regulations, a player who is not in the starting field of a tournament is ineligible to compete in the pro-am at the tournament site unless expressly approved by the Commissioner or his designee. In any pro-am, the number of teams shall be limited to professional players and two, three or four amateur partners. Each group must have at least one professional.

The prize monies specified in the Tournament Agreement shall be paid to the professional players in the pro-am on the basis of low team finishing scores.

3. Postponement/Cancellation (Pro-Am)

If, in the judgment of the Tournament Director, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR Champions or the tournament render commencement or continuation of the pro-am inadvisable, the Tournament Director may, in his discretion, postpone or cancel play therein. In the event of cancellation of the pro-am, after a professional has commenced play, Host Organization (i.e., tournament) will distribute the prize money to all professionals on a pro rata basis. If play on either day is not commenced, the Tournament will retain respective day's purse.

Unless otherwise provided for in the Tournament Agreement, no pro-am shall be extended past Thursday.

At the option of the tournament and subject to approval by PGA TOUR Champions, the pro-am may be conducted using the scramble format. Other general terms and conditions of such pro-am as described herein shall be applied, provided that each professional player in the pro-am will play at stroke play and will not be a part of the amateur scramble competition other than the use of his score on a hole.

4. Monday Outing Guidelines

Tournaments must notify their respective Tournament Business Affairs representative in writing of their intent to stage a Monday outing to be played on the tournament course. Approval will be

granted, by the President of PGA TOUR Champions or his designee, under the following conditions:

- Tournaments must use best efforts to stage Pro-Am using PGA TOUR Champions members but are permitted to stage a Celebrity-Am or Am-Am
- Field size limited to a maximum of 26 groups
- Starting times are restricted to no later than a 9:00 a.m. shotgun start for a Celebrity-Am or Am-Am outing or between 11:00a.m. and 1:00p.m. for Pro-Am using PGA TOUR Champions members
- Securing the participation of the professional players is solely the responsibility of the tournament
- Professional players who participate in the Monday Pro-Am must be entered in that week's tournament. Should a tournament encounter difficulty completing the professional field, PGA TOUR Champions members not in a respective week's field may be invited to play in the Pro-Am subsequent to approval granted by PGA TOUR Champions Administration
- The purse for each Monday Pro-Am participant will be routed through the PGA TOUR for payment to the participating professionals

F. BEST EFFORTS; WITHDRAWALS

If a player in a PGA TOUR Champions open event withdraws before completing the pro-am portion of the tournament, any minimum guarantee payment to which he would otherwise be entitled for participating in the event shall be forfeited. A player withdrawing from the regular event, even if he has completed his pro-am obligation, forfeits any right to prize money.

In making a commitment to participate in a PGA TOUR Champions cosponsored, coordinated or approved event, a player thereby obligates himself to attempt to exercise his maximum golf skill and to play in a professional manner.

After making a commitment to participate in a tournament, a player shall not withdraw, either before or after signing an entry form for such event, except that:

1. After committing to play in a tournament, and before the tournament has commenced, a player may withdraw because of injury or other disability that requires medical attention, or serious personal emergency. The player shall immediately notify PGA TOUR Champions Rules and/or Administration of his reason for withdrawal, and within a period of 14 days submit written confirmation of such reasons to PGA TOUR Champions Administration.

NOTE: Withdrawals from PGA TOUR Champions events may not be submitted via the electronic commitment system nor by email or text.

2. A player may withdraw after completing any round of 18 holes, upon notification to the Tournament Director and returning a signed scorecard. Such player shall not, however, be paid any minimum guarantee amount, even if such withdrawal is caused by injury or illness.
3. During a round, a player may withdraw because of injury or other disability which requires medical attention, or serious personal emergency. Such player shall not, however, be paid any minimum guarantee amount. Without undue delay, the player shall notify the Tournament Director of his reason for withdrawal, and within a period of 14 days submit written confirmation of such reasons to PGA TOUR Champions Administration.

A player who breaches this regulation shall be subject to a fine or suspension, or both, from play in PGA TOUR Champions cosponsored and coordinated events.

G. POSTPONEMENTS AND CANCELLATIONS (OFFICIAL ROUNDS)

If, in the judgment of the Tournament Director, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR Champions renders commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the Tournament Director, after consultation with the tournament, determines that such weather conditions or other occurrence have improved sufficiently for play to commence or resume, provided that:

The completion of no such tournament shall be extended beyond Sunday of tournament week* (see note below), except that if at least half the field has completed play prior to the postponement or if a playoff is necessary to determine the tournament winner. The final round may be completed on Monday notwithstanding the above, if at least half the field has completed play prior to the postponement of a Sunday round. Play shall not be resumed unless, in the judgment of the Tournament Director, the entire field can reasonably be expected to complete the round on Sunday.

In the event of cancellation of any part of a tournament, prize money shall be distributed among the lowest scorers after the last completed round of play in the same number, amounts and order as for the originally scheduled number of holes. If a tournament is shortened to not less than two stipulated rounds and there is a tie for first place, there will be a playoff at a convenient time as determined by the Tournament Director. The tournament will be considered official (e.g., for purposes of determining official money, official win, etc.) if at least two stipulated rounds have been played.

If less than one stipulated round of the tournament is played as the result of any cancellation, the tournament shall not be required to pay any prize money and shall refund any dues paid for limited PGA TOUR Champions memberships by nonmember entrants. The tournament shall refund all entry fees paid.

If, however, at least one stipulated round is completed, the tournament shall pay the full amount of any service fee payable to PGA TOUR under the Tournament Agreement, and shall pay at least 50% of the prize money.

It is further provided that if at least one stipulated round has been played and if the tournament, in consultation with the Tournament Director, agrees to the shortening of the tournament (e.g., in order to determine the winner on Sunday), then, notwithstanding the above, the tournament shall pay 100 percent of the originally contracted-for prize money.

NOTE: As detailed in Bad Weather Guidelines (pg. 73), The Regions Tradition, Constellation Energy SENIOR PLAYERS Championship, Dominion Energy Charity Classic, Poweshares QQQ Championship and Charles Schwab Cup Championship are exceptions to these guidelines.

H. GENERAL PROVISIONS

The following general provisions relating to the conduct of PGA TOUR Champions events also shall apply:

1. Entry Forms

All entry forms for PGA TOUR Champions cosponsored and coordinated tournaments shall be prepared by PGA TOUR and furnished to the host organization not less than 30 days prior to the tournament.

All entries shall be subject to acceptance by host organization and PGA TOUR, and may be rejected or revoked by either without liability at any time before or after commencement of tournament play if the entrant fails to meet the eligibility requirements set forth in the entry form and these Regulations, violates any of the regulations or otherwise conducts himself in a manner unbecoming a professional golfer. If a player's tournament entry is revoked, he shall not be entitled to share in the prize monies thereof.

All players in PGA TOUR Champions cosponsored and coordinated tournaments shall grant and assign to PGA TOUR through their entry forms, without limitation, their individual television, radio, motion picture, photographic, electronic, Internet (pg. 74) and similar rights (including all forms of television and other electronic media) with respect to their participation in such tournaments, provided that PGA TOUR's use thereof shall be limited to advertising, promoting or publicizing PGA TOUR (Regular TOUR) and PGA TOUR Champions golf events or broadcasts related thereto, and provided further that in no case shall such rights be used in any broadcast, motion picture or other program on an electronic medium that is for instructional purposes without the express written consent of the player(s) involved.

Players also shall agree in such entry forms to: (i) refrain from any action that will interfere with PGA TOUR's ownership and exercise of the rights granted and assigned to it hereunder, including any use by other parties of such rights that is authorized by PGA TOUR; (ii) abide by these Regulations, including any amendments thereto as may be adopted from time to time; and (iii) abide by the Rules of Golf of the United States Golf Association, subject to any modifications thereof approved by PGA TOUR Champions.

A professional who has incorporated may enter PGA TOUR Champions cosponsored or coordinated tournaments in the name of his corporation, and any money winnings will be paid directly to such corporation, provided that the beneficial interest in such corporation is owned entirely by the professional (and/or members of his immediate family). The professional shall give a personal guarantee of all obligations of the corporation on a form prescribed by PGA TOUR Champions, and the player shall remain personally subject to all requirements applicable to players who enter such tournaments in their own names.

2. Course Preparation

Preparation of the course shall be subject to approval of the Tournament Director. Locations of teeing grounds and hole positions on putting greens shall be selected by the Tournament Director. The Tournament Director may direct growing, cutting and watering of grass as he may deem advisable to provide appropriate playing conditions. Unnatural substances such as artificially colored sand like material in bunkers are prohibited.

3. Playoffs

In the event of a tie for first place at the conclusion of the scheduled number of holes in a PGA TOUR Champions cosponsored or coordinated tournament at stroke play, a playoff shall be conducted for the purpose of determining the tournament winner. Such playoff shall be on a hole-by-

hole basis immediately following the conclusion of the final round, or on the following day if the Tournament Director determines that darkness, weather or other conditions preclude conducting a playoff on the day of the final round.

Tournaments not nationally or regionally televised shall begin playoffs on the first hole unless the Tournament Director determines that another hole should be used because of mitigating circumstances. Nationally or regionally televised tournaments shall use a hole-by-hole playoff commencing at a televised hole previously determined by the Tournament Director.

The winner of any playoff shall be deemed to have placed first in the tournament and his prize money determined accordingly. The loser of any playoff involving two players shall be deemed to have placed second and shall be entitled to second place prize money. If a playoff involves more than two players, those other than the winner shall be deemed to have tied for second place regardless of their scores in the playoffs, and their prize monies shall be apportioned accordingly. The determination of all prize monies shall be under the direction of the Tournament Director.

4. Distribution of Purses

The purses of all PGA TOUR Champions cosponsored and coordinated tournaments shall be distributed to the low finishers therein as determined by PGA TOUR Champions Division Board.

5. Other Prizes

Prizes of any nature for other than total score shall be subject to approval by the Commissioner.

6. Official Money

Official money shall be awarded to individual prize winners in cosponsored and approved tournaments and such other events as PGA TOUR Champions Division Board may designate, even if part of the tournament is canceled, provided, however, that official money shall not be awarded in any team competition other than the Legends of Golf-Legends Division, or a pro-am tournament (but official money will be awarded in a tournament for individuals even if held concurrently with a pro-am tournament).

NOTE: For purposes of determining official money standings, money won by a nonmember shall count the same as money won by a PGA TOUR Champions member.

NOTE: Any professional who has qualified for an official money event without a cut and without an alternate list, such as the Mitsubishi Electric Championship at Hualalai, PowerShares QQQ Championship, Dominion Energy Charity Classic, and the Charles Schwab Cup Championship, but is forced to withdraw due to an injury or other personal circumstances will receive last place, unofficial money, provided such player has registered on-site at the respective tournament.

V. CONFLICTING EVENTS; MEDIA AND MARKETING RIGHTS

A. CONFLICTING EVENTS

1. Obligations of PGA TOUR

On a date on which any cosponsored PGA TOUR Champions tournament is being played, PGA TOUR will not cosponsor or approve any other similar golf tournament without the advance written consent of the first scheduled PGA TOUR Champions tournament or event, which consent shall not be unreasonably withheld. "Similar golf event" means a tournament of the same type. For example, PGA TOUR shall not be prohibited under this section from holding a PGA TOUR tournament or Web.com Tour tournament on the same dates as a PGA TOUR Champions tournament.

2. Obligations of PGA TOUR Champions Members

To contribute to the success of a PGA TOUR Champions tournament and to permit PGA TOUR to fulfill its contractual obligations concerning representative fields, no PGA TOUR Champions member shall participate in any other golf event on a date when a PGA TOUR Champions cosponsored tournament for which such member is exempt is scheduled, except as follows:

- (a) An event for which a member obtains an advance written release for his participation from the Commissioner. (See "Guidelines for Conflicting Event Release" set forth below).
- (b) PGA TOUR (Regular TOUR) cosponsored, coordinated or approved events.
- (c) The PGA Club Pro Championship and PGA winter events for professionals, including senior winter events, and any PGA section event with which a player is affiliated or where he is employed, provided he is eligible for such section tournaments under the constitution of the PGA.
- (d) Golf events on the "home circuit" of a foreign player who is a PGA TOUR Champions member.
NOTE: "Home circuit" is defined as the recognized professional golf circuit which plays all or some portion of its schedule in the country of which the player is a citizen. Such foreign PGA TOUR Champions member shall be eligible for this "home circuit" exception to the provisions of these Regulations with regard to conflicting events provided he has played, or committed to play, in a minimum of 15 PGA TOUR Champions cosponsored or approved tournaments in the year, as described in Section D.2 of Article IX (Membership Reinstatement Provisions). For "home circuit" designations please see PGA TOUR Player Handbook and Tournament Regulations.
- (e) THE PLAYERS Championship, the Masters, the U.S. Open, The Open Championship, the PGA Championship, the Senior PGA Championship, the U.S. Senior Open and The Senior Open Championship.
- (f) The Ryder Cup or The Presidents Cup.
- (g) Web.com Tour tournaments, but only for those PGA TOUR Champions members who gain eligibility to Web.com Tour tournaments as a result of being Life Members, Past Champion Members, Special Temporary Members, Team Championship Members, or Veteran Members of the PGA TOUR (Regular TOUR).

In addition, in a week when a PGA TOUR, PGA TOUR Champions, or Web.com Tour cosponsored tournament is scheduled, no PGA TOUR Champions member shall participate in any golf activity (including public exhibitions, clinics, and pro-ams) in the same geographic area as such PGA

TOUR, PGA TOUR Champions or Web.com Tour Tournament without the prior approval of the Commissioner. Nothing in the foregoing shall preclude PGA TOUR Champions members from playing in outings during the week of a cosponsored tournament. As used herein, an “outing” refers to an event in which a player or players are invited by a company to entertain its customers, without any broadcast or other electronic portrayal of play and without a public gallery.

3. Guidelines for Conflicting Event Releases

(a) Each regular member of PGA TOUR Champions shall ordinarily be eligible for two releases per year based on participation in 15 cosponsored or approved tournaments, and in addition shall be eligible for one release for every five cosponsored or approved tournaments in which such member participates above 15 events.

(b) Notwithstanding the above, the Commissioner may deny any particular release request if he determines that such a release would cause PGA TOUR to be in violation of a contractual commitment to a tournament or would otherwise significantly or unreasonably harm PGA TOUR and such tournament. Also, the Commissioner shall be entitled, but not obligated, to grant additional releases when he determines that to do so would not unreasonably harm PGA TOUR or the tournament involved.

(c) In making factual determinations contemplated in the preceding paragraph, the Commissioner shall consider, but shall not be limited to, the following factors:

- (1) The overall makeup of the field from which the member seeks to be released.
- (2) The member’s standing on the current and previous year’s Official PGA TOUR Champions Money List.
- (3) The number of PGA TOUR Champions tournaments that the member has played in, or committed to play in, for the current year.
- (4) The member’s record of participation in the tournament from which he seeks to be released.

All requests for conflicting event releases must be submitted 45 days in advance. The Commissioner normally shall make decisions on release requests no later than 30 days in advance.

B. MEDIA AND MARKETING RIGHTS

1. Media Rights

(a) The television, radio, Internet (pg. 74), motion picture and all other media rights of all players participating in PGA TOUR Champions cosponsored or coordinated tournaments, pro-ams or any other golf event conducted in conjunction with cosponsored or coordinated tournaments (e.g., clinics, long-drive contests, etc.), or any portion thereof, shall be granted and assigned to PGA TOUR. Based upon this grant and assignment, all such rights shall be the property of and expressly reserved by and to PGA TOUR, and any use thereof without the express written consent of PGA TOUR shall be forbidden.

(b) No PGA TOUR Champions member shall participate in any live or recorded television golf program without the prior written approval of the Commissioner, except that this requirement shall not apply to PGA TOUR cosponsored, coordinated or approved tournaments, wholly instructional programs*, or personal appearances on interview or guest shows.

“Television golf program” for purposes of this section means any golf contest, exhibition or other play that is shown in the United States on any form of television or other electronic medium. Members participating in any tournament or program covered by this rule that may be shown in the United States (e.g., a foreign tournament not cosponsored, coordinated or approved by PGA TOUR) may be required by the Commissioner, as a condition of appearance, to obtain in advance binding written assurances from the sponsor, promoter, television producer and/or other parties involved that the event or program will not be shown in the United States or will be shown only on such conditions as are approved by the Commissioner.

** While wholly instructional programs have been exempted from the scope of this rule, any PGA TOUR Champions member participating in such a program is nonetheless required to obtain an agreement from the producer of the program or other appropriate party that the program will not be shown at the same time as any scheduled broadcast (e.g., major network, cable network, syndication) of a PGA TOUR Champions or PGA TOUR cosponsored, coordinated or approved tournament.*

2. Marketing Rights

- (a) Aside from the assignment of individual television and similar rights provided for herein, nothing in these Regulations or in marketing programs adopted by PGA TOUR shall be deemed to restrict any member’s individual marketing rights (e.g., promotions, endorsements, licensing, etc.).
- (b) In addition, no person shall make any commercial use of the name, likeness or identity of any member of PGA TOUR Champions without the advance written approval of such member.
- (c) Similarly, no individual PGA TOUR Champions member, tournament sponsor or other person or entity is authorized to make any commercial use of PGA TOUR Champions or PGA TOUR name, marks or logo without the advance written approval of PGA TOUR.

VI. CONDUCT OF PLAYERS

Players participating in PGA TOUR Champions cosponsored, approved or coordinated tournaments shall observe these Regulations and the applicable rules of play while engaged in tournament play, and at all times shall conduct themselves in a manner becoming professional golfers that will not reflect unfavorably on PGA TOUR, its members, officers or representatives, or tournament sponsors.

To this end, players shall use their best efforts to play golf of the caliber and with the skill befitting professionals, and to show respect for the game of golf.

Any player who violates any of the foregoing or any of the provisions of this Article VI may be subject to a fine, suspension from play in cosponsored and coordinated tournaments, permanent disbarment from such play, or any appropriate combination thereof.

A. ANTI-DOPING PROGRAM

All players shall comply with the PGA TOUR Anti-Doping Program, as amended from time to time.

B. PGA TOUR CHAMPIONS ALCOHOL POLICY

Any member found to have violated any of the following provisions relating to the use of alcohol shall be considered to have engaged in conduct unbecoming a professional and shall be subject to a significant penalty:

Consuming an alcoholic beverage during any practice round or tournament round (whether a pro-am round or a tournament competition round), on the practice tee or putting green.

Moderate, responsible consumption of alcoholic beverages after play or during social functions is permitted. But players should know that alcohol related unprofessional incidents will constitute conduct unbecoming a professional.

A PGA TOUR member's responsibility to conduct himself in a professional manner and lend credit to himself and his organization extends beyond the time that the member is engaging in tournament play at the tournament site. Accordingly, the Membership should be aware that, depending on the circumstances, being under the influence of alcohol at any time in a public place, whether at a tournament site or otherwise, may constitute conduct unbecoming a professional.

The Commissioner will conduct such inquiries and investigations as shall be appropriate to determine whether a member has violated the alcohol policy or any interpretations thereof.

C. INTEGRITY PROGRAM

All contestants in PGA TOUR Champions events are subject to the terms and conditions of the PGA TOUR Integrity Program. The Integrity Program among other things prohibits players from betting on professional golf and engaging in other betting-related activities and requires players to complete certain educational requirements, in an effort to maintain integrity and prevent betting-related corruption in PGA TOUR events. The full terms of the Integrity Program may be found at pgatourlinks.com. Questions regarding the Integrity Program should be directed to Andy Levinson, Senior Vice President, Tournament Administration, at PGA TOUR Headquarters.

D. NO GUARANTEE FOR APPEARANCE

Neither players nor other individuals acting on such players' behalf shall solicit or accept any compensation, gratuity or other thing of value offered for the purpose of guaranteeing their appearance in any PGA TOUR Champions cosponsored, coordinated or approved tournament, including any pro-am event played in connection therewith, except as may be specifically authorized by PGA TOUR Champions Division Board or PGA TOUR Policy Board prior to the tournament.

Conversely, neither players nor other individuals acting on such players' behalf shall offer anything of value to a PGA TOUR Champions cosponsored, approved or coordinated event in return for an invitation to the tournament, as described in Section A.1(h) of Article III (Sponsor Exemptions). Notwithstanding the above, the player may agree with the tournament to offer his services or participation in a Monday pro-am, clinic or tournament function in conjunction with his sponsor exemption.

E. FINANCIAL INTEREST BY PLAYER IN ANOTHER PLAYER; GAMBLING; BRIBES; GIFTS; DOPING

A player shall not have any financial interest, either direct or indirect, in the performance or the winnings of another player in any tournament cosponsored, coordinated, approved or otherwise sanctioned by PGA TOUR, whether through purse-splitting, prize money "insurance," financial assistance, bets or otherwise. Any player who violates the provisions of this paragraph shall be subject to a suspension from tournament play for a minimum period of two (2) years.

A player shall not do any of the following:

1. Fail to give his best efforts in competition.
2. Gamble or play cards on the premises where a PGA TOUR Champions cosponsored or coordinated tournament is being played.
3. Associate with or have dealings with persons whose activities, including gambling, might reflect adversely upon the integrity of the game of golf.
4. Bet money or anything of value on a golf tournament or similar event, whether or not the player is a competitor in such competition.
5. Offer or give a bribe, gift, payment, reward or anything of value to any player with the intention of influencing his efforts in a competition.
6. Solicit, agree to accept or accept a bribe, gift, payment, reward or anything of value offered or given with the intention of influencing the player's efforts in a competition.
7. Fail to report promptly to the Commissioner any known or suspected offer, bribe, gift, payment, reward or anything of value, or any agreement or acceptance or bet described in the foregoing.
8. Associate or have dealings with persons whose activities have involved trafficking or administration of substances or methods prohibited by the PGA TOUR Anti-Doping Program, or other forms of doping.

F. MEDIA COMMENTS; PUBLIC ATTACKS

The favorable public reputation of PGA TOUR Champions, its tournaments and host courses are valuable assets and create tangible benefits for all PGA TOUR Champions members. Accordingly, it is an obligation of membership to refrain from comments to the news media that unreasonably attack or disparage tournaments, sponsors, host sites, fellow members, players or PGA TOUR. Responsible expressions of legitimate disagreement with PGA TOUR policies are not prohibited. However, public comments that a player knows, or should reasonably know, will harm the reputation or financial best interests of the PGA TOUR, a tournament, sponsor or charity are expressly covered by this Section. Any violation of this Section shall be considered conduct unbecoming a professional.

G. WORTHLESS CHECKS

If any player issues a worthless (dishonored) check in payment of entry fees or otherwise in connection with a PGA TOUR Champions cosponsored, coordinated or approved tournament, he shall be penalized as follows:

First offense: \$200 fine

Second offense: \$200 fine and loss of check-cashing privileges for six months

Third offense: \$500 fine and loss of check-cashing privileges for one year

Repeated instances of the issuance of worthless checks by a player shall be grounds for suspension or permanent disbarment from tournament play, as may be determined by PGA TOUR Champions Division Board.

H. USGA RULES

Play in all PGA TOUR Champions cosponsored or coordinated tournaments shall be conducted in accordance with the Rules of the United States Golf Association, as modified by PGA TOUR Champions. Players will be furnished a copy of such modifications, including Local Rules and Conditions of Competition for PGA TOUR Champions and Notice to Competitors (Players) prior to their starting time.

I. LATE STARTERS

Prompt attendance is required of players at their starting point of each round. If any player arrives at his starting point, ready to play, within five minutes of his starting time, the penalty for failure to start on time is loss of the first hole in match play or two strokes in stroke play. Any player arriving at his starting point five minutes or more after his appointed starting time shall be disqualified.

J. PRACTICING

Practicing shall be permitted in designated practice areas only. During practice rounds, the following shall govern certain types of strokes:

1. Only one stroke, including a stroke from a bunker, may be aimed for the putting green, except as follows:
 - (a) If such stroke does not stop on the putting green, only one additional stroke may be played.
 - (b) More than one chip shot outside a bunker may be played, provided such practice does not damage the course unduly.
2. Not more than three bunker strokes may be played in directions other than toward the putting green, provided the bunker is not thereby damaged unduly.
3. More than one stroke may be played on the putting green. In any case, a player must not delay any following players. Specifically, and notwithstanding anything to the contrary herein, in any case in which a member of a group behind the player is waiting to hit a shot, no practice shots shall be permitted.
4. During designated practice periods (i.e., Monday, Tuesday and up until the last tee time on the final pro-am day of tournament week) only the following are permitted to use tournament practice facilities (i.e., course, practice tee or practice green): (1) players in the starting field of the respective tournament, (2) the first six alternates from the standard priority order. Exempt PGA TOUR Champions Members (i.e., above the floor of 54 on Prior Year Points and/or above the floor of 100 on All-Time Money) who are serving as part of the talent of the television broadcaster for a specific event and are not otherwise in the field may utilize the tournament practice tee and practice green on a limited basis (i.e., during non-peak periods) during designated practice periods,

subject to the approval of the on-site Tournament Director. **NOTE:** No practice is permitted on the tournament course before and/or after pro-am rounds unless designated by Tournament Director.

K. CADDIES AND GOLF CARTS

Caddies must be employed by professionals for all pro-am rounds and tournament rounds. Caddies shall be paid promptly. PGA TOUR shall determine who is eligible to be employed as a caddie. Players who bring their own caddies to a PGA TOUR Champions cosponsored or coordinated tournament shall be responsible for the conduct and behavior of such caddies.

Players in PGA TOUR Champions cosponsored tournaments may use automotive transportation as prescribed in specific golf cart policies and procedures developed by PGA TOUR Champions Administration under approval of PGA TOUR Champions Division Board. Certain cosponsored events, per PGA TOUR Champions Division Board approval, may expressly prohibit use of automotive transportation (e.g., golf carts) for all players based on factors particular to an individual event (e.g., format, stature of event, etc.). However, the Tournament Director may allow or disallow the use of carts in the practice rounds and pro am as they deem necessary.

L. LOCKER ROOM FEES

Players in the starting field of the tournament using locker room facilities at the host clubhouse shall pay a minimum of \$50 to the locker room attendant for such service.

M. APPEARANCE OF PLAYERS

Players shall present a neat appearance in both clothing and personal grooming. Clothing worn by players shall be consistent with currently accepted golf fashion. While it is difficult to be specific, there are certain types of attire which are clearly unacceptable. For example, shorts are considered inappropriate. The Tournament Director shall interpret this regulation, subject to the approval of the Commissioner.

VII. DISCIPLINE, PENALTIES AND APPEALS

Each PGA TOUR Champions member, by participating in a cosponsored, coordinated or approved tournament, acknowledges the right and authority of PGA TOUR Champions Division Board, the PGA TOUR Policy Board, the Commissioner and the Appeals Committee to: (i) fine and suspend the member from tournament play; and/or (ii) fine and permanently bar the member from tournament play in PGA TOUR Champions cosponsored, coordinated or approved tournaments for violation of these Tournament Regulations.

Any such participating member, if involved or affected in any manner whatsoever by a decision of PGA TOUR Champions Division Board, the PGA TOUR Policy Board, the Commissioner or the Appeals Committee with respect to any such violation, hereby releases PGA TOUR Champions Division Board, the PGA TOUR Policy Board, the Commissioner, the Appeals Committee, PGA TOUR, Inc., the Professional Golfers' Association of America and each director, officer, member, employee, agent or representative of any of the foregoing, jointly and severally, individually and in their official capacity, of and from any and all claims, demands, damages and causes of action whatsoever, in law or equity, arising out of or in connection with any such decision or action by PGA TOUR Champions Division Board, the PGA TOUR Policy Board, the Commissioner or the Appeals Committee.

Fines are due and payable within 30 days unless the player has made a written appeal. Should the appeal be denied, the fine will be due and payable within 30 days of such denial of appeal, and notwithstanding such 30-day period, until such fine is paid the member will be ineligible for competition.

A. NOTIFICATION OF DISCIPLINARY INQUIRY

Except for penalties under the USGA Rules of Golf (including Pace of Play, Local Rules and Conditions of Competition for PGA TOUR Champions), and for minor penalties, any member subject to disciplinary action or penalty defined as an intermediate or major penalty shall first be notified of such proposed action in writing. Such notice may be presented to the member by the President or his designee, except that any notice of a proposed major penalty shall be executed by the Commissioner.

Within 14 days of such notice of proposed disciplinary action or penalty, the member shall submit to the Commissioner such facts or evidence of mitigating circumstances as may apply.

Within 14 days of receipt of such information from the member, the Commissioner shall notify the member in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After imposition of any penalty hereunder, the member shall have the right of appeal as set forth in Section E of this Article VII.

B. USGA RULES OF GOLF

Any member who, while participating in any PGA TOUR Champions cosponsored, coordinated or approved tournament, breaches the USGA Rules of Golf, Local Rules and Conditions of competition for PGA TOUR Champions or Local Rules or Conditions in effect for the conduct of such tournament shall be subject to the penalties provided in such Rules or Conditions, as well as any other penalties determined by PGA TOUR Champions Division Board and/or PGA TOUR Policy Board. The decision of PGA TOUR Champions Rules Committee for the tournament with respect to such breach(es) shall be final and conclusive.

NOTE: Pace of Play rules constitute supplemental local rules.

C. CONDUCT UNBECOMING A PROFESSIONAL

Any member who shall be deemed guilty of conduct unbecoming a professional golfer while participating in a PGA TOUR Champions cosponsored, coordinated or approved tournament, or activities related thereto (e.g., practice rounds, hospitality events, etc.), or who otherwise violates the provisions of Articles VI, Article VII or Article IX, Section E.1 (Annual Mandatory Meeting) of these Regulations shall be subject to fine, suspension and/or permanent disbarment from tournament play as provided in these Regulations.

In any instance where a PGA TOUR Champions member has for any reason been placed on probation for an infraction of any rule of PGA TOUR, then and in that event, if at any time during the probation period that member shall violate any rule of PGA TOUR, irrespective of whether that violation carries with it a penalty designated minor, intermediate or major as described under Article VII, Sections D.1-3, the Commissioner may immediately suspend the member's playing privileges. The Commissioner shall inform the member of the decision to revoke the probation within 14 days.

Prior to imposition of any minor, intermediate, or major penalty (except under the Rules of Golf), the player shall be notified orally, if possible, and in writing signed by the Commissioner, PGA TOUR Champions President, or his designee (in case of intermediate penalty). Such written notifications

shall specify the precise charges or violations. To the extent practicable, such written notifications shall be given within seven days following such violation.

Any written notification required by this Section to be given to a member shall be hand-delivered or sent to him via registered or certified mail, return receipt requested, or guaranteed overnight delivery service to the address of the player as shown in the records of PGA TOUR, provided that delivery to a player's locker at a tournament site shall constitute hand delivery under this Section.

D. CLASSES OF PENALTIES

1. Minor Penalties

A minor penalty is a fine of not more than \$2,500. A minor penalty may be imposed by the President of PGA TOUR Champions or his designee.

2. Intermediate Penalties

An intermediate penalty is a fine of between \$2,501 and \$5,000 and/or suspension from play for not more than three tournaments, including the tournament then in progress or scheduled for the calendar week in which the alleged violation occurred. An intermediate penalty may be imposed by the Commissioner or, if the Commissioner is not readily available, by the President of PGA TOUR Champions.

3. Major Penalties

A major penalty is a fine in excess of \$5,000, suspension from tournament play for more than three tournaments, and/or permanent disbarment from tournament play in PGA TOUR or PGA TOUR Champions cosponsored or coordinated events. A major penalty may be imposed only by the Commissioner, except as otherwise specified in these *Regulations*.

E. APPEALS

1. Minor Penalties

Appeals from minor penalties shall be to the President of PGA TOUR Champions or his designee. Such appeal may be written or oral, and may include defenses or mitigating circumstances, including written statements of witnesses. Such appeal shall be received by the President of PGA TOUR Champions or his designee no later than 14 days after the date of the written notification of imposition of the penalty. The President of PGA TOUR Champions or his designee shall render his decision on appeal, in writing, within 14 days of his receipt of the appeal, and such decision shall be final.

2. Intermediate and Major Penalties

Within 14 days of the date of notification of an intermediate or major penalty, the member may submit a written appeal to the Commissioner; provided, however, that if the initial penalty was imposed by the Commissioner and the Commissioner deems it in the best interest of PGA TOUR, any appeal to the Commissioner may be transferred by the Commissioner to the Appeals Committee. Such appeal may include statements from others having knowledge of the facts. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, and within 14 days of receipt of such appeal, the Commissioner shall reach a decision and shall promptly notify the member in writing of his response, specifying the reason therein. No member who has not appealed an intermediate or major penalty to the Commissioner shall have a right of further appeal to the Appeals Committee.

An appeal shall operate to stay the effective date of any penalty, except suspension from a tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after the final decision on the appeal.

3. Appeals Committee

There shall be an Appeals Committee consisting of the Chairman of the PGA TOUR Champions Division Board (or another Independent Director designated by the Chairman), the Immediate Past President of the PGA of America (or another Independent Director designated by the Chairman), and a former professional tournament golfer from time to time designated by PGA TOUR Champions Division Board to serve on such committee.

The Appeals Committee shall have power to fix the time and place of any hearing to review decisions and shall prescribe its own rules of procedure.

A member may appeal to the Appeals Committee from any decision by the Commissioner denying any initial appeal from the imposition of any penalty. The Appeals Committee also shall consider any appeal which the Commissioner has elected not to hear as described in Article VII, Section E.2. The appellant shall give written notice of appeal, directed to the Appeals Committee (in care of the Commissioner) within 14 days of the date of the notice from the Commissioner denying the player's initial appeal.

Within 14 days of receipt of the notice of appeal, the Appeals Committee shall review the decision of the Commissioner. If the penalty imposed involves suspension from play in a tournament or tournaments other than one then in progress or scheduled for the calendar week in which the alleged violation occurred, upon request of the appellant made at the time of taking the appeal, the Appeals Committee shall permit the appellant to be heard in person or by attorney, and to present witnesses. The Appeals Committee may call witnesses to assist it in determining the appeal. The member shall not be entitled to a hearing before the Appeals Committee with respect to imposition of a fine, but he may submit to the committee written statements in defense or mitigation.

In any case where the appellant shall be entitled to and has timely requested a hearing before the Appeals Committee, the Appeals Committee may, by unanimous agreement of its members, appoint a special Hearing Officer to conduct the hearing. The Hearing Officer shall be a lawyer and shall have a knowledge of golf and the USGA Rules of Golf. Promptly after his appointment, he shall fix the time(s) and place(s) for the hearing, and he is authorized to prescribe the rules of procedure for such hearing and to call witnesses to assist in determining the issues. As soon as reasonably practicable after the completion of the hearing, the Hearing Officer shall prepare a report setting forth his findings of fact and shall transmit the same, together with the stenographic transcript of the hearing (if any), to the Appeals Committee, and contemporaneously shall serve copies of such report upon the appellant and the Commissioner.

The appellant and the Commissioner shall have 14 days from the date of submission of such report to the Appeals Committee to file written memoranda with the committee, excepting to or in support of the report and the findings, in whole or in part.

Upon the evidence before it, including any evidence theretofore submitted to the Commissioner, and upon consideration of the report of the Hearing Officer and the memoranda in support or in opposition thereto (if there be such report and memoranda), the Appeals Committee may affirm, modify (increase or decrease) or reverse the decision of the Commissioner.

F. ANTI-DOPING PROGRAM APPEALS

The provisions of this Article shall not be applicable to violations of the PGA TOUR Anti-Doping Program.

VIII. RESPONSIBILITIES OF TOURNAMENTS

A. FINANCIAL RESPONSIBILITY

The Commissioner may, at his option, require the host organization of any PGA TOUR Champions cosponsored or coordinated tournament to furnish evidence satisfactory to the Commissioner of the sponsor's financial responsibility, either by:

(1) Posting a bond in an amount equal to the sum of the prize monies for such tournament plus \$15,000 or other applicable amount to cover the entry fees payable to PGA TOUR, guaranteeing such performance, or

(2) Providing some other form of financial guarantee or arrangement assuring the tournament's performance of its financial obligations under the Tournament Agreement.

B. NO GAMBLING

Neither the host organization of any PGA TOUR Champions cosponsored or coordinated tournament nor any of its employees, agents or representatives shall be associated with any form of organized or unorganized gambling at the time of the tournament or pro-am (if any), either at or removed from the site thereof. If such provision is violated, PGA TOUR shall have the right to terminate all or any portion of such tournament without liability to the tournament, and any PGA TOUR Champions member may withdraw from participation therein without liability to the tournament and without penalty under these Regulations or other PGA TOUR Champions rules.

B. VOTING MEMBERSHIP

1. Eligibility

A nonvoting member can become a PGA TOUR Champions voting member for a calendar year by:

- (a) Playing at least 11 PGA TOUR Champions cosponsored or approved tournaments in the previous or current calendar year. (Qualifying rounds do not constitute "play" in such tournaments for the purposes of this Section.) At least 18 holes of the 54-hole-or-greater event must be played to count towards this voting membership requirement; and
- (b) Attending at least one player meeting designated by PGA TOUR Champions (a mandatory meeting) or performing a substitute education requirement established by PGA TOUR Champions Division Board, including, without limitation, attending a makeup meeting or video presentation (an educational requirement) in the calendar year in which he first plays 11 tournaments.

Members shall pay such dues and fees as may from time to time be prescribed by PGA TOUR Champions Division Board.

A PGA TOUR Champions voting member who loses voting status shall not be required to pay any additional fee if he is reinstated to PGA TOUR Champions voting membership.

D. TERMINATION AND REINSTATEMENT OF MEMBERSHIP

1. Termination

A player shall cease to be a member of PGA TOUR Champions:

- (a) If he resigns.
- (b) If he fails to pay required dues or fees within the time specified by PGA TOUR.
- (c) If he loses his eligibility for membership under Section A of this Article IX, or
- (d) If in the judgment of PGA TOUR Champions Division Board he commits a serious breach of these Regulations, the Rules of Golf, the PGA Code of Ethics, or conducts himself in a manner unbecoming a professional golfer.

2. Reinstatement

A player whose PGA TOUR Champions membership is terminated for failing to continue to meet the requirements of Section A of this Article IX shall be eligible for reinstatement to such membership if he subsequently becomes eligible under Section A of this Article IX.

If a player's membership in PGA TOUR Champions shall be terminated for any reason other than the foregoing, he shall not be eligible for reinstatement to membership for at least six months from such termination, except on the affirmative vote of two-thirds of the members of PGA TOUR Champions Division Board.

Notwithstanding any other provisions of these Regulations, any PGA TOUR Champions member who (i) resigns from membership or purposely allows his membership to lapse by nonpayment of dues and thereafter participates in a conflicting event (as defined in Section A.2 of Article V), or (ii) takes advantage of Section A.2(d) of Article V (Home Circuit Exception) to the Conflicting Event rule for foreign members, and thereafter fails to honor his commitment to play in at least

15 cosponsored or approved events, shall not be eligible to apply for reinstatement to PGA TOUR Champions membership or to enjoy nonmember playing privileges for one calendar year.

Notwithstanding the above, the Commissioner, upon application by a foreign member and for medical reasons, may reduce the 15-event minimum requirement. In addition, the Commissioner, in his discretion, may permit a foreign member to resign from PGA TOUR Champions without losing nonmember playing privileges, provided that such foreign member submits his resignation before the start of the season in which he seeks to resign, and further provided that such foreign member shall not be eligible to apply for reinstatement to PGA TOUR Champions membership for a period of five years.

E. MEETINGS OF PLAYER MEMBERS

1. Annual Mandatory Meeting

PGA TOUR Champions members are required each year to attend at least one player meeting designated by PGA TOUR ("annual mandatory meeting"). Failure to meet the above obligation, unless excused by the Commissioner or his designee due to serious personal emergency, will be treated as Conduct Unbecoming a Professional and will result in an automatic Intermediate Penalty of a \$5,000 fine and will also cause the loss of Voting Membership (Section B of this Article IX). A player who is excused from the annual mandatory meeting due to a serious personal emergency will be required to perform a substitute education requirement established by PGA TOUR Champions Division Board, including, without limitation, attending a makeup meeting or video presentation (educational requirement). Failure to meet the above obligation will be treated as Conduct Unbecoming a Professional and will result in an automatic Intermediate Penalty of a \$5000 fine and will also cause the loss of Voting Membership (Section B of this Article IX). The annual mandatory meeting of PGA TOUR Champions members shall be held each year on a date and place determined by the Commissioner.

2. Special Meetings

Special meetings of PGA TOUR Champions members shall be held whenever called by the Commissioner upon the written request of two or more Player Directors of the PGA TOUR Champions Division Board, or upon the filing with the Commissioner of a petition signed by not less than 25 percent of the voting members of PGA TOUR Champions. Within 30 days of the receipt of such request or petition, the Commissioner shall schedule and give notice of such meeting.

3. General Provisions

- (a) So far as practical, meetings shall be scheduled at a place and time convenient to PGA TOUR Champions members, preferably at the site of and within two days of the commencement of a PGA TOUR Champions cosponsored or coordinated event.
- (b) Notice of each meeting of PGA TOUR Champions members shall be mailed to each member, addressed to such member at his address as it appears on the records of PGA TOUR, not less than 10 or more than 30 days before the scheduled date of such meeting. Each such notice shall state the place, date and hour of the meeting and the purpose or purposes for which the meeting is called. No notice of any meeting need be given, however, to any PGA TOUR Champions member who personally appears thereat or who signs a written waiver thereof,

whether before or after such meeting, and no notice need be given of any adjourned meeting of PGA TOUR Champions members if the time and place of such adjourned meeting are announced at the meeting at which the adjournment is taken, provided the adjournment is not for more than 21 days. Any business may be transacted at any adjourned meeting which might have been transacted at the meeting as originally scheduled.

- (c) The presence, in person, at any meeting of PGA TOUR Champions members of a majority of all the voting members of PGA TOUR Champions shall constitute a quorum for the transaction of business. In the absence of a quorum, a majority of the voting members of PGA TOUR Champions present or, if no such voting member is present, any officer of PGA TOUR present may adjourn the meeting for a period not exceeding 21 days in any one case.
- (d) Each voting member of PGA TOUR Champions present at meetings of PGA TOUR Champions members shall be entitled to one vote in person on all matters respecting PGA TOUR Champions on which PGA TOUR Champions voting members may vote. All matters voted upon by the voting members at any meeting of the members of PGA TOUR Champions, except the election or removal of a Player Director as provided in Section G of this Article IX and matters relating to repeals or amendments of these Regulations as provided in Section I of this Article IX, shall be decided by the vote of a majority of the voting members of PGA TOUR Champions present.
- (e) Nothing herein shall preclude the scheduling by PGA TOUR of additional informal player meetings or separate special meetings for PGA TOUR Champions members.

F. PGA TOUR CHAMPIONS DIVISION BOARD

1. Members

The members of PGA TOUR Champions Division Board shall consist of four Player Directors, the Immediate Past President of the PGA, and four Independent Directors (four public figures with a demonstrated interest in the game of golf).

2. Rules and Procedures

The rules and procedures governing the meetings and other actions of PGA TOUR Champions Division Board shall be prescribed in and in concert with the Organizational Memorandum for such Division Board and, to the extent applicable, with the corporate Articles of Incorporation and Bylaws of PGA TOUR, Inc.

G. PLAYER DIRECTORS

1. Election

- (a) The voting members of PGA TOUR Champions annually shall elect two voting members to serve as a Player Director on PGA TOUR Champions Division Board. A Player Director so elected shall take office on January 1 following his election and shall hold such office for a period of two years and until his successor is elected and qualified, or until his earlier resignation and removal.
- (b) Only voting members of PGA TOUR Champions shall be eligible for election as Player Directors.

2. Nomination

- (a) A Nominating Committee will be formed annually and will consist of at least three of the four Player Directors then currently sitting as members of PGA TOUR Champions Division Board. One of the Player Directors designated by the Chairman of the Board shall serve as the Chairman of the Nominating Committee. The Nominating Committee shall follow written procedures approved by the Board. The Nominating Committee shall nominate at least three and not more than five nominees for the two Player Director to be elected, provided that such nominees may not include any members of the Nominating Committee. Two new Player Directors shall be elected by the voting members of PGA TOUR Champions each year.
- (b) The names of the nominees selected by the Nominating Committee shall be forwarded by the Chairman in time to reach the office of the Commissioner by June 15. Not later than June 20, the Commissioner shall mail to all PGA TOUR Champions voting members a ballot containing the names of all nominees. Each voting member may vote for not more than two nominees, and shall return his ballot to reach the office of an outside auditor not later than July 20.
- (c) The two nominees who receive the greatest number of votes shall be elected. The results of the election shall be announced as soon as practical unless a tie vote makes a runoff election necessary, in which case the Commissioner shall promptly conduct a mail vote to resolve the tie and announce the results when the voting is completed.

3. Vacancies and Removal

- (a) Whenever the office of any Player Director elected by the voting members of PGA TOUR Champions becomes vacant by reason of resignation, disqualification, removal or otherwise, the remaining Player Directors shall elect a successor, who shall serve for the unexpired term of his predecessor.
- (b) Any Player Director may be removed at any time, with or without cause, by a vote of two-thirds of all the voting members of PGA TOUR Champions at a regular or special meeting called for that purpose. Any Player Director shall automatically be removed from PGA TOUR Champions Division Board if he ceases to be a voting member of PGA TOUR Champions.

H. PLAYER ADVISORY COUNCIL

- 1. The purpose of the council is to advise and consult with PGA TOUR Champions Division Board, the PGA TOUR Policy Board, the Commissioner and PGA TOUR Champions administrators on matters affecting PGA TOUR Champions players. The council shall meet from three to four times each year.
- 2. The council shall be comprised of nine players. Such members shall serve for the entire calendar year except, as set forth in Section G.1(b) of this Article IX, no Player Director shall serve on the council
- 3. Not later than three days following the completion of PGA TOUR Champions Official Money season, the top two available members from the Final Charles Schwab Official Points List and the top two available members from the All-Time Money List, who choose to serve, will be appointed to serve on the subsequent year's Player Advisory Council. Ballots will be mailed to PGA TOUR Champions Voting Members not later than November 15 of each year. Such ballots shall be returned to the office of an outside auditor not later than December 15. The three members who receive the greatest number of votes in the general election shall be deemed elected. In

the event of a tie vote, the Commissioner shall conduct a runoff election by mail vote of all PGA TOUR Champions voting members. In the event that an elected (or appointed) member declines to serve any portion of his term, the first available member from the general election who chooses to serve, shall be appointed to the Player Advisory Council. The final two positions will be appointed by the four Player Directors from the list of players who ran in the general election, but were not elected. The results of the election shall be announced as soon as practicable.

4. PGA TOUR Champions Player Advisory Council shall elect from among its members a Chairman who shall serve in such office for one calendar year. Such Chairman shall be a voting member of PGA TOUR Champions. Such Chairman shall be invited to attend meetings of PGA TOUR Champions Division Board in a nonvoting capacity.
5. Members eligible to serve on the council shall be regular or associate PGA TOUR Champions members who have played in a minimum of 11 cosponsored or approved PGA TOUR Champions tournaments in the preceding year or a minimum of six cosponsored or approved PGA TOUR Champions tournaments and such number of cosponsored or approved PGA TOUR tournaments such that such member had played a minimum of 11 combined PGA TOUR Champions and PGA TOUR tournaments in the preceding year. The council may invite other PGA TOUR Champions members to attend its meetings in a nonvoting capacity as advisors or honorary members.

I. AMENDMENTS

These *Regulations* may be amended or repealed (subject to the authority of the PGA TOUR Policy Board set forth in the paragraph F.2 of this Article IX) at any meeting of PGA TOUR Champions Division Board by the affirmative vote of a majority of the Board, provided that at least three of such majority shall be Player Directors, provided, further, that if any member of the Board, including a Player Director, upon advice of PGA TOUR counsel or otherwise, abstains from participating in any vote to adopt, amend or repeal any provision of these Tournament Regulations because of an actual or potential conflict of interest, the Board nonetheless may adopt, amend or repeal such provision by a vote of a majority of the disinterested directors, even if (i) such majority is comprised of no Player Directors, and/or (ii) the disinterested directors constitute less than a majority of the Board, and provided further that if any Player Directors do not vote on such change, such majority shall include at least 75% of the Player Directors voting thereon. The voting members of PGA TOUR Champions shall have the power to reverse any such amendment or repeal pertaining to tournament matters by the affirmative vote of two-thirds of all the voting members.

X. COSTS AND EXPENSES OF LITIGATION

If any member of PGA TOUR Champions shall institute any legal action or other proceeding against PGA TOUR and such member does not obtain the relief requested in such action, such member shall reimburse PGA TOUR for all costs and expenses incurred by PGA TOUR in connection with such action, including without limitation, reasonable attorneys' fees, whether incurred in preparation of trial, at trial, on appeal or in bankruptcy proceedings.

If such member does obtain the relief requested in such action, PGA TOUR shall reimburse such member for all costs and expenses incurred by such member in connection with such action, including without limitation, reasonable attorneys' fees, whether incurred in preparation of trial, at trial, on appeal or in bankruptcy proceedings.

In the event any such action or proceeding is settled or resolved other than by a final determination of a court or other tribunal, such member shall not be entitled to recover costs, expenses or attorneys' fees against PGA TOUR unless PGA TOUR expressly agrees otherwise as part of such settlement or resolution.

DEFENDING CHAMPION OBLIGATION/MEDIA FUNCTIONS

As a matter of policy established by PGA TOUR Champions Division Board, the defending champion of an event is required to assist the tournament in promoting the next year's event by attending a media function (press conference, luncheon, etc.) scheduled at the mutual convenience of the player and tournament or, also with the mutual agreement of the player and tournament, an alternate promotion (e.g., title sponsor visit, play in two pro-ams, telephone conference with local media, tape a promotional video, etc.). The tournament will provide the player with travel and related expenses.

EVENT QUALIFYING REDUCTION/CANCELLATION

Every effort will be made to complete the Event Qualifying competition. If Event Qualifying is contested on Monday of tournament week, the competition may be extended to Tuesday if (1) the golf course is still available, and (2) if the Event Qualifier is conducted on the Tournament Course, in the judgment of PGA TOUR Champions onsite Tournament Director, continuation of the competition will not disrupt previously planned onsite events (e.g., Shoot-Outs, Skins Games, etc.) or unreasonably interfere with practice rounds for exempt players. If the Event Qualifying is contested on Tuesday of tournament week, no extension of the competition to Wednesday is permissible.

If, in the judgment of the onsite Tournament Director, circumstances do not permit the Event Qualifying competition to be continued, the following reduction/cancellation guidelines approved by PGA TOUR Champions Division Board shall be applied:

1. Reduction of Play — In order for entry into the tournament to be based on competition, all players in the starting field of the Event Qualifying competition shall complete at least nine or eighteen holes. In the occurrence of a nine hole event, or eighteen hole event where a playoff is required, where the field has started on one tee, the available Event Qualifying spots shall be determined by nine-hole scores, with ties for last available spot and alternate priority determined via on-course playoff. If conditions dictate that there can be no on-course playoff, any ties for last place and priority of alternates will be determined by retrogression of the scorecards starting with the ninth or eighteenth and final hole and working backwards to the first hole, as necessary.

If the field starts on both the 1st and 10th holes and all players complete at least nine holes prior to the suspension of play, an equal number of players that started from each of the 1st and 10th holes, determined by lowest nine hole scores on the respective nines, shall be the successful qualifiers. If an odd number of players from the Event Qualifier must be selected, a blind draw will be used to determine priority amongst the next available finishers from the front nine and the back nine to determine the odd numbered qualifying spot.

NOTE: In the event that the entire starting field in an Event Qualifying competition is not able to complete nine holes and the competition cannot be continued on Tuesday as outlined above, the competition shall be considered canceled.

2. Cancellation of Play — If an Event Qualifying competition must be canceled, the following procedure shall be followed:

a) During all open, full-field events of the year through May 31, the following priority order will be used to determine who will use the available Event Qualifier positions:

- i. The three highest-ranking players available from the previous year's Official Money List entered in Event Qualifying.
- ii. The 2 players entered in Event Qualifying with the largest number of combined official victories who was not selected amongst the first three players. If three or more players are tied in combined official victories, priority will be based on All-Time earnings.
- iii. The remaining 2 spots available will be provided to the highest finisher from the previous year's National Qualifying Tournament entered in the Event Qualifier. Any ties amongst this group for the last available spot will be determined by the last round score from the National Qualifying Tournament, continuing to the third round, etc. until the priority order is determined.

NOTE: In the event that Event Qualifying spots are reduced, the number of players from each category will be reduced in alternating order starting with iii, then ii, then i, if necessary.

b) After June 1, the highest-ranking players on the current year's Official Money List (as of the event immediately preceding) entered in Event Qualifying shall be determined as the qualifiers for that week. In the occurrence that Event Qualifying is canceled without any player having been able to play, all entry fees and insurance will be refunded, minus a \$25 administrative charge. The players deemed qualifiers from the procedure above will have their qualifying fee applied as the entry fee for the official tournament. In the occurrence that Event Qualifying is canceled after play started, all entry fees will be refunded, minus the insurance fee, if any, and a \$25 administrative charge.

PACE OF PLAY GUIDELINES

Rule 6-7 states, in part: "The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish." The following pace of play guidelines, penalties and fines, for stroke play competitions have been adopted. In the administration of these pace of play guidelines, a member of the Rules Committee shall not tolerate abuse, oral or otherwise, by a player. Such abuse may constitute conduct unbecoming a professional.

DEFINITION OF "OUT OF POSITION"

The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play, as detailed on the applicable course's Pace of Play Chart.

Any subsequent group will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play, reach a par-4 hole and have not played a stroke from the teeing ground before the hole is open and free of play, or reach a par-5 hole and all players have not played a stroke from the teeing ground before the hole is open and free of play.

NOTE: The Committee reserves the right to time a group when the Committee deems it necessary. Further, if a player is determined by the Rules Committee to be unreasonably slow, he may be timed individually at the Rules Committee's discretion, regardless of whether his group is out of position.

TIMING

When the Rules Committee determines that a group is starting to fall behind, or is just out of position, the group will receive a warning. Such warning will be given as soon as possible, and given only once during a round. In some circumstances, the Rules Committee may commence timing without having given such a warning, including when a group has already fallen significantly behind and/or is affecting other groups.

Once a group has been warned, the Rules Committee (if available to do so) will monitor the pace of individual players in the group to determine if any players should be timed individually, as opposed to the entire group, in the case the group does not regain its position on the course.

When the Rules Committee determines that a group or an individual out of position will be timed, all players in the group, or the specific individual, will be informed they are being timed. Such timing could occur on any hole, including the finishing holes of a round, and as soon as the next hole after a warning has been given.

Other than on the putting green, the timing of a player's stroke will begin when it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as time taken for the next stroke. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments on his line of putt.

NOTE: A player is permitted 40 seconds to play a stroke, and an extra 10 seconds (for a total of 50 seconds) will be allowed for:

- (a) the first player to play a stroke on a par-3 hole;
- (b) the first player to play a second stroke on a par-4 or par-5 hole;
- (c) the first player to play a third stroke on a par-5 hole;
- (d) the first player to play around the putting green;
- (e) the first player to play on the putting green.

Any player in a group being timed, who exceeds the applicable time to play a stroke, will be informed as soon as practicable.

2. Confirm that driving clubs are listed on the USGA List of Conforming Driver Heads.
3. Have any altered or unusual clubs checked by a PGA TOUR Champions Rules Official before tournament use.
4. Verify that their ball is on the USGA's Conforming Golf Balls list.

5. Confirm that clubs conform to the Condition of Competition for Groove Specifications in elite competitions

If a player fails to submit his equipment prior to competition, he assumes all risk of a ruling that such equipment does not conform with the USGA Rules of Golf. Additionally, if required by a PGA TOUR Champions official, a player is obligated to surrender any equipment, if it is determined that additional off-site testing is necessary to rule on conformity. Failure to do so will result in disciplinary action. From time to time, PGA TOUR Champions, at the request of the USGA, collects ball and club samples on-site for testing by the USGA.

MEASURING CONDITION OF PUTTING GREEN

The Rules of Golf state that before a round or playoff on any day of stroke play competition, a competitor must not practice on the competition course or test the surface of any putting green on the course by rolling a ball or rouging or scraping the surface. The following policy applies to PGA TOUR, PGA TOUR Champions and web.com Tour competitions: Contestants and caddies ARE NOT permitted to use a device that measures the condition (i.e. slope, texture, firmness or moisture level) of any putting green on the course on any day of stroke play or match play competition. The use of such device is only permitted on practice days. A contestant or caddie who does not comply with this policy is subject to disciplinary action under Article VII (Discipline, Penalties and Appeals), Section C (Conduct Unbecoming a Professional) of PGA TOUR Champions *Tournament Regulations*.

PLAYER IDENTIFICATION

PGA TOUR Champions members will receive a personal photo ID, and family credentials which serve as identification at all cosponsored tournaments. If lost, replacement credentials are available through PGA TOUR Headquarters at a cost of \$50 per family credential and photo ID card. In addition, a player will receive a personal money clip. However, the money clip will not be recognized as a credential at PGA TOUR Champions co-sponsored events. If lost, a replacement money clip is available at a cost of \$100.

TICKETS FOR MEMBER'S FAMILY

As is specified in PGA TOUR's contracts with tournament sponsors, the sponsor will provide daily admission credentials without charge to any member of PGA TOUR Champions or the PGA of America. Family who have not been issued a year-long credential, must accompany the player in person to obtain a weekly credential.

SOCIAL FUNCTIONS

As a matter of policy established by PGA TOUR Champions Division Board, all PGA TOUR Champions members are encouraged to attend at least one social function (i.e., pro-am draw party; pro-am awards dinner) during any tournament played. Reasonable participation and cooperation in the "title sponsor hospitality program" is required.

SUSPENSION OF PLAY PROCEDURES

PGA TOUR Champions local rule specifically for suspension of play for dangerous weather is as follows: When play is suspended for dangerous weather (i.e., lightning, tornado, high winds, etc.) if the players in a match or group are between the play of two holes, they shall not resume play until the Tournament Committee has ordered a resumption of play. If they are in the process of playing a hole, they shall discontinue play immediately and shall not thereafter resume play until the committee has ordered a resumption of play.

A suspension for dangerous weather shall be signaled by one prolonged siren or horn blast. All other types of suspension shall be signaled by several short intermittent siren or horn blasts.

Penalty for breach of this local rule is disqualification.

NOTE: All practice areas shall be closed during suspension for dangerous weather until the committee has declared them open for use.

BAD WEATHER GUIDELINES (72/54 HOLE EVENTS)

For implementation at The Regions Tradition, the Constellation Senior Players Championship, The PowerShares QQQ Championship, Dominion Energy Charity Classic and Charles Schwab Cup Championship, the following Bad Weather Guidelines will be utilized by PGA TOUR Champions Tournament Director in the decision making process:

1. The first priority will be the completion of 72/54 holes. Every effort will be made to finish each round as scheduled by Sunday.
2. In order to make every effort to achieve this objective by Sunday, the Tournament Director is provided the discretion to extend any day's play beyond the standard 18 hole round.
3. If conditions exist which prevent 72/54 holes from being completed by Sunday, play will always be extended to Monday if golf course conditions and weather forecast permit.
4. If conditions exist which make the completion of 72/54 holes impossible, the next priority is to complete 54 holes. Again, play in this situation will always be extended to Monday if course conditions and weather permit.
5. If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes, so that the winner is credited with an official victory.
6. In the event of a suspension during a Monday final round, the completion of the tournament shall not be extended to Tuesday, except that if at least half the field has completed play prior to postponement or if a playoff is necessary to determine the tournament winner. Notwithstanding the above, if at least half the field has not completed play prior to the postponement, play shall not be resumed unless, in the judgment of the Tournament Director, the entire field can reasonably be expected to complete the Monday round.

PLAYER / FAMILY DINING POLICY

At events with space for exclusive Player/Family Dining, a dedicated area for players, spouses or significant other, and family members will be established. A player with guests will be able to go to a different dining area in which the player, his spouse or significant other, and family members will receive a complimentary meal and, at the option of the tournament, be charged for their guests.

At events with limited space that combines Player/Family Dining with corporate hospitality, a section will be set aside within the dining area that is for the player and his spouse or significant other. If a player has family members and/or guests, they will be able to go to the main dining area whereby the player, spouse or significant other, and family members receive a complimentary meal and, at the option of the tournament, pay for their guests.

CELL PHONE POLICY

Practice Days:

Players may use a cell phone in designated practice areas or on the golf course. As a courtesy to fellow competitors, players must step away from the hitting line on the range when using a cell phone. Also,

cell phones must be kept in the “vibrate” or “silent ring” mode in designated practice areas and on the golf course.

All others are prohibited from using cell phones in designated practice areas or on the golf course, unless used in a specially-designated cell phone calling area. Again, cell phones must be kept in the “vibrate” or “silent ring” mode in designated practice areas and on the golf course.

Pro-Am:

Players may use a cell phone in designated practice areas only. Players are prohibited from using a cell phone on the golf course during any official pro-am round.

All others are prohibited from using cell phones in designated practice areas or on the golf course, unless used in a specially-designated cell phone calling area.

Official Competition:

Cell phones are strictly prohibited in all designated practice areas and on the golf course during official competition rounds unless, used in a specially-designated cell phone calling center.

INTERNET POLICY

PGA TOUR Champions creates a section within PGATOUR.COM with information about each member.

Each player’s site consists of player photos, a biography consisting of data similar to the information found in the Media Guides, statistics, results from the current year’s tournaments, a scorecard from the most recent tournament played, and related stories and content.

PGA TOUR Champions recognizes that in the age of the Internet, PGA TOUR Champions members may be launching or re-launching their own web sites to support their fans, their sponsors, and their personal business ventures.

At the written request of a PGA TOUR Champions member, PGATOUR.COM will link to such player’s “official player site” from that particular player’s page on PGATOUR.COM so long as there is a reciprocal link back to PGATOUR.COM from the “official player site” home page.

Keep in mind that a PGA TOUR Champions member’s marketing rights (see page 33) have specific parameters regarding the use of the PGA TOUR name, marks, or logo. These parameters also apply to online usage.

In addition to linking capabilities and the use of TOUR marks, PGATOUR.COM will attempt to assist any member in his online ventures. Please contact the Player Relations Department or the New Media department with additional questions.

PLAYER ENDORSEMENT POLICY

To ensure that all members and contestants clearly understand the applicable parameters covering sponsorship and endorsement contracts, the PGA TOUR Policy Board has adopted the following policy:

All sponsorships, endorsements and promotional activities by members, whether during or outside PGA TOUR competitions, are subject to the approval of the PGA TOUR. (For purposes of this policy, all

such promotional activity is referred to as “sponsorship”.) When playing in PGA TOUR co-sponsored, sanctioned or approved events, non-member contestants are subject to this policy as well. Generally, all sponsorships must be tasteful and in accordance with standards of decorum expected of professional golfers. Sponsorships by companies whose business reputation or ongoing business activities may reflect adversely upon the image and reputation of the PGA TOUR will not be approved. The following addresses categories of special concern:

Tobacco. No sponsorships of any sort are permitted with companies selling tobacco products, other than cigars and tobacco smoked in pipes.

Distilled Spirits. A player may enter into a name and/or likeness agreement with a distilled spirit company. The ads or promotions (name or likeness) must include a social responsibility message and cannot include a direct call to action (e.g. “Call 1-800-555-5555 or visit us at www.xyz.com” or “Drink XYZ Distilled Spirit”). Further, use of a player’s likeness on primary (e.g. bottle label) or secondary (i.e. box or wrapping) distilled spirit packaging is not permitted. A player may not display a distilled spirit name, logo or product likeness on his apparel, headwear, golf bag or golf equipment. Sponsorships with legitimate apparel businesses owned or operated by distilled spirits companies are permitted, subject to the following limitations:

- Any identifier for the apparel line on players’ apparel, head wear, or golf equipment must include language relating specifically to the apparel line (e.g., Johnnie Walker Collection, not “Johnnie Walker”).
- Any identifier must be limited to one location only per item on any apparel, head wear or golf equipment.
- No visual representation of any distilled spirits product (e.g., liquor bottle, etc.) may appear on head wear, apparel, or golf bag of a player.
- A player’s likeness may not appear in any advertising for a distilled spirits product.

Beer and Wine: Beer and wine sponsorships are permitted. However, any ads or promotions (using a player’s name or likeness) must include a social responsibility message and cannot include a direct call to action about the product(s) (e.g. “Call 1-800-555-5555” or “www.xyz.com” or “Special 6-pack offer”).

Gambling and Casinos. Sponsorships by casinos or gambling concerns of any sort, including on-line gaming sites, are not permitted, with the following exception: Sponsorship by a resort that includes a casino is permitted if the sponsorship focuses on non-gambling aspects of the resort. Such sponsorship may not include the word “casino” (e.g., “Foxwoods” or “Foxwoods Resort” is permitted; “Foxwoods Resort and Casino” is not) or any graphic or verbal depiction of gambling (e.g., cards or dice) in any identifier on the player’s clothing or equipment or in any advertising. All sponsorships with resorts that include casinos or gambling concerns require prior approval of PGA TOUR.

Logo Size, Location and Quantity. Logos on a player’s clothing and headwear must be in good taste as to size, location and quantity. As a guideline, logos which do not exceed three by five inches (3” x 5”) are considered reasonable. Generally accepted locations are as follows: right and left breast of shirt, right and left sleeve of shirt, right and left collar of shirt, yoke of the shirt and front, back and sides of

headwear. Examples of unacceptable locations include: across the back of a shirt, down the length of either sleeve, down the length of a player’s pant legs and rear-end area of a player’s pants. As a guideline, no more than four different sponsor logos should appear on a player’s clothing and headwear. In addition, hat, shirt and pants designs may incorporate the apparel maker’s logo, other corporate logos, words, slogans, or the like provided they do not exceed the 3” x 5” size guideline.

Outings and Appearances. Outings and appearances by players are permitted on behalf of any company including distilled spirits, tobacco and gambling companies, provided that such outing or appearance is private, limited to invited guests, not televised or covered in any other media and not promoted to the public.

PROCEDURES FOR DUALY-COMMITTED PLAYERS:

PGA TOUR members may commit to both PGA TOUR and PGA TOUR Champions events scheduled for the same week. If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure to notify the PGA TOUR of his intention will cause the player to be placed in the PGA TOUR field and removed from PGA TOUR Champions field.

A player who is an alternate for that week’s PGA TOUR Champions event and is in the PGA TOUR tournament must notify PGA TOUR Headquarters by 5p.m. Eastern Time on Wednesday of tournament week of his intention to play the PGA TOUR event. If he notifies the PGA TOUR that he intends to play the PGA TOUR event (or if he fails to give such notification), then he shall cease to be an alternate for that week’s PGA TOUR Champions event and shall remain in the field of the PGA TOUR event.

Should the player elect to play the PGA TOUR event prior to 3 p.m Eastern Time on Monday or 5 p.m. Eastern Time on Wednesday as described above and withdraws from PGA TOUR Champions event, the player who would have been in PGA TOUR Champions field if the dually-committed player had withdrawn from PGA TOUR Champions event prior to the 5 p.m. Eastern Time Friday commitment deadline shall replace the withdrawn player. In the event that any dually committed player does not displace any other player at the time of the commitment deadline and the dually committed player subsequently withdraws for PGA TOUR Champions event, that player’s position will be filled by the first available player on PGA TOUR Champions alternate list.

A player who is an alternate for the PGA TOUR event and is in PGA TOUR Champions tournament must notify PGA TOUR Headquarters by 5p.m. Eastern Time on Wednesday of tournament week of his intention to play PGA TOUR Champions event. If he notifies the PGA TOUR that he intends to play PGA TOUR Champions event (or if he fails to give such notification), then he shall cease to be an alternate for that week’s PGA TOUR event and shall remain in the field of PGA TOUR Champions event.

PGA TOUR Champions members may commit to both PGA TOUR Champions and Web.com Tour events scheduled for the same week. If a player is in the field of both events, he must notify PGA Tour Headquarters by 3p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure to notify the PGA TOUR of his intention will cause the player to be placed in PGA TOUR Champions field and removed from the Web.com Tour field.

SPECIAL AWARDS

CHARLES SCHWAB CUP

The Charles Schwab Cup is a yearlong performance based system that will award an annuity to players finishing 1st – 5th place. The prize money for the annuity will be distributed over 10 years; with the first payment occurring one year after each respective player’s 1st – 5th place finishes (e.g., 2017 players finishing 1st – 5th place will receive their first annual payment in approximately November 2018). The payout schedule is as follows:

	Annual Payments	Total Payments
1st	\$100,000	\$1,000,000 (Annuity)
2nd	50,000	500,000 (Annuity)
3rd	30,000	300,000 (Annuity)
4th	20,000	200,000 (Annuity)
5th	10,000	100,000 (Annuity)
		\$2,100,000

The Charles Schwab Cup Money List will equate to PGA TOUR Champions Current Official Money List. The Playoffs will be based on a Points System for the three events. There will be a points reset prior to the Charles Schwab Cup Championship. The reset provides all 36 players in the field an opportunity to win the season long Charles Schwab Cup with the top five players automatically winning the Cup by winning the season ending Schwab Cup Championship.

Format: There will be three tournaments that make up the Playoffs. The first tournament will be a 54 hole event with a field size of 72. The second tournament will be a 54 hole event with a field size of 54. The final event; Charles Schwab Cup Championship, will be a 72 hole event with a field size of 36.

Eligibility: The Playoffs and Championship will be based on a player’s position on the season-long Charles Schwab Cup Money List. The Money List is converted to a Points List (\$1 = 1 point) for the Playoffs and Championship with each of the three events providing double points. For the First Playoff event the top 72 players on the Charles Schwab Cup Money List will be eligible. For the second Playoff event the top 54 players on the Charles Schwab Cup Points List will be eligible. For the Charles Schwab Cup Championship, the top 36 players on the Charles Schwab Cup Points List will be eligible.

Wild Card Weekend (SAS Championship): If not otherwise exempt into the first playoff event, a maximum of one player, finishing in 10th place (including ties for 10th place) or better will replace the last player in the field of the first playoff event.

NOTE: As detailed in Bad Weather Guidelines. The Regions Tradition, Constellation Senior Players Championship, Playoff Events and Charles Schwab Cup Championship are exceptions to these guidelines.
