Dear Korn Ferry Tour Members:

The 2022 Korn Ferry Tour Player Handbook and Tournament Regulations serves as an informational guide for members. I encourage every player to use this publication on a day-to-day basis and become familiar with the policies and procedures of the Korn Ferry Tour.

It is important to understand that this publication is the final authority on Korn Ferry Tour operations and policies. Further, we expect each player to conduct himself to the highest professional standards, and to learn his responsibilities to fellow members, sponsors, volunteers, spectators and staff.

Best wishes for a successful season.

NATIONALITY POLICY

I. GENERAL

Any Athlete in an International Golf Competition (Section II) must be a national of the country which the Athlete is representing or under which the Athlete is eligible for the competition.

The IGF publishes this policy ("Nationality Policy") as it pertains to matters relating to the determination of the country which an Athlete may represent in an International Golf Competition listed below, and from time-to-time will advise sanctioning organizations of International Golf Competitions as to guidelines and standards on making determinations on an Athlete's Nationality.

Each sanctioning organization has adopted the Nationality Policy and shares decisions based on nationality with the IGF and other sanctioning organizations. All matters relating to the determination of the country which an Athlete may represent in an International Golf Competition listed below shall be resolved by the sanctioning organization for that event, in its sole discretion.

II. INTERNATIONAL GOLF COMPETITIONS

For the purposes of this policy, International Golf Competitions are as follows:

Women's Competitions

Espirito Santo Trophy
Solheim Cup
International Crown
Olympic Games

III. NATIONALITY

An Athlete will be considered a national of a country if the Athlete is a citizen of the country, as defined by the laws of such country.

An Athlete who is a national of two or more countries at the same time may represent either one of them, as the Athlete may elect. However, after having represented one country in an International Golf Competition, the Athlete may not represent another country unless first meeting the conditions set forth below that apply to persons who have changed their nationality or acquired a new nationality.

An Athlete who has represented one country in an International Golf Competition, and who has changed nationality or acquired a new nationality, may participate in another International Golf

Competition representing the new country provided that, as of the start of the qualification period for such event, at least four years have passed since the Athlete last represented his/her former country. This period may be extended, reduced or even cancelled, with the agreement of the sanctioning organization, which takes into account the circumstances of each case and any applicable guidelines and standards provided by the IGF.

If an associated state, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, or if a country merges with another country, an Athlete may continue to represent the country to which the Athlete belongs or belonged. However, if the Athlete prefers, the Athlete may elect to represent the new country. This particular choice may be made only once.

Furthermore, in all cases in which an Athlete would be eligible to participate in an International Golf Competition, either by representing another country than his/hers or by having the choice as to the country which such Athlete intends to represent, the sanctioning organization may take all decisions of a general or individual nature with regard to issues resulting from nationality, citizenship, domicile or residence of any Athlete, including the duration of any waiting period, taking into account the circumstances of each case and any applicable guidelines and standards provided by the IGF.

IV. COUNTRIES AND CONTINENTS

For the purposes of defining a country (or territory, if applicable) of which an Athlete is a national, the current list of National Olympic Committees as recognized by the International Olympic Committee will be used. For International Golf Competitions other than the Olympic Games and Youth Olympic Games, England, Scotland and Wales will be considered to be separate countries.

For the purposes of defining the continent of Europe as it relates only to certain International Golf Competitions which either include all countries within Europe as a team or exclude all countries within Europe from a team, the following countries will be considered to be within Europe and not part of regions other than Europe:

V. RANKINGS

An Athlete should ensure that his/her nationality is correctly listed on the appropriate world golf ranking system. For women's International Golf Competitions, this shall be the Rolex Women's World Rankings. For men's International Golf Competitions, this shall be the Official World Golf Rankings. For the purposes of applying this policy, the Athlete will be presumed to be a national of the country listed on the appropriate world rankings system, subject to verification in accordance with this policy. Any decisions taken related to an Athlete's nationality in accordance with this policy shall be referred by the IGF to the appropriate ranking system, who shall display the correct nationality of each Athlete within the rankings.

An Athlete eligible to participate in an International Golf Competition by representing another country to the one previously represented (by either changing nationality or acquiring a new nationality) in accordance with this policy will only be eligible for International Golf Competitions for which the qualification period has not yet started, unless otherwise allowed by the sanctioning organization.

An Athlete eligible to participate in an International Golf Competition by having the choice as to the country which such Athlete intends to represent in accordance with this policy will only be

2022 KORN FERRY TOUR FINALS

At the conclusion of the regular season, the top 75 players in Korn Ferry Tour Points plus ties will be eligible to play in the Korn Ferry Tour Finals.

Additionally, nonmembers, who would have earned if they were members, enough FedExCup Points from their performance in official money PGA TOUR events in the current season to place them within #126-#200 on the Official FedExCup Points List following the conclusion of the event immediately preceding the first FedExCup Playoffs event (Wendham Championship) will be eligible to compete in the Korn Ferry Tour Finals.

The Top-25 players from the Official Korn Ferry Tour Regular Season Points List at the conclusion of the last Regular Season event will carry all points earned through the Korn Ferry Tour regular season through the Korn Ferry Tour Finals. Other Notes

Korn Ferry Tour points are distributed to players earning official money. Amateurs will not be eligible to earn Korn Ferry Tour points. For example, if an amateur finishes 3rd at an event and a professional finishes 4th, the professional will receive 4th place points – 3rd place points will not be awarded at all.

Korn Ferry Tour points will be awarded at official Korn Ferry Tour events where official money is earned. For example, if an event is shortened to 36 holes, it is listed as an unofficial victory but awarded official money, so it would award Korn Ferry Tour points.

All Korn Ferry Tour points will be calculated and rounded to three decimals.

PERFORMANCE BENEFITS

For the PGA TOUR:

- The top-25 players from the Korn Ferry Tour Regular Season Points List earn their PGA TOUR cards (positioning determined in Finals).

GENERAL ADMINISTRATIVE MATTERS

PLAYER IDENTIFICATION

Korn Ferry Tour members receive a personal photo ID which serves as identification at all cosponsored tournaments. Similar photo IDs are provided for their significant other, to serve the same function. If lost, replacement photo IDs are available through PGA TOUR Headquarters at a cost of \$50 per photo ID.

TICKETS FOR MEMBERS FAMILY

Host organizations provide complimentary daily admissions credentials for any member of the PGA TOUR or the PGA of America, as well as for members of his immediate family. Immediate

family in this case includes the player's wife, children and parents. Family members must accompany the player in person to obtain the admission credentials.

BAD WEATHER GUIDELINES

The PGA TOUR Policy Board has approved these guidelines for use by tournament officials in case of bad weather:

1. Every effort should be made to finish each round as scheduled.
2. When unplayable conditions occur, play will be suspended. Play will resume when conditions improve, even when that round cannot be completed that day.
 - (a) Where daylight permits, play may resume the following day, to include completion of the next scheduled round.
 - (b) Where daylight does not permit, the suspended round may be completed the next day. Thus, one round might be completed over a two-day period, depending on how many players had played from the starting tee(s).
3. When the first, second and/or third rounds are cancelled or suspended beyond the third scheduled day, with only one day remaining, every reasonable effort will be made to complete the next scheduled round (first round, or in the event it is the completion of the second round and daylight and conditions permit, determine the cut and complete the 3rd or 4th rounds).
4. In the event of a suspension during the final round, with the exception of the last event of the Korn Ferry Tour Regular Season and all Korn Ferry Tour Finals events, the round will be cancelled unless half the field has completed the round. If at least half the field has completed the round, play should be temporarily suspended and completed when conditions permit. No completion should extend past Monday. In no situation would play resume in order to have at least half the field complete play on Sunday so that play may be extended to Monday.
5. For the last event of the Korn Ferry Tour Regular Season and all of Korn Ferry Tour Finals events, play may be extended to Monday at the discretion of the Chief Referee if golf course conditions and weather permit. However, in no case shall play extend beyond Monday (with the exception of a sudden-death Play-off to determine the winner)
6. Tournament Format: If the tournament utilizes a multiple course format, the number of rounds needed to have players complete one round on each course will be considered. In pro-am events, amateurs may be asked to discontinue once play resumes in an effort to complete play on schedule.

SUSPENSION OF PLAY DUE TO DANGEROUS SITUATIONS

Play may be suspended for such dangerous situations as lightning, tornadoes, etc. If the players in a match or group are between two holes, they must not resume play until the Rules Committee so orders. Players who are playing a hole must discontinue immediately and not

resume play until the Committee orders. THE PENALTY FOR BREACH OF THIS CONDITION IS DISQUALIFICATION.

All practice areas shall be closed during a suspension for a dangerous situation until the PGA TOUR Rules Committee has declared them open for use. Players who disregard such closing shall be subject to disciplinary action.

NOTE: One prolonged siren or horn note signals suspension for a dangerous situation. Several short intermittent horn or siren notes signal all other types of suspension.

LOCKER ROOM

Locker room access is limited to:

Tournament week:

Players, player's sons when accompanied by the player, PGA TOUR staff, instructors, and working media and a limited number of the host organization's committeemen.

Practice and Pro-Am days:

Tournament representatives, player managers, golf apparel and manufacturer representatives.

Weather delays:

Players, essential locker room staff and PGA TOUR staff.

NOTE: Network television personnel are permitted locker room access for the purpose of set up and operation of a "Weather Studio".

When accompanied by his player, a caddie may enter the locker room at any time during the week to assist the player in loading the player's golf bag with contents from his locker. Caddies are not allowed in the locker room at any other time. Players whose caddies enter locker rooms initially (not within the designated times listed above) will be fined \$100. Subsequent fines during a season will be \$250 and \$500, respectively.

Except during weather suspensions, golf bags must be put away in lockers or appropriate bag storage areas provided by the tournament. Golf bags must be put away over night and shall not be left out in the locker room.

Players in the starting tournament field where locker room facilities are available at the host clubhouse must pay the attendant a minimum of \$20 for service.

Smoking is not permitted in the player locker room.

COURTESY CAR POLICIES (IF APPLICABLE)

As a matter of courtesy to tournament volunteers, no player may request courtesy car service (pickup or return at airports) after 8 p.m. or before 7 a.m. If courtesy cars are issued to players by the host organization, only players may drive the cars. The penalty for permitting a caddie to drive a courtesy car is \$500 for the first offense and \$1,000 for any additional offense.

PLAYER EQUIPMENT

To help ensure that players competing in Korn Ferry Tour cosponsored tournaments use equipment that conforms with the USGA Rules of Golf, players are encouraged to:

1. Confirm with equipment manufacturers or club maker that all equipment or samples have been submitted and approved by the USGA. Any new equipment must be formally approved by the USGA prior to putting the equipment in play.
2. Confirm that driving clubs are on the USGA List of Conforming Driver Heads. Any modified club head or club face must conform as if new and may need to be re-tested.
3. Have any altered or unusual clubs checked by a Korn Ferry Tour Rules Official before tournament use.
4. Verify that the ball chosen to be played is on the USGA's List of Conforming Golf Balls.
5. Confirm that clubs conform to Model Local Rule G-2, regarding groove and punch mark specifications and are listed on the USGA Equipment Database. The Exception does not apply.

If a player fails to submit his equipment prior to competition, he assumes all risk of a ruling that equipment does not conform with the USGA Rules of Golf. Additionally, if required by a Korn Ferry Tour official, a player is obligated to surrender any equipment if it is determined that additional off-site testing is necessary to rule on conformity. Failure to do so will result in withdrawal from the tournament and subsequent disciplinary action. From time-to-time, Korn Ferry Tour, at the request of the USGA, collects ball and club samples for testing by the USGA.

PRACTICE AREA POLICY

To provide contestants the ability to practice without distraction, the PGA TOUR Policy Board has adopted the following policy:

Only contestants, their caddies, instructors, managers, media, golf equipment manufacturers (when invited by contestants) tournament representatives and PGA TOUR staff are permitted onto any area designated for practice, (e.g., range, practice putting green, chipping or pitching greens, bunkers and the tournament golf course) during practice rounds.

NOTE: Family members and friends are not permitted inside the ropes on the golf course at any time. Family members are permitted on other designated practice areas when accompanied by the player. Players are expected to use good judgement and discretion when inviting family members onto designated practice areas. Players are responsible for their minor children and their conduct. Only one tournament representative is allowed access to designated practice areas at a time.

On pro-am days, practice by professionals and amateurs not in the pro-am in designated practice areas is prohibited from 30 minutes prior to the first pro-am starting time through the final pro-

am starting time, for each segment/wave of tee times. For shotgun starts, practice is prohibited for one hour prior to the shotgun start.

On pro-am days at tournaments played from the start of each season until the Masters Tournament, professionals and amateurs not in the pro-am are permitted to practice chipping and putting on course prior to the first pro-am starting time. Full shots on course are not permitted. On pro-am days at tournaments played after the Masters Tournament until the conclusion of the season, professionals and amateurs not in the pro-am are permitted to practice all shots on course prior to the first pro-am starting time. Any practice taking place prior to the pro-am must not interfere with the pace of play of the pro-am and players shall not endanger persons preparing the golf course for the pro-am.

On practice days, after 8:30 a.m. all play must begin from the first tee unless expressly approved by a member of the Rules Committee. This time will be adjusted to 7:30 a.m. for the months of May through August.

During tournament week practice facilities and the tournament course are for qualified players and the first 10 alternates on the Korn Ferry Tour alternate list unless approved by the Korn Ferry Tour Chief Referee. Qualified players and the first 10 alternates on the Korn Ferry Tour alternate list shall not practice with ineligible players.

The use of permanent markers, paint or other similar products to create lines on the practice putting and chipping greens is not permitted. If marks or lines are created on these surfaces, they must be done with a non-permanent material, such as a chalk line, which will not damage the turf and will disappear in a short period of time.

GOLF COURSE PREPARATION & SET-UP PHILOSOPHY

GENERAL

Golf course preparation and set-up is critical to the PGA TOUR's core mission and has significant ramifications for our players, television partners, tournaments, sponsors and fans.

For each tournament, the objective is to provide a level of difficulty and excitement which identifies the world's best players while 1) maintaining fairness, 2) respecting the features and capabilities of the venue, and 3) providing a dramatic stage for the PGA TOUR. Throughout the season, the objective is to provide a variety of golf course set-ups, in conjunction with assessment of the TOUR's evolving business needs as well as monitoring of relevant statistics.

The PGA TOUR's Rules & Competitions and Agronomy Staff are responsible for golf course preparation and set-up, with the PGA TOUR Chief Referee having final authority. A Golf Course Review Committee, reporting to the Commissioner, will be maintained for the purpose of approving new venues and changes to existing venues, as well as reviewing relevant data and feedback on course preparation and set-up.

Course preparation and set-up is subjective, and situations will occur where objectives are unable to be met. Professional observations and constructive criticism on the preparation and set-up of courses is welcome, and should be directed to the Tournament Staff.

PREPARATION

Although abnormal conditions, adverse weather, or venue capabilities will sometimes prevent establishing the desired course conditions, the following will normally be objectives for tournament sites:

Tees:

Firm, closely-mown, level and adequately-sized (to the extent possible), in order to provide flexibility.

Fairways:

Firm and closely-mown, varying in width according to course and year-long variety.

Greens:

Closely mown with firmness and speed varying for contours, grass-type and conditions, and predicted weather.

Rough:

Varying in length and penalty according to course and year-long variety.

Bunkers:

Prepared each day in a timely manner with well-defined edges.

Maintenance & Irrigation:

Undertaken to achieve the above, but modified as necessary for consistency, adverse conditions, and predicted weather.

SET-UP

Tee placements and hole locations should take into account the following:

- Hole type, difficulty and length (including forced-carries)
- Design features
- Course conditions
- Predicted weather
- Variety of shot-making and shot-lengths required during the round
- Creation of excitement and drama for television partners, sponsors, and fans, particularly on the finishing holes.
- Weather Guidelines (with respect to completing the competition)
- Pace of play (this will not be a primary consideration)
- Tournament operations & logistics (this will not be a primary consideration)

On par-4's and par-5's, one or more teeing grounds may be used. Back tees will not necessarily be used every round or at all. Creation of drama will weigh heavily in identifying holes suitable for set-up as either reachable par-5's or drivable par-4's. On par-3 holes, tee marker placement

should vary (if possible) to encourage broader shot selection both on all par-3's during each round and on each par-3 for the week.

Hole locations will generally be a reasonable distance from the green's edge and from contours. However, some hole locations may not be easily accessible, requiring judgement and skill.

ANTI-DOPING PROGRAM

All contestants in Korn Ferry Tour events are subject to the terms and conditions of the PGA TOUR Anti-Doping Program. The full terms of the Anti-Doping Program may be found at www.drugfreesport.com/rec or pgatourlinks.com. Questions regarding the Anti-Doping Program should be directed to Andy Levinson, Executive Director, at PGA TOUR Headquarters.

PGA TOUR ALCOHOL POLICY

Any member found to have violated any of the following provisions relating to the use of alcohol shall be considered to have engaged in conduct unbecoming a professional and shall be subject to a significant penalty:

- A. Consuming an alcoholic beverage during any practice round or tournament round (whether a pro-am round or a tournament competition round), on the practice tee or putting green.
- B. Moderate, responsible consumption of alcoholic beverages after play or during social functions is permitted. But players should know that alcohol related unprofessional incidents will constitute conduct unbecoming a professional.
- C. A PGA TOUR member's responsibility to conduct himself in a professional manner and lend credit to himself and his organization extends beyond the time that the member is engaging in tournament play at the tournament site. Accordingly, the Membership should be aware that, depending on the circumstances, being under the influence of alcohol at any time in a public place, whether at a tournament site or otherwise, may constitute conduct unbecoming a professional.

The Commissioner will conduct such inquiries and investigations as shall be appropriate to determine whether a member has violated the alcohol policy or any interpretations thereof.

INTEGRITY PROGRAM

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Integrity Program. The Integrity Program among other things prohibits players from betting on

professional golf and engaging in other betting-related activities and requires players to complete certain educational requirements, in an effort to maintain integrity and prevent betting-related corruption in PGA TOUR events. The full terms of the Integrity Program may be found at pgatourlinks.com. Questions regarding the Integrity Program should be directed to Andy Levinson, Senior Vice President, Tournament Administration, at PGA TOUR Headquarters.

PACE OF PLAY POLICY

Rule 5.6b states, in part: “The player should play at a prompt pace throughout the round. To encourage and enforce prompt play, the Committee shall set a Pace of Play Policy.” The following Pace of Play Policy, including penalties and fines, for stroke play competitions has been adopted. In the administration of this Pace of Play Policy, a member of the Rules Committee shall not tolerate abuse, oral or otherwise, by a player. Such abuse may constitute conduct unbecoming a professional.

DEFINITION AND APPLICATION OF “OUT OF POSITION”

The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play, as detailed on the applicable course’s Pace of Play Chart.

Any subsequent group will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play, reach a par-4 hole and have not played a stroke from the teeing ground before the hole is open and free of play, or reach a par-5 hole and all players have not played a stroke from the teeing ground before the hole is open and free of play.

NOTE: The Committee reserves the right to time a group when the Committee deems it necessary. Further, if a player is determined by the Rules Committee to be unreasonably slow, he may be timed individually at the Rules Committee’s discretion, regardless of whether his group is out of position.

DEFINITION AND APPLICATION OF “OBSERVATION LIST”

Any player with an overall average of 45 seconds or more per stroke over a 10-tournament rolling period in the current and prior season will be placed on the observation list.

The calculation of the overall average of 45 seconds or more per stroke over a 10-tournament rolling period is calculated, as follows:

- Each individual stroke’s time is the amount of elapsed time from when the preceding player hits his shot to the time the player hits his shot.
- The following strokes are then removed from the calculation of the average:
 - All strokes in official pro-am tournament rounds (i.e. BMW Charity Pro-Am);
 - All drops, penalties, provisionals and all shots immediately following those shots in a group;

- Each instance of the first player to play in a similar position (i.e. first tee shot, first putt, etc.);
- All shots that require large spans of time; and
- For each individual player, the top 10% slowest shots.

The observation list will be updated on a weekly basis. Any player on the observation list will be notified in writing and in person (if possible) by a member of the Rules Committee prior to the start of competition.

During competition rounds, the Rules Committee will monitor players on the observation list throughout their round. Players on the observation list must play each stroke throughout the round in under 60 seconds, in the absence of a valid reason for taking longer. If observed by an official to exceed 60 seconds without a valid reason, that player will be timed on an individual basis as soon as he can be notified. If the player does not exceed the applicable time to play a stroke within two holes, timing will cease.

The 45 second average will be reviewed by the Policy Board on an annual basis.

TIMING

When the Rules Committee determines that a group is starting to fall behind, or is just out of position, the group (or certain players within the group) will receive an official warning. Such warning will be given as soon as possible and given only once during a round. In some circumstances, the Rules Committee may commence timing without having given such a warning, including when a group has already fallen significantly behind and/or is affecting other groups. Warnings given to players in the lead groups will not count towards their cumulative warnings for the season.

Once a group (or certain players within the group) has been warned, the Rules Committee (if available to do so) will monitor the pace of individual players in the group to determine if any players should be timed individually, as opposed to the entire group, in the case the group does not regain its position on the course.

When the Rules Committee determines that a group or an individual out of position will be timed, all players in the group, or the specific individual, will be informed they are being timed. Such timing could occur on any hole, including the finishing holes of a round.

Other than on the putting green, the timing of a player's stroke will begin when it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as time taken for the next stroke. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair his ball mark and other damage on his line of play and remove loose impediments on his line of play.

NOTE: A player is permitted 40 seconds to play a stroke, and an extra 10 seconds (for a total of 50 seconds) will be allowed for:

- (a) the first player to play a stroke on a par-3 hole;
- (b) the first player to play a second stroke on a par-4 or par-5 hole;

- (c) the first player to play a third stroke on a par-5 hole;
- (d) the first player to play around the putting green;
- (e) the first player to play on the putting green.

Any player in a group being timed, who exceeds the applicable time to play a stroke (bad time), will be informed as soon as practicable.

PENALTIES DURING TOURNAMENT

First Offense:

One (1) timing exceeding the applicable time to play a stroke (1 bad time) - no penalty.

Second Offense:

One more timing (total of two) exceeding the applicable time to play a stroke (2 bad times) - a one (1) stroke penalty.

Third Offense:

One more timing (total of three) exceeding the applicable time to play a stroke (3 bad times) - a two (2) stroke penalty.

Fourth Offense:

One more timing (total of four) exceeding the applicable time to play a stroke (4 bad times) - disqualification.

NOTE: Any timing exceeding the applicable time to play a stroke (bad time) will be carried over throughout the tournament.

EXCESSIVE SHOT TIME

If any player in the field is observed by a Rules Official to take more than 120 seconds on a shot in the absence of a good reason for doing so, he will be given an Excessive Shot Time.

If an Excessive Shot Time is observed by an official, the official will notify the player as soon as is practical. This could be immediately after a shot if on a tee shot or approach shot, or at the conclusion of the hole if around or on the green.

All timing of strokes will be done by the Rules Officials on-course and in-person. Television footage and/or ShotLink data will not be used other than to corroborate the individual stroke time recorded and only if the officials choose to use such information.

Any player who receives two Excessive Shot Times in a tournament will also be placed on the Observation List for subsequent rounds.

FINES CUMULATIVE DURING SEASON

All warnings, bad times, excessive shot times and timings accumulate throughout the season.

WARNINGS

First through Twenty-fourth (24th) Offense:

First through Twenty-fourth (24th) occasion of being warned that your group is out of position - no fine

NOTE 1: Warnings will not be counted during official pro-am tournament rounds (i.e. BMW Charity Pro-Am).

NOTE 2: Warnings will accumulate throughout the season. Warnings given to players in the lead groups will not count towards their cumulative warnings for the season. A player who reaches his 25th occasion of being warned and whose stroke average over a 10-tournament rolling period (i.e. Observation List) is within +5 seconds of the overall 10-tournament rolling TOUR average is exempt from the Warnings fine. If at any time following his 25th occasion of being warned, the player exceeds 5 seconds over the TOUR average the fine will go into effect.

BAD TIMES AND EXCESSIVE SHOT TIMES

First timing exceeding the applicable time to play a stroke (1 bad time) - no fine.

One (1) timing exceeding 120 seconds to play a stroke (1 excessive shot time) – no penalty.

Second Offense:

One more timing (total of two) exceeding 120 seconds to play a stroke (2 excessive shot time) – a fine of \$1,000

Third and Subsequent Offenses:

Third and subsequent timings exceeding the applicable time to play a stroke (3 or more bad times) - a fine of \$2,000 for each offense.

NOTE 1: Timings exceeding the applicable time to play a stroke (bad times) and timings exceeding 120 seconds to play a stroke (excessive shot times) will accumulate throughout the season.

NOTE 2: Timings exceeding the applicable time to play a stroke (bad times) and timings exceeding 120 seconds to play a stroke (excessive shot times) on the PGA TOUR; PGA TOUR Champions; and Korn Ferry Tour will be counted together for the purposes of determining the cumulative number of timings exceeding the applicable time to play a stroke during a season. Fines will be pro-rated based on the number of occurrences on each respective tour.

NOTE 3: Timings exceeding the applicable time to play a stroke (bad times) and timings exceeding 120 seconds to play a stroke (excessive shot times) at Major Championships and official

money World Golf Championships will be counted for the purposes of determining the cumulative number of timings exceeding the applicable time to play a stroke during a season.

TIMINGS

First through Ninth Offense:

First through ninth occasion of being out of position and timed - no fine.

Tenth Offense:

Tenth occasion of being out of position and timed - a fine of \$2,000.

Eleventh and Subsequent Offenses:

Eleventh and subsequent occasion of being out of position and timed - a fine of \$500 for each offense.

NOTE 1: Timings will accumulate throughout the season.

NOTE 2: Timings which occur on the PGA TOUR; PGA TOUR Champions; and Korn Ferry Tour will be counted together for the purposes of determining the cumulative number of timings during a season. Fines will be pro-rated based on the number of occurrences on each respective tour.

NOTE 3: Timings which occur at Major Championships and official money World Golf Championships will be counted for the purposes of determining the cumulative number of timings during a season.

NOTE 4: Upon reaching the tenth occasion of being timed during a season, a player shall immediately be placed within the Category (c) groupings for Rounds 1 and 2 (when applicable) for the remainder of that season.

REPEAT OFFENSES

Any player that receives a fine under this policy for any reason will be subject to double the existing fine structure the following season. For each consecutive season beyond one season in which the player is subject to fines under the policy, the fine amount will continue to double from the previous season. **NOTE:** Any player who receives a fine under this policy on the Korn Ferry Tour will not be subject to double the existing fine structure in their first season on the PGA TOUR.

In addition, a player who exceeds ten occasions of being timed in more than one season or who remains on the observation list and shows no improvement over the course of a season may be subject to sanction under the Conduct Unbecoming a Professional regulation, including but not limited to suspension and/or other measures designed to help the player improve his pace of play including mandatory education, changes in groupings category, additional fines or other requirements.

APPEALS

Any appeal of a bad time or excessive shot time must be referred to the on-site Chief Referee immediately upon completion of the player in question's round. The Chief Referee's decision shall

be final. **If the player in question does not appeal immediately upon conclusion of his round, any penalties and fines shall stand.**

For excessive shot times and observation list players, a provision has been added to account for “a valid reason for taking longer” on an individual shot. This is purposely broad in order to account for the wide range of situations a player can encounter on the course and will be interpreted in a fair way by the Rules Committee.

NOTE: A player may not appeal an occasion of being warned or timed. A player may not appeal being placed on the Observation List.

RESHUFFLE PROCEDURE

In accordance with Section III A.1 (f) and (g) of these Tournament Regulations, the first reordering of conditional categories will take place after the conclusion of the Country Club de Bogota Championship and then every fourth event thereafter.

PROCEDURES FOR DUALY-COMMITTED PLAYERS

If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3 p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure to notify the PGA TOUR of his intention will cause the player to be placed in the PGA TOUR field and removed from the Korn Ferry Tour field.

PGA TOUR members in the “Top Finishers of the Korn Ferry Tour” category and above who may not be eligible for the PGA TOUR event may commit to both PGA TOUR and Korn Ferry Tour events scheduled for the same week. A player who is an alternate for the PGA TOUR event and is in the Korn Ferry Tour tournament must notify PGA TOUR Headquarters by 5 p.m. Eastern Time on Wednesday of tournament week of his intention to play the Korn Ferry Tour event. If he notifies the PGA TOUR that he intends to play the Korn Ferry Tour event (or if he fails to give such notification), then he shall cease to be an alternate for that week’s PGA TOUR event and shall remain in the field of the Korn Ferry Tour event.

PGA TOUR Champions members may commit to both PGA TOUR Champions and Korn Ferry Tour events scheduled for the same week. If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3 p.m. Eastern Time on Monday of the tournament week which tour-

POLICY FOR USE OF GOLF CARTS BY DISABLED INSTRUCTORS

PGA TOUR and Korn Ferry Tour members have made requests that instructors with disabilities who are physically unable to walk the golf course be permitted to use golf carts while accompanying players during practice rounds.

While we will make every effort to accommodate disabled instructors who need golf carts, we remind the players that additional golf carts on site at tournaments create numerous logistical and safety concerns. As such, we have attempted over the last several months to work closely with television networks, local media, and the tournament organizations to reduce the overall number of carts.

Nonetheless, the following policy shall be applicable for members seeking the use of a golf cart for a disabled instructor.

- The request for the use of the cart must be made by the PGA TOUR or Korn Ferry Tour member.
- In requesting the use of a cart for an instructor, the PGA TOUR or Korn Ferry Tour member must indicate the name of the instructor, the nature of the instructor's disability, and if requested by PGA TOUR, provide medical reports or other data indicating the extent and nature of the instructor's disability.
- A request must be made for each individual tournament and must be made no later than 2 weeks prior to that tournament.
- The Korn Ferry Tour Chief Referee after reviewing the request, documentation submitted with the request, and after further discussions with the member and/or the particular instructor, if necessary, will make a determination as to whether a cart should be issued to the instructor. Carts will be made available only to instructors who have a disability that prevents them from walking along with their players. The Chief Referee's decision shall be final.
- If a cart is issued to the instructor, the following rules relating to the use of the cart shall apply.

- Carts will be issued only on designated practice rounds days (normally Monday, Tuesday and Wednesday) of tournament week.
- Only the instructor (not the player) may ride in the cart.
- Cart use shall be restricted to out-of-fairway areas as specifically designated by Chief Referee.
- Carts will not be permitted in designated practice areas (e.g., range, putting green, etc.) at any time.
- If, in the Chief Referee's opinion, use of the cart could potentially damage the playing surface of the golf course (e.g., due to wet conditions), the Chief Referee shall have the right to deny the use of a cart.
- The cart shall be picked up from the location specified by the Chief Referee and returned to that location.
- * No more than three carts may be utilized by instructors at any one time. To the extent that more than 3 carts are requested at any one time, the Chief Referee shall establish a schedule during practice rounds for the use of such carts.

We appreciate the membership's cooperation with these policies as we believe they strike the appropriate balance between the memberships need to accommodate their disabled instructors while, at the same time, not unfairly hindering practice rounds by other members or endangering the safety of spectators and others at tournament sites.

CADDIE REGULATIONS

All players in PGA TOUR cosponsored tournaments shall employ caddies for all practice, Pro-Am and tournament rounds, though golf carts may occasionally be authorized by the PGA TOUR's Chief Referee for practice or Pro-Am rounds, whereby caddies are not required.

Caddies shall be paid promptly. The fee is to be resolved early in the week between the player and caddie. Players who wish to bring their own caddies to PGA TOUR cosponsored tournaments may do so. Players shall be responsible for the conduct and behavior of their caddies at tournaments.

 4. Caddies must conform to the Player Endorsement Policy.

- Players may use a mobile device in designated practice areas or on the golf course for calls, data services and capturing content. As a courtesy to fellow competitors, players must step away from the hitting line on the range when using a mobile device and keep the device in the "vibrate" or "silent ring" mode.
- Other electronic devices (rangefinders, launch monitors, video cameras for instruction, heart monitors, pedometers, electronic watches and health monitoring sensors, etc.) may be used in designated practice areas and on the golf course, but only with proper etiquette and in a manner that does not distract or slow other players.

During Pro-Ams

Players may use a mobile device for data services and capturing content in designated practice areas and on the golf course.
- Other electronic devices, as defined above, may be used in designated practice areas but are prohibited on the golf course unless approved by the Rules Committee.

During Official Competition

- Mobile and other electronic devices are prohibited for all purposes on the golf course for use by players and caddies unless approved by the Rules Committee. In addition to being consid-

ered conduct unbecoming a professional, the use of such devices (or accessing certain types of data from such devices) may also be a violation of the Rules of Golf.

- Rule 4.3a(4) of the Rules of Golf states, in part: “Not Allowed: The use of equipment to listen to music or other audio to eliminate distractions or to help with swing tempo, or to view video showing play of a player during the competition that helps the player in choosing a club, making a stroke, or deciding how to play the round”. Penalty for first breach is the General Penalty, for second breach penalty is Disqualification.

GUIDELINES FOR PLAYERS’ USE OF ELECTRONIC THERAPY DEVICES

The use of electronic stretching devices, such as massage therapy guns, for medical purposes is permitted under the Rules of Golf. However, the use should not delay play, be of short duration, be discreet and not be used for any other than medical or stretching purposes. The device may not provide any other function that is prohibited under the Rules.

GUIDELINES FOR PLAYERS’ USE OF SOCIAL MEDIA AT EVENTS

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Official Policy for Players Posting/Streaming to Social Media on Site at Events. The full terms of the Policy may be found at pgatourlinks.com.

INTERNET POLICY

The PGA TOUR creates a section within PGA TOUR.COM with information about each member.

Each player’s site consists of player photos, a biography consisting of data similar to the information found in the Media Guides, statistics, results from the current season’s tournaments, a scorecard from the most recent tournament played, and related stories and content.

The PGA TOUR recognizes that in the age of the internet, PGA TOUR members may be launching or re-launching their own web sites to support their fans, their sponsors, and their personal business ventures.

At the written request of a PGA TOUR member, PGA TOUR.COM will link to such player's "official player site" from that particular player's page on PGA TOUR.COM so long as there is a reciprocal link back to PGA TOUR.COM from the "official player site" home page.

Keep in mind that a PGA TOUR member's marketing rights have specific parameters regarding the use of the PGA TOUR name, marks, or logo. These parameters also apply to online usage.

In addition to linking capabilities and the use of TOUR marks, PGA TOUR.COM will attempt to assist any member in his online ventures. Please contact the Player Relations Department or the PGA TOUR.COM department (Scott Gutterman – x4892) with additional questions.

PGA TOUR PLAYER ENDORSEMENT POLICY

All sponsorships, endorsements, name and likeness arrangements and promotional activities (collectively, "sponsorships") of members, whether during or outside PGA TOUR competitions, are subject to this policy. When playing in PGA TOUR co-sponsored, sanctioned or approved events, non-member contestants are subject to this policy as well. Generally, all sponsorships must be tasteful and in accordance with standards of decorum expected of professional golfers. Sponsorships that may reflect adversely upon the image and reputation of the PGA TOUR, cast the PGA TOUR in an unfavorable light, insult or offend the community or any group within the community or be viewed as hateful, abusive, obscene or divisive, as reasonably determined by the PGA TOUR, are prohibited. Further, the following addresses categories of special concern:

Season-Long Points Competition Sponsor FedEx. In recognition of the unique standing of FedEx as the sole sponsor of a season-long points competition on the PGA TOUR, so long as FedEx is the season-long sponsor of the PGA TOUR, no sponsorships are allowed by FedEx competitors United Parcel Services ("UPS") or DHL Express ("DHL") that involve displaying the name, logo or any product likeness of either company on a player's apparel, headwear, golf bag or golf equipment. Such provision shall apply during PGA TOUR co-sponsored, sponsored and sanctioned events to members only. Players with existing sponsorship agreements as of January 1, 2017 with either UPS or DHL will be allowed to continue or extend such relationship but may not expand upon the contractual branding or endorsement obligations in such relationships.

Tobacco / Marijuana. No sponsorships of any sort are permitted by companies selling tobacco products (including, starting March 1, 2019, cigars and tobacco smoked in pipes), smokeless tobacco products (including e-cigarettes and vaping products) and marijuana products (recreational and medicinal). However, a player may make appearances for any such company as long as the appearances are private and not promoted or covered publicly. Players with existing sponsorships by companies selling cigars and tobacco smoked in pipes as of March 1, 2019 will be allowed to continue or extend such sponsorships after such date but may not expand such sponsorships after such date.

Alcohol. A player may have a sponsorship by a beer, wine, distilled spirit or other alcohol company, subject to the following terms and conditions:

that position. In such case, such player's other position on the #1 to #25 Regular Season and Finals Combined Points List shall be skipped and the ordering of players shall continue as identified above. In such case, the leading 25 players from the Official Korn Ferry Tour Finals Points List will still earn their PGA TOUR card.

Players eligible to compete in the Korn Ferry Tour Finals are:

- The top-75 players (including any ties) on the Official Korn Ferry Tour Regular Season Points List through the conclusion of the Korn Ferry Tour event immediately preceding the first Finals event.
- Players #126 - #200 on the PGA TOUR's Official FedExCup Points List following the conclusion of the event immediately preceding the first FedExCup Playoffs event (Wyndham Championship).
- Non-members, who would have earned if they were members, enough FedExCup points from their performance in the official money PGA TOUR events in the current season to place them within #126 - #200 on the official FedExCup Points List following the conclusion of the event immediately preceding the first FedExCup Playoffs event (Wyndham Championship).

NOTE 1: All players exempt for the PGA TOUR the following season via an eligibility category higher than category A.1c (Top-125 Non-Members) are not eligible to play in the Finals.

NOTE 3: A professional under the age of 18 may play in the Korn Ferry Tour Finals, provided the player turns 18 on or before the first scheduled round of the final official money PGA TOUR tournament of the following season. If a player under the age of 18 earns a PGA TOUR card, the player would not become eligible for PGA TOUR membership until his 18th birthday. Similarly, a player under the age of 18 who qualifies for the Korn Ferry Tour as a result of his play in the Korn Ferry Tour Finals would not become eligible for Korn Ferry Tour membership until his 18th birthday.

Format: Each Finals event will be contested over 72-holes of stroke play with a standard 65 and ties cut and as otherwise in accordance with the Korn Ferry Tour Tournament Regulations.

Ties: In the event of a tie for the first position from the Top-25 Regular season players using combined points earned on the Official Korn Ferry Tour Regular Season Points List and points earned in the Korn Ferry Tour Finals at the conclusion of the Finals events, no play-off will be conducted and those players tied for the points leader position will receive exempt status for the following season.

In the event of a tie for the first position on the Official Korn Ferry Tour Finals Points List at the conclusion of the Finals events, no playoff will be conducted and those players tied for the points leader position will receive exempt status for the following season.

In the case of a tie for the last PGA TOUR card positions on either list which would affect the number of PGA TOUR Cards awarded, no play-off will be conducted and any players tied at the final position on either the Official Korn Ferry Tour Regular Season Points List or the Official Korn Ferry Tour Finals Points List will receive a PGA TOUR card for the following season.

For the purposes of breaking ties within the 50 card positions for eligibility for the following season's PGA TOUR season on either list, cumulative score in the last Finals event will be used. Should there still be a tie, round scores will be compared, beginning with the final round and working backwards. Should there still be a tie, hole-by-hole scores in the final round will be compared, beginning with the final hole and working backwards. In the event that multiple players from the top-25 of the Korn Ferry Tour Regular Season Points List do not make a cut in any Finals event, these players will be ranked in order of finish from the Regular season.

NOTE: Should a player who has earned an exemption into Korn Ferry Tour Finals as described in the preceding paragraphs present bona fide evidence of an injury or other medical disability sufficiently serious to prevent such player from playing in Korn Ferry Tour Finals in that respective season, he shall be exempt to Korn Ferry Tour Finals in the subsequent season. A player who begins play at Korn Ferry Tour Finals and subsequently withdraws due to injury or other reason prior to completion of Korn Ferry Tour Finals shall not be permitted to utilize the exemption in the following season's Korn Ferry Tour Finals.

Pro-Am Eligibility: Each tournament will have an official Pro-Am based on Korn Ferry Tour Tournament Regulations. For the first Finals event, eligibility for the Pro-Am will alternate in order between the Korn Ferry Tour Regular Season Points List and the PGA TOUR FedExCup Points List, beginning with #1 from the Korn Ferry Tour, followed by #126 from the FedExCup Points List and so on until the Pro-Am field is filled in its entirety, except for pro-am sponsor picks which shall be chosen in accordance with Korn Ferry Tour Tournament Regulations. The official Pro-Ams for the remaining Finals events will be filled based on the current week's standing from the Official Korn Ferry Tour Finals Points List, in order starting with #1 until the Pro-Am field is filled in its entirety, except for pro-am sponsor picks which shall be chosen in accordance with Korn Ferry Tour Tournament Regulations.

3. A member shall not be entitled to any Special Medical / Family Crisis Extension if he played in more than 12 combined Korn Ferry Tour and PGA TOUR cosponsored or approved tournaments in the season in which the Extension Event occurred.

4. A member shall be entitled to use a Special Medical / Family Crisis Extension only once in his career for the same Extension Event.

5. A member shall not be entitled to a Special Medical / Family Crisis Extension if one or more seasons shall have passed between the time a member has experienced an Extension Event and the time such member again is able to resume play, unless, in the case of a severe Extension Event, the Commissioner, in the exercise of his discretion, determines to permit a member to have additional time not to exceed three seasons. If in the discretion of the Commissioner and after review of medical reports and examinations, it is determined that extreme circumstances exist, and extension beyond three seasons may be granted.

6. Once a member begins play under a Special Medical / Family Crisis Extension, additional time will not be extended beyond the subsequent season (i.e. – no more than one season of carryover).

7. 2. Commitments and Personal Registration

Eligible players wishing to participate in a Korn Ferry Tour cosponsored event must commit to such event in accordance with the terms of this Subsection A.2. Advance

commitments by players shall be made either by 800-number telephone service to PGA TOUR Headquarters during business hours Monday through Friday (i.e., 9 a.m. to 5 p.m. Jacksonville, FL time) except for legal holidays, or by committing electronically via the player website. Onsite commitments may be made at the tournament site within 30 minutes after the completion of play on Friday of the week preceding the tournament.

While advance commitments may be made at any time, the deadline for all players to commit to Korn Ferry Tour cosponsored events shall be 5 p.m. (Eastern Time) on the Friday of the week prior to the tournament. A member may also commit to an event in person or by telephone to an on-site Korn Ferry Tour media official or rules official one-half hour after the conclusion of play, whichever is later, on Friday of the week prior to the tournament. In addition any player, that becomes eligible for a Korn Ferry Tour event by reason of finishing in the top 10 or top 25 of the previous event [see Article III, Section A.1(n)] and the winner of the previous week's event may commit for the next event by notifying the Korn Ferry Tour Chief Referee on site at the event where such person won or finished in the top 10 or top 25 within 30 minutes after the conclusion of such event.

NOTE: At official money tournaments, a member who failed to commit to the tournament by the commitment deadline and who would not have been part of the eligible field at such deadline may accept an unrestricted sponsor exemption after the deadline.

A player must register personally at the tournament site prior to any practice or pro-am round at the tournament course or in any case by Tuesday at 5 p.m. local time. Players may request permission for late registration, provided such request is made to a Korn Ferry Tour tournament official on-site by 5 p.m. local time, or to PGA TOUR headquarters by 5 p.m. Eastern Time on the day of such deadline. Failure to register (or request late registration) as specified will result in disciplinary action. Furthermore, a player failing to register prior to his first tournament round shall be ineligible to participate in the tournament unless satisfactory evidence of mitigating circumstances has been provided to the Chief Referee.

NOTE: A dual-committed player may play in the Korn Ferry Tour pro-am while remaining an alternate for that week's PGA TOUR event. However, a player must complete his pro-am round prior to accepting a place in the starting field of that week's PGA TOUR event.

3. Groupings

Groupings in Korn Ferry Tour cosponsored tournaments shall be by threes (3s) to the extent possible, prior to reduction of the field. Following the reduction of field, groupings shall be by pairs or as otherwise determined by the Chief Referee due to existing circumstances (e.g., lack of daylight). Subject to the discretion and under the supervision of the Chief Referee, groupings of players for the first two (2) rounds shall be made by draw in the following categories:

- (a) All members of PGA TOUR, Korn Ferry Tour Tournament Winners, Leading Money Winners from PGA TOUR Latinoamérica, PGA TOUR Canada and Winner of the Korn Ferry Tour Qualifying Tournament, Top 75 Points Leaders from the Korn Ferry Tour Regular Season, Next 25 Points Leaders from the Previous Season's Korn Ferry Tour Finals, Special Medical (Exempt), those players with combined PGA TOUR and Korn

Ferry Tour official career earnings of more than \$750,000 and Korn Ferry Tour members within the Top-25 on the Official Points List after the 2nd and 4th reshuffles, excluding open qualifiers and sponsor exemptions. One player, on a weekly basis, not otherwise eligible for this category.

- (b) Players 2-10 and ties Qualifying Tournament, Players 11-40 and ties Qualifying Tournament, Players 1-5 on PGA TOUR University Ranking List and conditional Korn Ferry Tour members.
- (c) All others including Open Qualifiers, Sponsor Exemptions (including PGA TOUR and Korn Ferry Tour members).

NOTE: A player(s), - on a weekly basis, may be moved into a different groupings category for television or otherwise, as approved by the Chief Referee.

Groupings for the final round after a reduction of field shall be made on the basis of tournament standings at the conclusion of the preceding round. The lowest finishers at the end of such round, as listed on the Korn Ferry Tour's official scoreboard, will be grouped together. Groupings for the third and fourth rounds shall be fixed on the basis of tournament standings at the conclusion of the preceding round.

The remainder of the field will likewise be grouped in similar sequence. Ties shall be decided by the order of starting the round last played, with the later starting time assigned to the earlier starter in the previous round.

4. Starting Times

Starting times for the first and second rounds shall be assigned by draw, and shall be fixed for the round after a reduction of field on the basis of current standings at the conclusion of the preceding round, consistent with weather conditions and available daylight hours, with the highest scorers starting first and the lowest scorers starting last. However, in unusual circumstances the Chief Referee at his discretion may change this sequence. All starting times shall be fixed under the supervision of the Chief Referee. Starting times for the third and fourth rounds will be fixed on the basis of tournament standings at the conclusion of the preceding round.

5. Reduction of Field (Cuts)

Unless otherwise provided in the tournament agreement or unless otherwise determined by the Chief Referee at his discretion (e.g., due to weather), the starting field in a Korn Ferry Tour cosponsored tournament shall be reduced to the 65 professional players having the lowest scores at the conclusion of 36 holes of tournament play, including any players tied for 65th place, plus amateurs with scores not higher than that of the 65th professional.

Once a reduction of field has been made after 36 holes and the next round groupings have been approved by the Rules Committee, no withdrawal or disqualification will affect the calculation of the cut line.

6. Substitutions and Alternates

After the commitment deadline but before 12 noon (local time at the tournament site) on the third day preceding the first scheduled day of official tournament competition (usu-

ally Monday), any player who withdraws or is elevated to a higher eligibility category (i.e. Top 10 or Top 25, becomes part of the eligible field, etc.) will be replaced by the highest ranking alternate on the applicable alternate list. At and after 12 noon (local time at the tournament site) on the third day preceding the first scheduled day of official tournament competition (usually Monday), any player (including one receiving a restricted sponsor exemption) who withdraws or who is disqualified, or is elevated to a higher eligibility category prior to starting will be replaced by the highest ranking alternate on the Korn Ferry Tour alternate list, except that a player who withdraws, is disqualified or is elevated to a higher eligibility category and is an unrestricted sponsor exemption may be replaced, at the discretion of the sponsor, by another sponsor exemption prior to 12:00 noon two days preceding the first scheduled day of the tournament (usually Tuesday), provided that the player either committed to the tournament in advance of the commitment deadline, is a member who failed to commit to the tournament by the commitment deadline and who would not have been part of the eligible field at such deadline, or is a nonmember. Unrestricted sponsor exemptions revert to the Korn Ferry Tour alternate list after 12:00 noon two days preceding the first scheduled day of the tournament (usually Tuesday).

Restricted sponsor exemptions must be named by 12:00 noon three days preceding the first scheduled day of the tournament (usually Monday). Unrestricted sponsor exemptions must be named by 12:00 noon two days preceding the first scheduled day of the tournament (usually Tuesday).

NOTE: When the previous week's tournament concludes on Monday, the deadline above shall be extended to 12:00 noon on the second day preceding the first scheduled round of official tournament competition (usually Tuesday).

NOTE: Concurrently with a withdrawal, the highest ranking alternate from the applicable alternate list automatically becomes a contestant in the tournament and is subject to the same rules, regulations and guidelines as other contestants in the tournament field, including the obligation to begin play at an assigned starting time.

NOTE: It is an alternate's responsibility to know his position on the Korn Ferry Tour alternate list. It is the responsibility of the contestant or an alternate when he becomes a contestant to know his starting time. An alternate that is not available to replace the withdrawal is disqualified from that tournament.

Notwithstanding the foregoing provisions of this Section A.6 of this Article IV, any PGA TOUR (Regular TOUR) member who is within the starting field of a Korn Ferry Tour event and is also an alternate for that week's PGA TOUR (Regular TOUR) event must notify PGA TOUR Headquarters or the Korn Ferry Tour official at the site of the Korn Ferry Tour event by no later than 5 p.m. Eastern Time on Wednesday of tournament week of his intent to play in the Korn Ferry Tour event. If such player notifies PGA TOUR Headquarters or the Korn Ferry Tour official at the Korn Ferry Tour site that he intends to play in the Korn Ferry Tour event (or if such player fails to give such notification), such player shall cease to be an alternate in that week's PGA TOUR (Regular TOUR) event and shall not thereafter withdraw from the Korn Ferry Tour event for purposes of playing in that week's PGA TOUR (Regular TOUR) event.

PGA TOUR (Regular TOUR) members in categories j. through q. (i.e., the 126 to 150 category and below) of Article III, Section A-1, are eligible for and may commit to both PGA TOUR and Korn Ferry Tour events scheduled for the same week. If any such player is in the field of both events, he shall notify PGA TOUR Headquarters of his intention to play either the PGA TOUR event or the Korn Ferry Tour event in the following week not later than 3 p.m. (Eastern Time) on Monday of the tournament week in question. Failure to notify PGA TOUR of his intentions by the 3 p.m. Monday deadline, will cause the player to be placed in the PGA TOUR tournament field (provided he is still eligible).

If by 3 p.m. (Eastern Time) on the Monday the player is eligible for both events, he is required to declare himself to one event and to withdraw from the other. If he has been "bumped" from either field, he may elect to remain an alternate for the field from which he was bumped, or he may declare himself in the other field and withdraw from the event for which he is now an alternate. If the player, as of the 3 p.m. Monday deadline, is an alternate for the PGA TOUR event, he may remain in the field for the Korn Ferry Tour event and determine his final status by the existing 5 p.m. Wednesday deadline as provided above.

Notwithstanding the foregoing provisions of this Section A-6 of this Article IV, any PGA TOUR Champions member who is within the starting field of a Korn Ferry Tour event and is also an alternate for that week's PGA TOUR Champions event must notify PGA TOUR Headquarters or the Korn Ferry Tour event by no later than 5 p.m. (Eastern Time) on Wednesday of tournament week of his intent to play in the Korn Ferry Tour event. If such player notifies PGA TOUR Headquarters or the Korn Ferry Tour official at the Korn Ferry Tour site that he intends to play in the Korn Ferry Tour event (or if such player fails to give such notification), such player shall cease to be an alternate for that week's PGA TOUR Champions event and shall not thereafter withdraw from the Korn Ferry Tour event for purposes of playing in that week's PGA TOUR Champions event.

NOTE: If a PGA TOUR Champions member is in the field of both the PGA TOUR Champions and Korn Ferry Tour event he must notify PGA TOUR Headquarters by 3 p.m. Eastern Time on Monday of tournament week of which event he intends to play. Failure to notify PGA TOUR of his intention will cause the player to be placed in the PGA TOUR Champions field and removed from the Korn Ferry Tour field.

7. Professional-Amateur Events

Unless otherwise provided in the tournament agreement, the host organization of any cosponsored tournament may sponsor and conduct a professional-amateur golf event (a "pro-am") in conjunction with the tournament, to be played on the day immediately preceding the tournament. The pro-am shall be played in groups no larger than five (5); each group must include at least one (1) professional.

A tournament hosting an official pro-am may request to utilize an alternate format whereby one professional plays the first nine holes and a second professional plays the second nine holes (9&9 format). Professionals will have the option to request 18 holes (up until the commitment deadline) until all of the first nine-hole positions are filled.

NOTE: The host organization may also request that an unsanctioned pro-am be played on the tournament course on Monday. Schedules and formats for play of such pro-am events shall be subject to the prior written approval of the Commissioner, and PGA TOUR shall have no obligation with regard to providing professionals for such pro-ams. A maximum of 28 teams will be permitted for such pro-ams.

Amateur players shall be selected or approved by the host organization. Amateurs shall have up-to-date handicaps computed under the USGA handicap procedure. They shall use their full handicaps or 21 strokes, whichever is lower, except that a plus handicap shall be changed to scratch or zero (0).

At the option of the host organization, women amateur players may play from the forward teeing grounds, except where the Chief Referee determines that use of such teeing grounds would be inadvisable (e.g., due to roping problems). Where forward tees are not used, women amateur players shall receive six (6) additional strokes added to their handicap (with a maximum of 27 strokes) and shall play from the same teeing grounds as used by the amateur men.

In any pro-am, the number of teams shall be limited to 52 professional players or 104 professional players if using the 9 & 9 format, and two (2), three (3) or four (4) amateur partners, except that pro-ams using shotgun starts shall be limited to 54 such teams. The number of pro-am teams may be reduced by the Korn Ferry Tour Chief Referee in his discretion, due to lack of available daylight, weather conditions or other contingencies.

The professionals eligible for the pro-am shall be determined as follows and in the following order of priority, provided, however, that if the number of pro-am teams is reduced to less than 52 or less than 104 if using the 9 & 9 format, the Korn Ferry Tour Chief Referee shall determine which professionals are eligible to compete, based upon operating procedures and policies which will be distributed to Korn Ferry Tour members.

NOTE: Professionals must be in the field at the commitment deadline in order to be eligible for the pro-am unless otherwise approved by the Korn Ferry Tour Chief Referee.

- (a) If available, the tournament winner from the previous season.
- (b) The tournament winner from the previous week.
- (c) The top available Korn Ferry Tour and PGA TOUR members from the current season's Official Korn Ferry Tour Regular Season Points List, in order of their standings on such list, as of the commitment deadline for that event.

NOTE: The sum of players eligible for the pro-am from these three categories (a), (b) and (c) above shall be 44 professionals or 96 when using the 9 & 9 format, except that in pro-ams that use a shotgun start and have a field of 54 teams, the sum of players eligible for the pro-am from these three categories (a), (b) and (c) shall be 46 players.

- (d) The host organization shall have the right to choose the remaining professional players to fill the pro-am field without regard to the current season's Official Korn Ferry Tour Points List.

For events in which there is no official points list as of the respective commitment deadline (i.e. early season tournaments), the professionals eligible for the pro-am shall be determined as follows and in the following order of priority:

- (a) Korn Ferry Tour tournament winners from the previous season.
- (b) Leading Money Winners from PGA TOUR Latinoamérica, PGA TOUR Canada, and the winner of Korn Ferry Tour Qualifying Tournament.
- (c) The Top 75 Points Leaders from the Previous season's Korn Ferry Tour Regular Season Points List and the Next 25 Points Leaders from the Previous season's Korn Ferry Tour Finals list.
- (d) Additional Korn Ferry Tour members: Players from those eligible for the tournament pursuant to Section A.1(f and g) of Article III (i.e. Finishers 2-10 and Ties and Finishers 11-40 and Ties from Korn Ferry Tour Qualifying Tournament).

NOTE: The sum of players eligible for the pro-am from these four categories (a), (b), (c) and (d) shall be 44 professionals or 96 when using the 9 & 9 format, except that in pro-ams that use a shotgun start and have a field of 54 teams, the sum of players eligible for the pro-am from these four categories (a), (b), (c) and (d) shall be 46 players.

- (e) The host organization shall have the right to choose the remaining professional players to fill the pro-am field without regard to the current season's Official Korn Ferry Tour Points List.

NOTE: At the beginning of each season, Korn Ferry Tour and PGA TOUR members will be given the opportunity to select their pro-am starting time preference. Pro-am starting time preference shall be given to players in the order of their standing on the current season's Official Korn Ferry Tour Points List as of the commitment deadline for that event. For events in which there is no official points list as of the respective commitment deadline (i.e. early season tournaments), pro-am starting time preference shall be given to players in the same order for which they are eligible for the official competition.

NOTE: Professionals playing in the pro-am in the current season's Official Korn Ferry Tour Points List category, who are required to play in all pro-ams, may be excused at the discretion of Korn Ferry Tour Chief Referee once per season. A player wishing to be excused from the pro-am must submit his request to PGA TOUR Headquarters by 5 p.m Eastern Time Friday of the week preceding tournament week. Players will not be excused from the last event of the Korn Ferry Tour Regular Season Pro-Am or Finals series Pro-Ams. If selected, either by system or Sponsor Exemption, participation is required.

NOTE: Those players within the top five alternate positions for the PGA TOUR event in the same week, as of 5 pm Eastern Time on the Friday preceding the week of the tournament,

shall not be eligible for the Korn Ferry Tour pro-am. Further, a dual-committed player may play in the Korn Ferry Tour pro-am while remaining an alternate for that week's PGA TOUR event. However, a player must complete his pro-am round prior to accepting a place in the starting field of that week's PGA TOUR event.

A commitment to enter a tournament is also a commitment to play in a related pro-am at the tournament course, if the player is so eligible for the pro-am. A player failing to meet any such pro-am obligation shall incur an automatic penalty of \$500. Repeated failure of a professional player to participate in a pro-am field for which he is eligible shall be considered conduct unbecoming a professional golfer and subject to disciplinary action by PGA TOUR.

The prize monies specified in the tournament agreement shall be paid to the professional players in the pro-am on the basis of low finishing scores therein.

If, in the judgment of the Chief Referee, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR or the host organization renders commencement or continuation of the pro-am inadvisable in its originally scheduled format, the Chief Referee in his discretion may postpone, cancel or alter play therein. In the event of cancellation of the pro-am, prize monies shall be distributed equally among the professionals, provided at least 50 percent of the field has started.

The preferred format for the pro-am competition is one (1) best-ball of the team. In no case shall two (2) or more best-balls of the team be used. At the option of the host organization, the pro-am may be conducted using the scramble format or the select-drive format. Other general terms and conditions of such pro-am as described herein shall be applied, provided that each professional player in the pro-am will play at stroke play and will not be a part of the amateur scramble competition other than the use of his score on a hole.

NOTE: Korn Ferry Tour Finals Series Pro-Am Eligibility: For the first Finals event, eligibility for the Pro-Am will alternate in order between the Korn Ferry Tour Regular Season Points List and the PGA TOUR FedExCup Points List, beginning with #1 from the Korn Ferry Tour, followed by #126 from the FedExCup Points List and so on until the Pro-Am field is filled in its entirety, except for pro-am sponsor picks which shall be chosen in accordance with Korn Ferry Tour Tournament Regulations. The official Pro-Ams for the remaining Finals events will be filled based on the current week's standing from the Official Korn Ferry Tour Finals Points List, in order starting with #1 until the Pro-Am field is filled in its entirety, except for pro-am sponsor picks which shall be chosen in accordance with Korn Ferry Tour Tournament Regulations. If selected, either by system or Sponsor Exemption, participation is required.

8. Best Efforts; Withdrawals

In making a commitment to participate in a cosponsored event, a player thereby obligates himself to attempt to exercise his maximum golf skill and to play in a professional manner.

After making a commitment to participate in a tournament, a player shall not withdraw, either before or after signing an entry form for such tournament, except that:

- (a) Prior to the commitment deadline, a player may withdraw for any reason.
- (b) After the commitment deadline and before the tournament has commenced, a player may withdraw because of injury or other disability which requires medical attention, or serious personal emergency. The player shall immediately notify PGA TOUR of his reason for withdrawal, and within a period of 14 days submit written evidence supporting such reason to the Commissioner.
- (c) During a round, a player may withdraw because of injury or other disability which requires medical attention, or serious personal emergency. The player shall notify the Chief Referee of his reason for withdrawal, and within a period of 14 days submit written evidence supporting such reason to the Commissioner.
- (d) Upon completing any round of 18 holes a player may withdraw, upon notifying the Chief Referee and returning a signed scorecard.

A player who breaches the provisions of this section shall be subject to a fine or suspension from play, or both, in cosponsored events.

9. Postponements and Cancellations

If, in the judgment of the Chief Referee, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the Chief Referee, after consultation with the host organization, determines that such weather conditions or other occurrence have improved sufficiently for play to commence or resume, provided that no such postponement, with the exception of the last event of the Korn Ferry Tour Regular Season and all Korn Ferry Tour Finals events shall extend the tournament beyond the scheduled conclusion of the tournament (normally Sunday), except that in the event of a suspension during a final round played on Sunday, when at least half of the field has completed play, the final round will be completed when conditions permit, but no later than Monday. In no situation would play resume in order to have at least half the field complete play on Sunday so that play may be extended to Monday.

For the last event of the Korn Ferry Tour Regular Season and all of the Korn Ferry Tour Finals events, play may be extended to Monday at the discretion of the Chief Referee if golf course conditions and weather permit. However, in no case shall play extend beyond Monday (with the exception of sudden-death play-off to determine the winner).

In the event of cancellation of any part of a tournament, prize money shall be distributed among the lowest scorers after the last completed round of play in the same number, amounts and order as for the originally scheduled number of holes. If a tournament is shortened to less than four (4) official rounds and there is a tie for first place, there will be a playoff at a convenient time as determined by the Chief Referee. The tournament will be considered "official" for purposes of determining official money if at least two (2) official

rounds have been completed. The tournament will be considered "official" for purposes of determining official wins if at least three (3) rounds have been completed.

If less than one official round of the tournament is completed as the result of any cancellation, the host organization and PGA TOUR shall not be required to pay any prize money. In an open tournament, the host organization shall refund all tournament entry fees paid.

If, however, at least one official round is completed, the host organization and PGA TOUR shall pay 50 percent of the purse, which shall be divided equally among all players in the starting field. In the case of only one official round being completed, there will be no playoff conducted. If at least two official rounds are completed, the host organization and PGA TOUR shall pay 100 percent of the purse, which shall be distributed among the lowest scorers after the last completed round of play in the same number, amounts and order as for the originally scheduled number of holes.

B. GENERAL PROVISIONS

The following general provisions relating to the conduct of tournaments apply to cosponsored Korn Ferry Tour events.

1. Entry Forms

All entry forms for cosponsored tournaments shall be prepared by PGA TOUR and furnished to the host organization not less than 30 days prior to the tournament. All entries shall be subject to acceptance by the host organization and PGA TOUR, and may be rejected or revoked by either without liability at any time before or after commencement of tournament play if the entrant fails to meet the eligibility requirements set forth in the entry form and these Regulations, violates any of the regulations or otherwise conducts himself in a manner unbecoming a professional golfer. If a player's tournament entry is revoked, he shall not be entitled to share in the prize monies thereof.

All players in cosponsored Korn Ferry Tour tournaments shall grant and assign to PGA TOUR through their entry forms, without limitation, their individual television, radio, motion picture, photographic and similar rights (including all forms of television and other electronic media) with respect to their participation in such tournaments, provided that PGA TOUR's use thereof shall be limited to advertising, promoting or publicizing PGA TOUR and PGA TOUR golf events or broadcasts related thereto, and provided further that in no case shall such rights be used in any broadcast, motion picture or other program on an electronic medium that is for instructional purposes without the express written consent of the player(s) involved.

Players also shall agree in such entry forms to: (1) refrain from any action that will interfere with PGA TOUR's ownership and exercise of the rights granted and assigned to it hereunder, including any use by other parties of such rights that is authorized by PGA TOUR; (2) abide by these Regulations, including any amendments thereto as may be adopted from time to time; and (3) abide by the Rules of Golf of the United States Golf Association, subject to any modifications thereof approved by PGA TOUR.

A player who has incorporated may enter cosponsored events in the name of his corporation and any money winnings will be paid directly to such corporation, provided that the beneficial interest in such corporation is owned entirely by the player (and/or members of his immediate family). The player shall give a personal guarantee of all obligations of the corporation on a form prescribed by PGA TOUR, and the player shall remain personally subject to all requirements applicable to players who enter such events in their own names.

2. Course Preparation

Preparation of the course shall be subject to approval of the Chief Referee. Locations of teeing areas and hole positions on putting greens shall be selected by the Chief Referee.

The Chief Referee may direct growing, cutting and watering of grass as he may deem advisable to provide appropriate playing conditions. Unnatural substances such as artificially colored sand-like material in bunkers are prohibited.

3. Play-offs

In the event of a tie for first place at the conclusion of the scheduled number of holes in a cosponsored tournament at stroke play, a play-off shall be conducted for the purpose of determining the tournament winner. Such playoff shall be on a "hole-by-hole" basis immediately following the conclusion of the final round, or on the following day if the Chief Referee determines that darkness, weather or other conditions preclude conducting a play-off on the day of the final round.

Tournaments shall begin play-offs on the 18th hole unless the Chief Referee determines that another hole should be used because of mitigating circumstances.

The winner of any playoff shall be deemed to have placed first in the tournament and his prize money determined accordingly. The loser of any playoff involving two players shall be deemed to have placed second and shall be entitled to second-place prize money. If a play-off involves more than two (2) players, those other than the winner shall be deemed to have tied for second place regardless of their scores in the play-off, and their prize monies shall be apportioned accordingly. The determination of all prize monies shall be under the direction of the Chief Referee.

4. Distribution of Purses

The purses of all cosponsored tournaments shall be distributed to the low finishers therein as determined or approved from time to time by the PGA TOUR Policy Board.

5. Other Prizes

Prizes of any nature for other than total score shall be subject to approval by the Commissioner.

6. Official Money

Official money shall be awarded to individual prize winners in cosponsored tournaments and such other events as the PGA TOUR Policy Board may designate, provided that at least two official rounds have been completed and provided that official money shall not

be awarded in any team competition or pro-am tournament. The breakdown of official money will be determined from time to time by the PGA TOUR Policy Board.

V. CONFLICTING EVENTS; MEDIA AND MARKETING RIGHTS

A. CONFLICTING EVENTS

1. Obligations of PGA TOUR

On a date on which any Korn Ferry Tour cosponsored event is being played, PGA TOUR will not cosponsor or approve any other similar golf event without the advance written consent of the host organization of the first scheduled Korn Ferry Tour event, which consent shall not be unreasonably withheld. "Similar golf event" means a tournament of the same type (i.e., Korn Ferry Tour event). For example, PGA TOUR shall not be prohibited under this section from holding a PGA TOUR (Regular TOUR) or PGA TOUR Champions event on the same dates as a Korn Ferry Tour event.

2. Obligations of Korn Ferry Tour Members

In any week when a PGA TOUR, PGA TOUR Champions or Korn Ferry Tour cosponsored tournament is scheduled, no Korn Ferry Tour member shall participate in any golf activity (including public exhibitions, clinics and pro-ams) in the same geographic area as such PGA TOUR, PGA TOUR Champions or Korn Ferry Tour tournament without the prior approval of the Commissioner. Nothing in the foregoing shall preclude Korn Ferry Tour members from playing in "outings" during the week of a cosponsored tournament. As used herein, an "outing" refers to an event in which a player or players are invited by a company to entertain its customers, without any broadcast or electronic portrayal of play and without public gallery.

B. MEDIA AND MARKETING RIGHTS

1. Media Rights

(a) The television, digital, radio, motion picture and all other media rights of all players participating in Korn Ferry Tour cosponsored and coordinated tournaments, pro-ams or any other golf event conducted in conjunction with Korn Ferry Tour cosponsored and coordinated tournament (e.g., clinics, long-drive contests), or any portion thereof, are hereby granted and assigned to PGA TOUR. Based upon this grant and assignment, all such rights shall be the property of and expressly reserved by and to PGA TOUR, and any use thereof without the express written consent of PGA TOUR shall be forbidden.

(b) No Korn Ferry Tour member shall participate in any live or recorded golf program without the prior written approval of the Commissioner, except that this requirement shall not apply to PGA TOUR cosponsored, coordinated or approved tournaments, wholly instructional programs* or personal appearances on interview or guest shows. "Golf program" for purposes of this section means any golf contest, exhibition or play

that is shown anywhere in the world in any form of media now known or hereinafter developed. The Commissioner's approval of any member(s) participating in any golf program covered by this rule may be subject, without limitation, to the sponsor, promoter, television producer and/or other parties involved in the golf program entering into a sanctioning or other agreement with PGA TOUR, including an acknowledgement of PGA TOUR's media rights and the payment of rights fees to PGA TOUR, therefore, and to such other conditions as are designated by the Commissioner.

*While wholly instructional programs have been exempted from the scope of this rule by the PGA TOUR Policy Board, any PGA TOUR member participating in such a program is nonetheless required to obtain an agreement from the producer of the program or other appropriate party that the program will not be shown or distributed at the same time as any scheduled live coverage of a PGA TOUR cosponsored, approved or coordinated tournament. The "on-demand" distribution of a wholly instructional program will not violate this rule as long as the program is not debuted during live coverage.

2. Marketing Rights

- (a) Aside from the assignment of individual television and similar rights provided for herein, nothing in these Regulations or in marketing programs adopted by the Korn Ferry Tour shall be deemed to restrict any member's individual marketing rights (e.g., promotions, endorsements, licensing, etc.).
- (b) In addition, no person shall make any commercial use of the name, likeness or identity of any member of the Korn Ferry Tour without the advance written approval of such member.
- (c) Similarly, no individual Korn Ferry Tour member, tournament sponsor or other person or entity is authorized to make any commercial use of the PGA TOUR or Korn Ferry Tour name, marks or logo with out the advance written approval of PGA TOUR.

VI. CONDUCT OF PLAYERS

Players participating in Korn Ferry Tour cosponsored events and related activities shall observe these Regulations and the applicable rules of play while engaged in tournament play, and at all times shall conduct themselves in a manner becoming professional golfers that will not reflect unfavorably on PGA TOUR, the Korn Ferry Tour, its members, officers or representatives, tournaments or sponsors.

To this end, players shall use their best efforts to play golf of the caliber and with the skill befitting professionals, and to show respect for the game of golf.

Any player who violates any of the foregoing or any of the provisions of this Article VI and/or the Fair Way Manual may be subject to a fine, suspension from play in Korn Ferry Tour and other PGA TOUR cosponsored and coordinated events, permanent disbarment from such play or any appropriate combination thereof.

A. ANTI-DOPING PROGRAM

All players shall comply with the PGA TOUR Anti-Doping Program, as amended from time to time.

B. NO GUARANTEE FOR APPEARANCE

Neither players nor other individuals acting on such players' behalf shall solicit or accept any compensation, gratuity or other thing of value offered for the purpose of guaranteeing their appearance in any Korn Ferry Tour cosponsored golf event, including any pro-am event played in connection therewith, except as may be specifically authorized by the Policy Board prior to the event.

Conversely, neither players nor other individuals acting on such players' behalf shall offer anything of value to a Korn Ferry Tour cosponsored event in return for an invitation to the tournament as described in Section A.1(m) of Article III (i.e., a sponsor exemption).

Neither a player nor other individuals acting on a player's behalf shall promise or guarantee such a player's appearance in any Korn Ferry Tour cosponsored, approved or coordinated event conditional upon the grant of a sponsor's exemption to a different player.

C. INTEGRITY PROGRAM

All players shall comply with the PGA TOUR Integrity Program, as amended from time to time, which prohibits betting on professional golf and other betting-related activities among other things.

D. FINANCIAL INTEREST BY A PLAYER IN ANOTHER PLAYER: GAMBLING; DOPING

A player shall not have any financial interest, either direct or indirect, in the performance or the tournament winnings of another player, whether through purse-splitting, prize money "insurance," financial assistance, bets or otherwise. Any player who violates the provisions of this paragraph shall be subject to a suspension from tournament play for a minimum period of two (2) seasons.

Further, a player shall not do any of the following:

1. Gamble or play cards on the premises where a Korn Ferry Tour cosponsored tournament is being played.
2. Associate or have dealings with persons whose activities have involved trafficking or administration of substances or methods prohibited by the PGA TOUR Anti-Doping Program, or other forms of doping.

E. PUBLIC COMMENTS, PUBLIC ATTACKS

The favorable public reputation of PGA TOUR, its players and its tournaments are valuable assets and create tangible benefits for all Korn Ferry Tour members. Accordingly, it is an

obligation of membership to refrain from making comments that unreasonably attack or disparage others, including, but not limited to tournaments, sponsors, fellow members, players and/or PGA TOUR. Speech that could be reasonably viewed as hateful, abusive, obscene and/or divisive is expressly prohibited. Responsible expressions of legitimate disagreement with PGA TOUR policies are not prohibited. However, public comments that a member knows, or should reasonably know, will harm the reputation or financial best interest of PGA TOUR, a fellow member/player, a tournament sponsor or a charity are expressly covered by this section. Any violation of this section shall be considered conduct unbecoming a professional.

F. WORTHLESS CHECKS

If any player issues a worthless (dishonored) check in payment of entry fees or otherwise in connection with a Korn Ferry Tour cosponsored tournament, he shall be penalized as follows:

First Offense:	\$200 fine.
Second Offense:	\$200 fine and loss of check-cashing privileges for six months.
Third Offense:	\$500 fine and loss of check-cashing privileges for one season.

Repeated instances of the issuance of worthless checks by a player shall be grounds for suspension or permanent disbarment from tournament play, as may be determined by the Tournament Policy Board.

G. USGA RULES

Play in all Korn Ferry Tour cosponsored tournaments shall be conducted in accordance with the United States Golf Association Rules of Golf, as modified by PGA TOUR. Players will be furnished a copy of such modifications, including local rules, prior to their starting times.

H. PRACTICING

Only contestants, their caddies, instructors, managers, media, golf equipment manufacturers (when invited by contestants), tournament representatives and PGA TOUR staff are permitted onto any area designated for practice (e.g. range, practice putting greens, chipping or pitching greens, bunkers and the tournament golf course during practice rounds.)

NOTE: Family members and friends are not permitted inside the ropes on the golf course at any time. Family members are permitted on other designated practice areas when accompanied by the player. Players are expected to use good judgement and discretion when inviting family members onto designated practice areas. Players are responsible for their minor children and their conduct. Only one tournament representative is allowed access to designated practice areas at any time.

Practicing shall be permitted only in areas specifically designated for practice. On pro-am days, practice by professionals and amateurs not in the pro-am in designated practice areas is prohibited from 30 minutes prior to the first pro-am starting time through the final pro-am starting time, for each segment/wave of tee times. For shotgun starts, practice is prohibited for one hour prior to the shotgun start. On practice days, after 8:30 a.m., all play must start

from the first tee, unless approved by a member of the Rules Committee. This time will be adjusted to 7:30 a.m. for the months of May through August.

On pro-am days at tournaments played from the start of each season until the Masters Tournament, professionals and amateurs not in the pro-am are permitted to practice chipping and putting on course prior to the first pro-am starting time. Full shots on course are not permitted. On pro-am days at tournaments played after the Masters Tournament until the conclusion of the season, professionals and amateurs not in the pro-am are permitted to practice all shots on course prior to the first pro-am starting time. Any practice taking place prior to the pro-am must not interfere with the pace of play of the pro-am and players shall not endanger persons preparing the golf course for the pro-am.

During practice rounds, the following shall govern certain types of strokes:

1. Only one stroke, including a stroke from a bunker, may be aimed for the putting green, except as follows:
 - (a) If such stroke does not land or stop on the putting green, only one additional stroke may be played.
 - (b) More than one chip shot outside a bunker may be played, provided such practice does not damage the course unduly.
2. Not more than three bunker strokes may be played in directions other than toward the putting green, provided the bunker is not thereby damaged unduly.
3. More than one (1) stroke may be played on the putting green.

In any case, a player must not delay any following players. No practice strokes shall be permitted if a player or a group behind the player is waiting to play.

During tournament week, practice facilities and the tournament course are for qualified players and the first 10 alternates on the Korn Ferry Tour alternate list or other eligible players as determined by the on-site PGA TOUR Chief Referee. Qualified players and the first 10 alternates on the Korn Ferry Tour alternate list or other eligible players shall not practice with ineligible players.

I. CADDIES AND GOLF CARTS

Players in cosponsored Korn Ferry Tour events shall not use automotive transportation unless otherwise determined by the Chief Referee, and then in accordance with procedures established by the Chief Referee. Unless otherwise determined by the Chief Referee, caddies must be employed for all practice rounds, qualifying rounds, pro-am rounds and tournament rounds.

Caddies shall be paid promptly. PGA TOUR shall determine who is eligible to be employed as a caddie and shall further determine uniforms to be worn by a caddie including headwear, shirts and slacks. Caddies shall present a neat appearance in both clothing and personal

grooming. When accompanied by his player, a caddie may enter the locker room at the end of the player's week (i.e. after a missed cut or completion of the event) to assist the player in loading the player's golf bag with contents from his locker. Caddies are not allowed in the locker room at any other time. Players who wish to bring their own caddies to a cosponsored event shall so indicate at the time they commit to participate in such event and shall be responsible for the conduct and behavior of such caddies at such events.

J. LOCKER FEES

If locker facilities are available, players in Korn Ferry Tour tournament starting fields shall use such locker room facilities and shall pay a minimum fee of \$20 to the locker attendant for such service.

K. APPEARANCE OF PLAYERS

Players shall present a neat appearance in both clothing and personal grooming. Clothing worn by players shall be consistent with currently accepted golf fashion. The Chief Referee shall interpret this regulation, subject to the approval of the Commissioner.

VII. DISCIPLINE, PENALTIES AND APPEALS

Each player, by participating in cosponsored Korn Ferry Tour events, acknowledges the right and authority of the PGA TOUR Policy Board, the Commissioner and the Appeals Committee (a) to fine and suspend the player from tournament play, and/or (b) to fine and permanently bar the player from tournament play in cosponsored, coordinated or approved golf events of PGA TOUR for violation of these Tournament Regulations.

Any such participating player, if involved or affected in any manner whatsoever by a decision of the PGA TOUR Policy Board, the Commissioner or the Appeals Committee with respect to any such violation, hereby releases the PGA TOUR Policy Board, the Commissioner or the Appeals Committee, PGA TOUR, Inc., the Korn Ferry Tour, Korn Ferry, Inc., the Professional Golfers' Association of America, and each director, officer, member, employee, agent or representative of any of the foregoing jointly and severally, individually and in their official capacity, of and from any and all claims, demands, damages and causes of action whatsoever, in law or equity, arising out of or in connection with any such decision or action by the PGA TOUR Policy Board, the Commissioner or the Appeals Committee.

Fines are due and payable within 30 days unless the member has made a written appeal. Should the appeal be denied, the fine will be due and payable within 30 days of such denial of appeal and, notwithstanding such 30-day period, until such fine is paid the player will be ineligible for competition.

A. ADVANCE NOTIFICATION OF PROPOSED DISCIPLINARY ACTION

Except for penalties under the Rules of Golf (including pace of play) and for minor penalties, any players subject to disciplinary action or penalty defined as intermediate or major penal-

ties shall first be notified of such proposed action in writing. Such notice may be presented to the player by a tournament official or the Chief Referee, except that any notice of a proposed major penalty shall be executed by the Commissioner.

Within 14 days of such notice of proposed disciplinary action or penalty, the player shall submit to the Commissioner such facts or evidence of mitigating circumstances as may apply.

Within 14 days of receipt of such information from the player, the Commissioner shall notify the player in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After imposition of any penalty hereunder, the player shall have the right of appeal as set forth in Section E of this Article VII.

B. RULES OF GOLF

Any player who, while participating in any Korn Ferry Tour cosponsored tournament, breaches the Rules of Golf of the United States Golf Association, or local rules in effect for the conduct of such tournament, shall be subject to the penalties provided in such Rules as well as any other penalties determined by the PGA TOUR Policy Board. The decision of the Korn Ferry Tour Rules Committee for the tournament with respect to such breach shall be final and conclusive.

NOTE: PGA TOUR pace of play rules constitute supplemental local rules.

C. CONDUCT UNBECOMING A PROFESSIONAL

Any player who shall be deemed guilty of conduct unbecoming a professional golfer while participating in a tournament cosponsored, coordinated or approved by Korn Ferry Tour or activities related thereto (e.g., practice rounds, hospitality events, etc.), or who otherwise violates the provisions of Articles VI and VII of these Regulations, and/or the PGA TOUR Anti-Doping Program relating to Drugs of Abuse shall be subject to fine, suspension and/or permanent disbarment from tournament play as provided in these Regulations.

In any instance where a member of the Korn Ferry Tour has for any reason been placed on probation for an infraction of any rule of the Korn Ferry Tour, then and in that event, if at any time during the probation period that member shall violate any rule of the Korn Ferry Tour, irrespective of whether that violation carries with it a penalty designated minor, intermediate or major as described under Sections D-1, 2 and 3 of this Article VII, the Commissioner may immediately suspend the member's playing privileges. The Commissioner shall inform the member of the decision to revoke the probation within 14 days.

Prior to imposition of any intermediate or major penalty (except under the Rules of Golf), the player shall be notified orally, if possible, and in writing signed by the Korn Ferry Tour Chief Referee or by the Commissioner. In the case of minor penalties, notification may be by any Korn Ferry Tour tournament official. Such written notifications shall specify the precise charges or violations. To the extent practicable, such written notifications shall be given before noon of the day following such violation.

Any written notification required by this section to be given to a player shall be hand-delivered or sent to him via registered or certified mail, return receipt requested, to the address of the player as shown in the records of PGA TOUR, provided that delivery to a player's locker at a tournament site shall constitute hand delivery under this section.

D. CLASSES OF PENALTIES

1. Minor Penalties

A minor penalty is a fine of not more than \$1,000. A minor penalty may be imposed by the Chief of Operations, or his designee.

2. Intermediate Penalties

An intermediate penalty is a fine of between \$1,001 and \$2,000 and/or suspension from play for not more than three (3) tournaments, including the tournament then in progress or scheduled for the calendar week in which the alleged violation occurred. For violations of the PGA TOUR Anti-Doping Program related to Drugs of Abuse, an approved plan of treatment and rehabilitation to be conducted at the player's expense, in addition to or in lieu of other penalties may be imposed. An intermediate penalty may be imposed by the Commissioner or, if the Commissioner is not readily available, by the Chief of Operations.

3. Major Penalties

A major penalty is a fine in excess of \$2,000, suspension from tournament play for more than three (3) tournaments and/or permanent disbarment from tournament play in Korn Ferry Tour events and other PGA TOUR cosponsored or coordinated events. For violations of the PGA TOUR Anti-Doping Program related to Drugs of Abuse, an approved plan of treatment and rehabilitation to be conducted at the player's expense, in addition to or in lieu of other penalties may be imposed. A major penalty may be imposed only by the Commissioner except as otherwise specified in these Regulations.

E. APPEALS

1. Minor Penalties

Appeals from minor penalties shall be to the Chief of Operations or his designee. Such appeal may be in writing or oral and may include defenses or mitigating circumstances, including written statements or witnesses. Such appeal shall be received no later than 14 days after the date of the written notification of imposition of the penalty. The Chief of Operations or his designee shall render his decision on the appeal, in writing, within 14 days of his receipt of the appeal, and such decision shall be final.

2. Intermediate and Major Penalties

Within 14 days from the date of notification of an intermediate or a major penalty, the player may submit a written appeal to the Commissioner, provided, however, that if the initial penalty was imposed by the Commissioner and the Commissioner deems it in the best interest of PGA TOUR, any appeal to the Commissioner may be transferred by the Commissioner to the Appeals Committee. Such appeal may include statements from others having knowledge of the facts. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, and within 14 days of receipt of such appeal, the Commissioner shall reach a decision and shall promptly notify the player in writing of his response, specifying the reason therefor. No player who has not appealed an intermediate or major penalty to the Commissioner shall have a right of further appeal to the Appeals Committee.

An appeal shall operate to stay the effective date of any penalty, except suspension from a tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after the final decision on the appeal.

3. Appeals Committee

There shall be an Appeals Committee consisting of three non-player directors designated by the Board. to serve on such committee. The Appeals Committee shall prescribe its own rules of procedure.

A player may appeal to the Appeals Committee from any decision by the Commissioner denying any initial appeal from the imposition of an intermediate or major penalty. The Appeals Committee shall also consider any appeal directed to it by the Commissioner as provided in Section E.2 of this Article VII. The appellant shall give written notice of appeal, directed to the Appeals Committee (in care of the Commissioner), within 14 days of the notice from the Commissioner denying the player's initial appeal.

Within 14 days after giving notice of appeal to the Appeals Committee, the appellant and the Commissioner may submit to the Appeals Committee any and all written evidence, documentation, affidavits, witness statements, legal memoranda, or other materials relevant to the appeal or any penalties imposed on the appellant. The Appeals Committee will review and consider all such materials. The Appeals Committee may, in its discretion, request a member or a witness to respond to questions from the Appeals Committee.

As soon as practicable after considering the materials submitted to it, the Appeals Committee shall give the appellant and the Commissioner written notice of its decision. Upon the evidence before it, including any evidence previously submitted to the Commissioner, the Appeals Committee may affirm, modify (increase or decrease) or reverse the decision of the Commissioner. The decision of the Appeals Committee shall constitute full, final and conclusive disposition of the matter.

F. ANTI-DOPING PROGRAM

The provisions of this Article shall only be applicable to violations of the PGA TOUR Anti-Doping Program relating to Drugs of Abuse, as determined in the sole discretion of the Program Administrator for the PGA TOUR Anti-Doping Program. All other violations of the PGA TOUR Anti-Doping Program shall be subject to the disciplinary and appeals terms and processes set forth in PGA TOUR Anti-Doping Manual.

G. INTEGRITY PROGRAM

The provisions of this Article shall not be applicable to violations of the PGA TOUR Integrity Program. Such violations shall be subject to the disciplinary and appeals terms and processes set forth in the PGA TOUR Integrity Program Manual.

A. FINANCIAL RESPONSIBILITY

The Commissioner may, at his option, require the host organization of any Korn Ferry Tour event to furnish evidence satisfactory to the Commissioner of the host organization's financial responsibility, either:

1. By posting a bond in an amount equal to the sum of the prize monies to be provided by the sponsor for such event plus an additional sum to cover the entry fees or the service fee payable to PGA TOUR, guaranteeing such performance, or
