Dear PGA TOUR members,

Welcome to the PGA TOUR. This directory was compiled to assist you in your preparation for a season on the PGA TOUR.

The Player Handbook includes a 2025 tournament schedule and covers such topics as special event eligibility and special awards.

The Tournament Regulations are the guide to specific rules pertaining to PGA TOUR play. We have incorporated changes made to the Tournament Regulations since last season into this season's book. In addition, the index provides quick reference. I encourage every member to become familiar with these rules, as they are the final authority on the operations and policies of the PGA TOUR.

Best wishes for a successful 2025 season!

SIGNIFICANT CHANGES FOR THE 2025 SEASON

- FedExCup points distribution table adjusted for Majors and THE PLAYERS with a slight increase to second-place points and a slight point decrease in positions 11 and beyond. Signature Event FedExCup points distribution has a slight point decrease in positions seven (7) and beyond.
- Signature Events will have a minimum field size of 72 players. In the event the field size for a Signature Event falls below 72 players, an alternate list will be utilized to fill the field to a limit of 72 players. The alternate list will be created from the next available player(s) in order from the Aon Next 10 List following the commitment deadline on Monday of tournament week.
- For Signature Events whose eligibility include sponsor exemptions, should Tiger Woods wish to play, an additional sponsor exemption will be added to the field to recognize Woods in his own category as a player who has reached an exceptional lifetime achievement threshold of 80+ career wins.
- The Pace of Play Policy now includes the addition of an Excessive Average Stroke Time (EAST). If at the conclusion of a tournament a player has an average stroke time of 12 seconds or more above the field average, an EAST will be received. There would be no fine associated with the first two EAST violations, but the 3rd infraction would result in a fine of \$5,000 and subsequent offenses would be an additional \$10,000 per infraction. Additionally, there have been changes to the fine structure including the following: players will no longer be subject to fines solely as a result of Timings, Bad Times, and Excessive Shot Times in Major Championships; the fine for two Bad Times has been reduced from \$50,000 to \$10,000, the fine for two Excessive Shot Times has been lowered from \$10,000 to \$5,000 and the fine for 10 Average Stroke Times (AST's) has increased from \$20,000 to \$50,000, aligning it with the fine for 10 Timings. Players are encouraged to become familiarize themselves with all changes in the updated Pace of Play Policy.
- Several adjustments were made to the "One New Event per Season (Strength of Field)" regulation to accommodate the new schedule model. These changes include: excluding Signature Events from meeting the regulation, reducing the number of events a player must play from one in the last four seasons to one in the last three seasons, and adding a provision that allows players within the top 10 of the Player Impact Program (PIP) to fulfill both their Strength of Field and PIP obligations for the season by participating in a tournament designated by the PGA TOUR, based on an objective set of criteria.
- Amateurs can top 10 into the to the next open event. For players eligible for PGA TOUR Accelerated, an extra point will be awarded for a top-five finish.
- The starting field sizes for the Valspar Championship, Texas Children's Houston Open, and Valero Texas Open may be increased to a maximum of 156 players to include all players in the DP World Tour/Korn Ferry Tour/Q-School category.
- All conditional categories (126-150, Beyond 150, Past Champions, Veteran Members, and Special Temporary Members) will undergo reshuffling collectively, as opposed to reshuffling within

their specific categories. The categories will reshuffle after the Zurich Classic of New Orleans, the Charles Schwab Challenge, the John Deere Classic, the Wyndham Championship, and the Black Desert Championship.

- As long as the PGA TOUR has an established eligibility pathway of players earning their card to the PGA TOUR (Top 10 Finishers from the Race to Dubai) and from the PGA TOUR back to the DP World Tour (126-200 FedExCup Finishers), there will be an exception to the number of Conflicting Event Releases available and the deadline by which the Conflicting Event Releases must be submitted when a PGA TOUR Member who is also a member of the DP World Tour participates in a tournament sanctioned by the DP World Tour. Such exemption would only be considered for an exempt member if he has participated or is possible for him to participate in a minimum of 15 PGA TOUR cosponsored or approved tournaments in the season.
- Modifications have been made to the PGA TOUR University Accelerated program points table which keep the program aligned with evolving amateur player schedules and trends.
- Sponsor Value Program to start Tuesday at 6 p.m. local time and adds in the option of a shorter function following a player's morning round on either Thursday or Friday. Additionally, the maximum number of SVP functions a player must perform in a season has been reduced from 8 to 5.
- For the Mexico Open at VidantaWorld, two additional sponsor exemptions designated to players from Latin America will be added to the field for a total of six designated sponsor exemptions.
- The maximum number of Monday pro-am groups have been adjusted from 28 teams to 30 teams.
- The Mobile and Electronic Device Policy has been updated. These revisions will more accurately reflect how these devices may be used prior to, and during a competition. The revised policy has been amended in the regs book and players are encouraged to become familiar with the policy.

SIGNIFICANT CHANGES BEGINNING WITH THE 2026 SEASON

- The top 100 from the 2025 FedExCup Fall Points List will have exempt status for the 2026 season. Additional categories will be added for finishers 101-125.
- In 2025, the Korn Ferry Tour will award 20 cards to the PGA TOUR for the 2026 season. The 2025 PGA TOUR Qualifying Tournament will award five (5) cards (no ties). The DP World Tour will maintain 10 cards.

-
- Restricted sponsor exemptions (two (2) PGA TOUR Restricted to Member and two (2) for players in the DP World Tour / Korn Ferry Tour / Q-School Category) will be removed to allow next eligible members on the Priority Ranking into the field.
 - Maximum number of players in a starting field of an open tournaments played on one course will be 144 players, with a reduction to 120 or 132 as required by circumstances such as daylight.
 - No Open Qualifying for events with fields of 120 players or fewer and reducing Open Qualifiers from four to two players for events with fields of 132 players.
 - A modification to the PGA TOUR University Leading Finisher category on the PGA TOUR whereby a threshold would be established for rare situations when more than one player achieves a threshold commensurate with that of prior #1 finishers.
 - Adjustments to the eligibility for THE PLAYERS Championship, Charles Schwab Challenge, and Genesis Scottish Open to align with restructured eligibility system including:

- Replace exempt category of top 125 in the prior season's FedExCup with top 100 in the prior season's FedExCup Points List

NOTE: Cut size will be 33 teams and any ties at 33rd position.

NOTE: FedExCup points and official prize money will use an alternate distribution whereby the corresponding finish positions from the standard distribution are combined and split in two (i.e. 500 points for 1st place and 300 points for 2nd place = 800 point for the team/400 points for each player and so on down the list for 3rd and 4th for the 2nd place team, etc.)

NATIONALITY POLICY

I. General

Any Athlete in an International Golf Competition (Section II) must be a national of the country which the Athlete is representing or under which the Athlete is eligible for the competition.

The IGF publishes this policy ("Nationality Policy") as it pertains to matters relating to the determination of the country which an Athlete may represent in an International Golf Competition listed below, and from time-to-time will advise sanctioning organizations of International Golf Competitions as to guidelines and standards on making determinations on an Athlete's nationality.

Each sanctioning organization has adopted the Nationality Policy and shares decisions based on nationality with the IGF and other sanctioning organizations. All matters relating to the determination of the country which an Athlete may represent in an International Golf Competition listed below shall be resolved by the sanctioning organization for that event, in its sole discretion.

II. International Golf Competitions

For the purposes of this policy, International Golf Competitions are as follows:

Women's Competitions

Espirito Santo Trophy
Solheim Cup
International Crown
Olympic Games
Youth Olympic Games

Sanctioning Organization

International Golf Federation

International Golf Federation
International Golf Federation
International Federation of PGA Tours

III. Nationality

An Athlete will be considered a national of a country if the Athlete is a citizen of the country, as defined by the laws of such country.

An Athlete who is a national of two or more countries at the same time may represent either one of them, as the Athlete may elect. However, after having represented one country in an International Golf Competition, the Athlete may not represent another country unless first meeting the conditions set forth below that apply to persons who have changed their nationality or acquired a new nationality.

An Athlete who has represented one country in an International Golf Competition, and who has changed nationality or acquired a new nationality, may participate in another International Golf Competition representing the new country provided that, as of the start of the qualification period

for such event, at least four years have passed since the Athlete last represented his/her former country. This period may be extended, reduced or even cancelled, with the agreement of the sanctioning organization, which takes into account the circumstances of each case and any applicable guidelines and standards provided by the IGF.

If an associated state, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, or if a country merges with another country, an Athlete may continue to represent the country to which the Athlete belongs or belonged. However, if the Athlete prefers, the Athlete may elect to represent the new country. This particular choice may be made only once for any other International Golf Event including future Olympic Games.

Furthermore, in all cases in which an Athlete would be eligible to participate in an International Golf Competition, either by representing another country than his/hers or by having the choice as to the country which such Athlete intends to represent, the sanctioning organization may take all decisions of a general or individual nature with regard to issues resulting from nationality, citizenship, domicile or residence of any Athlete, including the duration of any waiting period, taking into account the circumstances of each case and any applicable guidelines and standards provided by the IGF.

IV. Countries and Continents

For the purposes of defining a country (or territory, if applicable) of which an Athlete is a national, the current list of National Olympic Committees as recognized by the International Olympic Committee will be used. For International Golf Competitions other than the Olympic Games and Youth Olympic Games, England, Scotland and Wales will be considered to be separate countries.

For the purposes of defining the continent of Europe as it relates only to certain International Golf Competitions which either include all countries within Europe as a team or exclude all countries within Europe from a team, the following countries will be considered to be within Europe and not part of regions other than Europe:

Albania	Cyprus	Ireland	Monaco	Republic
Andorra	Czech Republic	Israel	Montenegro	Slovenia
Armenia	Denmark	Italy	Norway	Spain
Austria	Estonia	Kazakhstan	Poland	Sweden
Azerbaijan	Finland	Latvia	Portugal	Switzerland

Belgium	Georgia	Lithuania	Russian	Turkey
Bosnia and Herzegovina	Germany	Luxembourg	Federation	Ukraine
Bulgaria	Greece	Macedonia	San Marino	United Kingdom
Croatia	Hungary	Malta	Serbia	
	Iceland	Moldova	Slovak	

V. Rankings

An Athlete should ensure that his/her nationality is correctly listed on the appropriate world golf ranking system. For women's International Golf Competitions, this shall be the Rolex Women's World Rankings. For men's International Golf Competitions, this shall be the Official World Golf Rankings. For the purposes of applying this policy, the Athlete will be presumed to be a national of the country listed on the appropriate world rankings system, subject to verification in accordance

with this policy. Any decisions taken related to an Athlete's nationality in accordance with this policy shall be referred by the IGF to the appropriate ranking system, who shall display the correct nationality of each Athlete within the rankings.

An Athlete eligible to participate in an International Golf Competition by representing another country to the one previously represented (by either changing nationality or acquiring a new nationality) in accordance with this policy will only be eligible for International Golf Competitions for which the qualification period has not yet started, unless otherwise allowed by the sanctioning organization.

An Athlete eligible to participate in an International Golf Competition by having the choice as to the country which such Athlete intends to represent in accordance with this policy will only be eligible for International Golf Competitions for which the qualification period has not yet started, unless otherwise allowed by the sanctioning organization.

An Athlete who changes his/her nationality for an International Golf Competition prior to the qualifications and eligibility period beginning for such event, yet subsequently fails to qualify for the competition, is subject to the provisions of this policy including the time periods prescribed herein.

BAD WEATHER GUIDELINES

In situations involving bad weather, our first priority is always the competition and completion of 72 holes. Every effort will be made to achieve this objective by Sunday which could include playing 36 holes on the final day. If this can not be accomplished, play will always be extended to Monday if conditions and the weather forecast permit.

In making decisions to extend play beyond Sunday or to reduce the tournament to fewer than 72 holes due to inclement weather, the on-site Chief Referee discusses the situation and conditions with a number of parties, including the host organization, title sponsor, host site (general manager and/or golf course superintendent), on-site weather forecaster, television representatives and the other members of the Rules Committee. Players are not included in these discussions as policy dictates it is inappropriate for the Rules Committee to discuss matters directly affecting the competition with contestants.

In an effort to provide more definitive guidelines for use in the decision-making process, the following Bad Weather Guidelines will be followed:

EXTENDING PLAY TO MONDAY

1. Every effort will be made to finish each round as scheduled by Sunday. The first priority is always the competition and completion of 72 holes.
2. In an effort to achieve this objective by Sunday, 36 holes may be played on Sunday following a reduction of the field to the score which has the closest number of players (including amateurs) to 60. If an equal number of players are at scores above and below the 60th position, the higher score will be used. In the event of any such cut, professionals eliminated who otherwise would have played in the final 36 holes will receive the appropriate share of official prize money in accordance with their respective positions.
3. If conditions exist which prevent 72 holes from being completed by Sunday, play will always be extended to Monday if golf course conditions and the weather forecast permit. Play on Monday could include 36 holes and a reduction of the field to the score which has the closest number of players to 60.
4. If conditions exist which make the completion of 72 holes impossible, the next priority is to complete 54 holes, thereby the winner is credited with an official victory. Again, play in this situation will always be extended to Monday if golf course conditions and weather permit.
5. If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes, thereby players receive official money although the winner is credited with an unofficial victory. Again, play in this situation may be extended to Monday.

EXTENDING PLAY BEYOND MONDAY

1. Except for THE PLAYERS Championship and the FedExCup Playoff events, in the event of a suspension during a final round being played on Monday when at least half of the field has completed play, the final round will be completed on Tuesday, but no later. Further, in no situation would we resume play in order to have 50% or more of the field complete their round. If

play cannot be completed on Tuesday, scores will revert back to the last completed round and the competition will be considered closed.

2. Except for THE PLAYERS Championship and the FedExCup Playoff events, play will not extend past Tuesday under any circumstances unless the event can be rescheduled and replayed in its entirety. This scenario would occur only if no more than 18 holes had been completed and an acceptable open date were available.
3. For THE PLAYERS Championship and the FedExCup Playoff events, the Commissioner may, in his discretion, extend play as necessary in order to complete 72 holes of competition.

ON-SITE COMMUNICATION

1. On Tuesday of Tournament Week, the PGA TOUR Chief Referee will meet with host organization and title sponsor representatives to review the Bad Weather Guidelines and discuss plans to extend the event to Monday if necessary. Also reviewed are the tournament's plans to reschedule or relocate any special events planned for the tournament course on Monday (i.e. title sponsor outing) if play is extended to Monday.
2. Also on Tuesday of Tournament Week, the PGA TOUR Chief Referee will meet with television representatives to review air times, requested finish times, playoff holes and plans if inclement weather is predicted or encountered during the tournament. At small field tournaments, or for rounds following the cut at full field events, a tape delay telecast will be discussed if play can be started early and completed before impending bad weather. Prior to the final round, the leaders may start on the back nine to provide the network an opportunity to telecast some amount of play by the leaders.
3. After receiving and heavily weighing input from the host organization, title sponsor, host site (general manager and/or golf course superintendent), on-site weather forecaster and television, the PGA TOUR shall make the final decision to play 36 holes on Sunday, extend play to Monday or reduce the tournament to fewer than 72 holes.
4. Once a decision is reached, the players, host organization, title sponsor and television, if applicable, shall be the first informed. Secondly, the PGA TOUR Chief Referee shall communicate the decision to the PGA TOUR's On-Site Media Official who will disseminate the information to the media, and then to the Advance Official at the following week's event who will immediately let the tournament know of the decision.

OTHER FACTORS AND ISSUES

Factors/issues that are considered in making decisions to suspend, postpone or cancel play include the following:

Competitions

1. Weather forecast: The likelihood of weather conditions allowing the golf course to be prepared for play and the competition to be completed.

2. Course conditions: The condition of the golf course must allow the competition to be conducted under the Rules of Golf. The lift, clean and place rule may be put into effect under extreme circumstances.
3. Cancellation of a started round: If some players begin a round under extremely adverse weather conditions, conditions subsequently worsen and further play that day is impossible, the round may be canceled and replayed in its entirety.
4. Tournament format: If the tournament utilizes a multiple course format, the number of rounds needed to have players complete one round on each course will be considered. In pro-am events, amateurs may be asked to discontinue once play resumes in an effort to complete play on schedule.
5. Following week's event: Decisions to extend play to Monday will not be influenced by the following week's scheduled event, even when the next event is a major championship.

Host Organization/Title Sponsor

1. Prize Money: When a tournament is shortened due to inclement weather or other occurrence beyond the reasonable control of PGA TOUR, the host organization will be obligated to pay prize money in accordance with the guidelines contained in Article IV, Section A.9 of the Tournament Regulations. At tournaments played on one or two courses, official prize money will be distributed in accordance with the standard purse distribution formula when two or more rounds have been completed. At tournaments played on three or more courses, official prize money will be paid in accordance with the standard purse distribution formula when all players have played each course at least once. If players have not played each of the courses at least once, prize money will be unofficial and will be paid out, when possible, based on the standings through the number of completed rounds. If this is not possible, the purse will be divided equally among all players in the starting field.
2. Financial impact: Tournaments and title sponsors want to avoid having to complete play on Mondays and Tuesdays except in extreme situations. Because of the additional costs and logistical problems associated with Monday play, host organizations clearly would prefer to shorten an event to 54 holes rather than extend to Monday to complete 72 holes. However, host organizations for the most part support an extension of play to Monday if required to complete 54 holes.
3. Monday Pro-Am: Many tournaments have Monday pro-ams during Tournament Week, in addition to the Official pro-am (normally held on Wednesday) and extending play beyond Sunday could have a negative impact on the following event's Monday pro-am. This pro-am could be moved to Tuesday at the host organization's request. However, another course would be required so that the pro-am does not interfere with normal practice rounds.

Television:

1. Air times: Every effort is made to conclude the tournament within the scheduled air times. In most cases, networks will extend coverage from 6:00 PM EST to 7:00 PM upon request. For obvious reasons, the networks prefer to conclude the event on Sunday by playing 36 holes instead of extending play to Monday. Host organizations are in favor of this as well.

2. Tee times: Tee times may be changed to accommodate television, and a two-tee start may also be utilized after the cut is made. Prior to the final round, the leaders may start on the back nine to provide the networks an opportunity to telecast some amount of play by the leaders.
3. Monday coverage: Networks are given the first option of telecasting play on Monday. In the event the network declines, cable television will telecast the event on Monday or Tuesday.

SUSPENSION OF PLAY DUE TO DANGEROUS SITUATIONS

Play may be suspended for such dangerous situations as lightning, tornadoes, etc. If the players in a match or group are between two holes, they must not resume play until the Rules Committee so orders. Players who are playing a hole must discontinue immediately and not resume play until the Committee orders. THE PENALTY FOR BREACH OF THIS CONDITION IS DISQUALIFICATION.

All practice areas shall be closed during a suspension for a dangerous situation until the PGA TOUR Rules Committee has declared them open for use. Players who disregard such closing shall be subject to disciplinary action.

NOTE: One blast of a horn signals immediate suspension for a dangerous situation. Three short blasts of a horn signals suspension for a non-dangerous situation. Two short blasts of a horn means play has resumed.

LOCKER ROOMS

Locker room access is limited to:

Tournament week:

Players, players' sons when accompanied by the player, PGA TOUR staff, instructors, and working media and a limited number of the host organization's committeemen.

Practice and Pro-Am days:

Tournament representatives, player managers, golf apparel and manufacturer representatives.

Weather delays:

Players, essential locker room staff and PGA TOUR staff.

NOTE: Network television personnel are permitted locker room access for the purpose of set up and operation of a "Weather Studio".

A caddie may enter the locker room during the week to assist the player with retrieving items from his locker. Caddies are not allowed in the locker room at any other time. Players whose caddies enter locker rooms initially (not for reason provided above) will be fined \$100. Subsequent fines during a season will be \$250 and \$500, respectively.

Except during weather suspensions, golf bags must be put away in lockers or appropriate bag storage areas provided by the tournament. Golf bags must be put away overnight and shall not be left in the locker room.

Players in the starting tournament field who use locker room facilities at the host clubhouse must pay the attendant a minimum of \$50 for service.

Smoking is not permitted in the player locker room.

PLAYER EQUIPMENT

To help ensure that players competing in PGA TOUR cosponsored tournaments use equipment which conforms with the USGA Rules of Golf, players are encouraged to:

1. Confirm with equipment manufacturers or the club maker that all equipment or samples have been submitted to and approved by the USGA. Any new equipment must be formally approved by the USGA prior to putting the equipment in play.
2. Confirm that driving clubs are on the USGA Conforming Driver List. Any modified club head or club face must conform as if new and may need to be re-tested.
3. Have any altered or unusual clubs checked by a PGA TOUR Rules Official before tournament use.
4. Verify that the ball chosen to be played is on the USGA's "Conforming Golf Balls" list.
5. Confirm that clubs conform to Model Local Rule G-2, regarding groove and punch mark specifications and are listed on the USGA Equipment Database. The Exception does not apply.

If a player fails to submit his equipment prior to competition, he assumes all risk of a ruling that equipment does not conform with the USGA Rules of Golf. Additionally, if required by a PGA TOUR official, a player is obligated to surrender any equipment if it is determined that additional off-site testing is necessary to rule on conformity. Failure to do so will result in withdrawal from the tournament and subsequent disciplinary action. From time to time, PGA TOUR, at the request of the USGA, collects golf balls and equipment samples on-site at events.

OPPOSITE EVENT POLICY

A PGA TOUR member who qualifies, as of the commitment deadline, for a PGA TOUR cosponsored event awarding full FedExCup point allocation shall not be eligible to participate in an opposite PGA TOUR event should he elect not to play in the PGA TOUR cosponsored event awarding full FedExCup point allocation.

CADDIE REGULATIONS

All players in PGA TOUR cosponsored tournaments shall employ caddies for all practice, Pro-Am and tournament rounds, though golf carts may occasionally be authorized by the PGA TOUR's Chief Referee for practice or Pro-Am rounds, whereby caddies are not required.

Caddies shall be paid promptly. The fee is to be resolved early in the week between the player and caddie. Players who wish to bring their own caddies to PGA TOUR cosponsored tournaments may do so. Players shall be responsible for the conduct and behavior of their caddies at tournaments.

The following shall be adhered to in all PGA TOUR cosponsored tournaments:

1. All caddies must complete the caddie registration form each week. The Caddie Chairman and/or Caddie Master will supervise caddies and provide an area for caddies to rest while not on duty, if the caddie van is not on site.
2. Caddies shall wear uniforms and identification badges as prescribed by the host tournament and PGA TOUR. All caddies are required to wear solid-colored khaki-style long pants, which touch the top of the shoe, or solid-colored, knee-length tailored shorts or skorts, and a collared shirt while on club property. T-shirts, jeans, culottes, skirts, capris, cut-off shorts and cargo style shorts are not permitted. Acceptable colors shall be determined at the discretion of the PGA TOUR Chief Referee.
3. Caddies shall wear smooth, rubber-sole plain-colored shoes preferably tennis or basketball shoes. Permissible colors are limited to white and earth tone such as navy, blue, black, brown, tan gray, dark green and the like. Bright colors that are intended to draw attention to a person's footwear are not acceptable. Footwear with a closed toe is required. Flip flops, open-toed sandals and other similar shoes are not permitted. Closed-toe Crocs are acceptable provided they conform with the colors described above. GOLF SPIKES are prohibited.
4. Caddies must conform to the Player Endorsement Policy.
5. Caddies may walk unaccompanied on putting greens during practice round days if play is not disrupted. Caddies may not walk on putting greens on any day, at any time, before or after a Pro-Am or official tournament round.
6. Caddies credentials provide clubhouse access as designated by tournament host.
7. A caddie may enter the locker room during the week to assist the player with retrieving items from his locker. Caddies may not enter the locker room at any other time.
8. Caddies shall not be permitted on practice greens except to retrieve pitch and run shots or putts.
9. Caddies shall assist in maintaining the course by REPLACING DIVOTS AND RAKING BUNKERS as soon as practical after their player has played.
10. Caddies shall not hit shots or putts anywhere on the practice areas or course except in specially approved competitions.
11. Caddies shall not falsely register for accommodations or leave unpaid bills.
12. Caddies shall not engage in any conduct that is prohibited for players under the PGA TOUR Anti-Doping Program.
13. Caddies shall not engage in any conduct that is prohibited under the PGA TOUR Integrity Program.
14. Caddies shall not engage in conduct unbecoming a professional caddie, as determined in the sole discretion of the PGA TOUR.
15. Caddies must carry their player's clubs. Pull carts or the like are not permitted.

Personal information collected from you will be used by PGA TOUR for the purpose of administering the tournaments on the tours operated and/or sanctioned by PGA TOUR and providing you with information relating to products, services, news and promotions of PGA TOUR and affiliates of PGA TOUR. PGA TOUR shall not sell, share or otherwise disclose your personal information of applicants with third parties, other than to third parties engaged by PGA TOUR to fulfill the above purposes or as otherwise consented to by the applicant. To view PGA TOUR's Privacy Policy, visit www.pgatour.com/company/privacy.html.

A caddie who does not comply with these Caddie Regulations will be subject to losing the privilege to caddie on the PGA TOUR. Also, for any violation of these regulations, disciplinary action may be taken against the player for whom the caddie is providing services.

PLAYER/FAMILY DINING POLICY

Player/family dining areas are provided by tournaments for use by players and their immediate family members only. Active PGA TOUR members may receive credentials with player/family dining access for their spouse/significant other, children, nanny, and up to four immediate family members. Immediate family is defined as parents of either adult, grandparents of either adult and siblings.

To access the player/family dining area, a player's spouse/significant other and immediate family members must present their Family Member ID card.

Tournaments have also been requested to provide, on a space available basis, a player only dining area, which in most cases is the player locker room.

If you wish to entertain a guest, such as an extended family member, friend, agent, instructor or equipment company representative, you should dine in another clubhouse dining area, with appropriate food and beverage charges applying to your guest(s).

Space in the player/family dining area is often limited during peak hours so your cooperation with this policy is greatly appreciated. Smoking is not permitted in player/family dining areas. Players are responsible for their minor children and their conduct in the player/family dining area.

PROCEDURES FOR DUALY-COMMITTED PLAYERS

PGA TOUR members in the "126 to 150" category and below (including 3x Winners on the DP World Tour and Korn Ferry Tour) may commit to both PGA TOUR and Korn Ferry Tour events scheduled for the same week. If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3 p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure to notify the PGA TOUR of his intention will cause the player to be placed in the PGA TOUR field and removed from the Korn Ferry Tour field.

PGA TOUR members in the "DP World Tour / Korn Ferry Tour / Q-School" category and above who may not be eligible for the PGA TOUR event may commit to both PGA TOUR and Korn Ferry Tour events scheduled for the same week. If a player is in the PGA TOUR event by 3 p.m. Eastern Time on Monday of tournament week, he must play the PGA TOUR event and will be removed from the Korn Ferry Tour field.

A player who is an alternate for the PGA TOUR event and is in the Korn Ferry Tour tournament must notify PGA TOUR Headquarters by 5 p.m. Eastern Time on Wednesday of tournament week of his intention to play the Korn Ferry Tour event. PGA TOUR members may commit to both PGA TOUR and PGA TOUR Champions events scheduled for the same week. If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3p.m. Eastern Time on Monday of tournament week which tournament he intends to play. Failure to notify the PGA TOUR of his intention will cause the player to be placed in the PGA TOUR field and removed from the PGA TOUR Champions field.

A player who is an alternate for that week's PGA TOUR Champions event and is in the PGA TOUR tournament must notify PGA TOUR Headquarters by 5p.m. Eastern Time on Wednesday of tournament week of his intention to play the PGA TOUR event. If he notifies the PGA TOUR that he intends to play the PGA TOUR event (or if he fails to give such notification), then he shall cease to be an alternate for that week's PGA TOUR Champions event and shall remain in the field of the PGA TOUR events.

A player who is an alternate for the PGA TOUR event and is in the PGA TOUR Champions tournament must notify PGA TOUR Headquarters by 5p.m. Eastern Time on Wednesday of tournament week of his intention to play the PGA TOUR Champions event. If he notifies the PGA TOUR that he intends to play the PGA TOUR Champions event (or if he fails to give such notification), then he shall cease to be an alternate for that week's PGA TOUR event and shall remain in the field of the PGA TOUR Champions event.

PGA TOUR Champions members may commit to both PGA TOUR Champions and Korn Ferry Tour events scheduled for the same week. If a player is in the field of both events, he must notify PGA TOUR Headquarters by 3p.m. Eastern Time on Monday of tournament week which tournament he intends to play. A PGA TOUR Champions member who is an alternate for that week's PGA TOUR Champions event and is in the Korn Ferry Tour tournament must notify PGA TOUR Headquarters by 5 p.m. Eastern Time on Wednesday of tournament week of his intention to play the Korn Ferry Tour event. If he notifies the PGA TOUR that he intends to play the Korn Ferry Tour event (or if he fails to give such notification), then he shall cease to be an alternate for that week's PGA TOUR Champions event and shall remain in the field of the Korn Ferry Tour event.

MEASURING CONDITION OF PUTTING GREENS

The Rules of Golf state that before a round or playoff on any day of a stroke play competition, a player must not practice on the competition course or test the surface of any putting green on the course by rolling a ball or rubbing the surface. Furthermore, the PGA TOUR has adopted the following policy which applies to PGA TOUR, PGA TOUR Champions, and Korn Ferry Tour competitions:

On any day of an official stroke play or match play competition, or during official practice rounds and Pro-Ams, players and caddies are NOT permitted to use any device that measures the condition

of any putting green on the competition course (i.e., slope, speed, texture, firmness, friction, or moisture level).

A device specifically designed to be used as a “training aid” may be used on any day on the practice greens. The same “training aid” may be used on the competition course during practice rounds, provided it does not measure the conditions as described.

A player or caddie who does not comply with this policy is subject to disciplinary action under Article VII. DISCIPLINE, PENALTIES & APPEALS, Section C: Conduct Unbecoming a Professional of the PGA TOUR Tournament Regulations.

GOLF COURSE PREPARATION & SET-UP PHILOSOPHY

GENERAL

Golf course preparation and set-up is critical to the PGA TOUR's core mission and has significant ramifications for our players, television partners, tournaments, sponsors and fans.

For each tournament, the objective is to provide a level of difficulty and excitement which identifies the world's best players while 1) maintaining fairness, 2) respecting the features and capabilities of the venue, and 3) providing a dramatic stage for the PGA TOUR. Throughout the season, the objective is to provide a variety of golf course set-ups, in conjunction with assessment of the TOUR's evolving business needs as well as monitoring of relevant statistics.

The PGA TOUR's Rules & Competitions and Agronomy Staff are responsible for golf course preparation and set-up, with the PGA TOUR Chief Referee having final authority. A Golf Course Review Committee, reporting to the Commissioner, will be maintained for the purpose of approving new venues and changes to existing venues, as well as reviewing relevant data and feedback on course preparation and set-up.

Course preparation and set-up is subjective, and situations will occur where objectives are unable to be met. Professional observations and constructive criticism on the preparation and set-up of courses is welcome, and should be directed to the Tournament Staff.

PREPARATION

Although abnormal conditions, adverse weather, or venue capabilities will sometimes prevent establishing the desired course conditions, the following will normally be objectives for tournament sites:

Tees: Firm, closely-mown, level and adequately-sized (to the extent possible), in order to provide flexibility.

Fairways: Firm and closely-mown, varying in width according to course and year-long variety.

Greens: Closely mown with firmness and speed varying for contours, grass-type and conditions, and predicted weather.

Rough: Varying in length and penalty according to course and year-long variety.

Bunkers: Treated as hazards, but prepared each day in a timely manner with well-defined margins.

Maintenance & Irrigation: Undertaken to achieve the above, but modified as necessary for consistency, adverse conditions, and predicted weather.

SET-UP

Tee placements and hole locations should take into account the following:

- Hole type, difficulty and length (including forced-carries)
- Design features
- Course conditions
- Predicted weather
- Variety of shot-making and shot-lengths required during the round
- Creation of excitement and drama for television partners, sponsors, and fans, particularly on the finishing holes.
- Weather Guidelines (with respect to completing the competition)
- Pace of play (this will not be a primary consideration)
- Tournament operations & logistics (this will not be a primary consideration)

On par-4s and par-5s, one or more teeing grounds may be used. Back tees will not necessarily be used every round or at all. Creation of drama will weigh heavily in identifying holes suitable for set-up as either reachable par-5s or drivable par-4s. On par-3 holes, tee marker placement should vary (if possible) to encourage broader shot selection both on all par-3s during each round and on each par-3 for the week.

Hole locations will generally be a reasonable distance from the green's edge and from contours. However, some hole locations may not be easily accessible, requiring judgement and skill.

PGA TOUR GOLF COURSE MARKING PHILOSOPHY

The PGA TOUR Rules Committee is responsible for marking each golf course on TOUR. This includes establishing the boundaries of the golf course, defining any penalty areas and marking them as yellow or red penalty areas, and marking any areas the Rules Committee has defined as ground under repair.

OUT OF BOUNDS

Generally, the boundary of the golf course is defined by the perimeter of the golf course property. The Rules Committee will use permanent items such as perimeter fences, walls and roads to establish areas of out of bounds, then install white stakes to define any other course boundaries. Areas within the golf course property such as the driving range, putting green, short game area, clubhouse and parking areas may be defined as out of bounds, to prevent lengthy delays and for safety concerns. Internal boundaries may be installed by the Committee when the integrity of the design of

a hole is compromised by an alternate route, which in turn creates safety issues for every person on site. All areas of out of bounds are specified on the 'Notice to Players' for each tournament.

PENALTY AREAS

When defining penalty areas and marking them as either yellow or red, the Rules Committee will always strive for consistency within that competition alone. Each golf course on TOUR provides its own design features and set of challenges when negotiating penalty areas, so while one golf course may feature more yellow penalty areas than another, the consistency of the penalty area marking within that single competition is essential. The following week on TOUR, the marking of the penalty areas may be slightly different due to circumstances and consistency within that specific competition. Considerations when marking penalty areas include:

Yellow Penalty Areas:

- If the challenge of playing a hole requires negotiating a penalty area to maintain the integrity of the hole it is usually marked yellow. Examples include the 17th hole at TPC Sawgrass or the 12th hole at Muirfield Village.
- When it is feasible to drop behind a body of water it is usually marked yellow, such as the 18th hole at Torrey Pines.
- Often a body of water is marked yellow to prevent Rules of Golf issues on where a ball last crossed the margin of the penalty area, such as the 17th hole at PGA National. A drop zone may be provided as an option to the player.
- To prevent players from dropping on the putting green when a penalty area has not been negotiated it may be marked yellow, such as the 4th hole at TPC Sawgrass.

Red Penalty Areas:

- If the above considerations to mark a penalty area yellow cannot be met, the Rules Committee will mark all other penalty areas red. Also of concern:
 - If an ideal transition between yellow and red penalty areas is not possible, it may be marked red.
 - When the penalty area is 'in play' for shots played from the green side, it may be marked red.
 - When pace of play issues are a concern and a drop zone is not feasible, it may be marked red.

A ball touching a yellow or red line defining the edge of a penalty area is 'IN' the penalty area.

GROUND UNDER REPAIR

While the playing surfaces on TOUR are usually excellent, on occasion there may be a reason for the Rules Committee to mark an area as ground under repair, enabling the option to take free relief. Areas that may be marked ground under repair include, but are not limited to; new course construction, course repair, damage from equipment, newly laid turf which is not established, or other damage from which play is not equitable such as crosswalks. A ball touching a white line defining the edge of the ground under repair is 'IN' the ground under repair.

However, it is important to note natural imperfections, areas of stress or disease, and thin turf, are not considered abnormal course conditions. It is inevitable the elements and mother nature may adversely affect course conditioning, but these factors contribute to the premise that the Rules Committee holds true; play the ball as it lies and the course as you find it.

The PGA TOUR Rules Committee constantly evaluates the marking of all our golf courses. Maintaining the integrity and design of a hole is an important consideration, but our priority is always to provide equitable outcomes for all players competing in the same competition.

ANTI-DOPING PROGRAM

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Anti-Doping Program. The full terms of the Anti-Doping Program may be found at www.drugfreesport.com/rec or pgatourlinks.com. Questions regarding the Anti-Doping Program should be directed to Andy Levinson, Senior Vice President, Tournament Administration, at PGA TOUR Headquarters.

PGA TOUR ALCOHOL POLICY

Any member found to have violated any of the following provisions relating to the use of alcohol shall be considered to have engaged in conduct unbecoming a professional and shall be subject to a significant penalty:

- A. Consuming an alcoholic beverage during any practice round or tournament round (whether a pro-am round or a tournament competition round), on the practice tee or putting green.
- B. Moderate, responsible consumption of alcoholic beverages after play or during social functions is permitted. But players should know that alcohol related unprofessional incidents will constitute conduct unbecoming a professional.
- C. A PGA TOUR member's responsibility to conduct himself in a professional manner and lend credit to himself and his organization extends beyond the time that the member is engaging in tournament play at the tournament site. Accordingly, the Membership should be aware that, depending on the circumstances, being under the influence of alcohol at any time in a public place, whether at a tournament site or otherwise, may constitute conduct unbecoming a professional.

The Commissioner will conduct such inquiries and investigations as shall be appropriate to determine whether a member has violated the alcohol policy or any interpretations thereof.

INTEGRITY PROGRAM

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Integrity Program. The Integrity Program among other things prohibits players from betting on professional golf and engaging in other betting-related activities and requires players to complete certain educational requirements, in an effort to maintain integrity and prevent betting-related corruption in PGA TOUR events. The full terms of the Integrity Program may be found at pgatourlinks.com. Questions regarding the Integrity Program should be directed to Andy Levinson, Senior Vice President, Tournament Administration, at PGA TOUR Headquarters.

PACE OF PLAY POLICY

Rule 5.6b states, in part: “The player should play at a prompt pace throughout the round. To encourage and enforce prompt play, the Committee shall set a Pace of Play Policy.” The following Pace of Play Policy, including penalties and fines, for stroke play competitions has been adopted. In the administration of this Pace of Play Policy, a member of the Rules Committee shall not tolerate abuse, oral or otherwise, by a player. Such abuse may constitute conduct unbecoming a professional.

DEFINITION AND APPLICATION OF “OUT OF POSITION”

The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play, as detailed on the applicable course’s Pace of Play Chart.

Any subsequent group will be considered out of position if, at any time during the round, they exceed the allotted time to play, and:

- a) reach a par-3 hole that is open and clear of play, and all players in the group ahead have played their strokes from the teeing area of the next hole, or
- b) reach a par-4 or par-5 hole and all players have not played a stroke from the teeing area before the hole is open and clear of play.

NOTE: The Committee reserves the right to time a group when the Committee deems it necessary. Further, if an individual player is determined by the Rules Committee to be unreasonably slow, may be timed individually at the Rules Committee’s discretion, regardless of whether their group is out of position.

APPLICATION OF WARNINGS, TIMING AND BAD TIMES

When the Rules Committee determines that a group is starting to fall behind, or is out of position, the group (or individual players within the group) will receive an official warning. Such warning will be given as soon as possible and given only once during a round. In some circumstances, the Rules Committee may commence timing without having given such a warning, including when a group has already fallen significantly behind, and the group or an individual is affecting other groups.

Once a group (or individual players within the group) has been warned, the Rules Committee (if available to do so) will monitor the pace of individual players in the group to determine if any players should be timed individually, as opposed to the entire group, in the case the group does not regain its position on the course.

When the Rules Committee determines that a group or an individual out of position will be timed, all players in the group, or the specific individual, will be informed they are being timed. Such timing could occur on any hole, including the finishing holes of a round.

WHEN THE TIME STARTS AND TIME ALLOWED FOR A STROKE

Other than on the putting green, the timing of a player's stroke will begin when it is their turn to play and they can play without interference or distraction. Players will be allowed a reasonable amount of time to find a fixed reference point (such as a sprinkler head) and pace back to their ball. Time spent calculating and interpreting that yardage and determining club and other conditions (such as wind), will count as time taken for the next stroke.

On the putting green, the timing of a player's stroke will begin when it is their turn to play and they can play without interference or distraction. Players will be given a reasonable amount of time to complete the actions allowed under Rules 13.1 and 15.1, provided the player is not unreasonably delaying play. Time spent assessing the line of play and other conditions (such as slope or grain), will count as time taken for the next stroke.

NOTE 1: A player is permitted 40 seconds to play a stroke, and an extra 10 seconds (for a total of 50 seconds) will be allowed for:

- a) the first player to play a stroke on a par-3 hole;
- b) the first player to play a second stroke on a par-4 or par-5 hole;
- c) the first player to play a third stroke on a par-5 hole;
- d) the first player to play around the putting green;
- e) the first player to play on the putting green.

NOTE 2: Bad Times apply when a player exceeds the applicable time to play a stroke when being timed. The player will be given a Bad Time and informed by the referee as soon as practical.

DEFINITION AND APPLICATION OF EXCESSIVE STROKE TIMES (EST)

Excessive Shot Times apply when a player exceeds:

- a) 120 seconds for the first player in a group to play a stroke;
- b) 100 seconds for subsequent players in the group to play a stroke.

If a player is observed by a referee to take more than 120 seconds to play a stroke when first to play, or 100 seconds to play a stroke for subsequent players without a valid reason, they will be given an Excessive Stroke Time. The player will be informed as soon as practical by the referee and may be timed individually, regardless of the groups position.

An Excessive Stroke Time must be observed by a referee on-course and in-person. However, the referee may choose to confirm the actual shot time with the assistance of video footage.

NOTE: All Excessive Stroke Times accumulated during the round or season are subject to monetary fines.

PENALTY STROKES DURING A TOURNAMENT – BAD TIMES

First Offense:

One (1) timing exceeding the applicable time to play a stroke (1 bad time) - no penalty.

Second Offense:

One more timing (total of two) exceeding the applicable time to play a stroke (2 bad times) - a one (1) stroke penalty.

Third Offense:

One more timing (total of three) exceeding the applicable time to play a stroke (3 bad times) - a two (2) stroke penalty.

Fourth Offense:

One more timing (total of four) exceeding the applicable time to play a stroke (4 bad times) - Disqualification.

NOTE: Any timing exceeding the applicable time to play a stroke (bad time) will be carried over throughout the tournament.

FINES CUMULATIVE DURING A SEASON – TIMINGS, BAD TIMES & EXCESSIVE SHOT TIMES

“Season” is defined as the all official FedExCup and FedExCup Fall tournaments combined. All Timings, Bad Times and Excessive Shot Times accumulate during the season.

a. TIMINGS

First through ninth (9th):

- First through ninth (9th) occasion of being timed - no fine.

Tenth (10th) Offense:

- Tenth (10th) occasion of being timed - a fine of \$50,000.

Eleventh (11th) and Subsequent Offenses:

- Eleventh (11th) and subsequent occasion of being timed - a fine of \$5,000 for each offense.

b. BAD TIMES

First Offense:

- First timing exceeding the applicable time to play a stroke (1 bad time) - no fine.

Second Offense:

- Second timing exceeding the applicable time to play a stroke (2 bad times) - a fine of \$10,000.

Third and Subsequent Offenses:

- Third and subsequent timings exceeding the applicable time to play a stroke (3 bad times) - a fine of \$20,000 for each offense.

c. EXCESSIVE SHOT TIMES (EST's)

First Offense:

- First timing exceeding the applicable 120 or 100 seconds to play a stroke (1 excessive shot time) – no penalty.

Second Offense:

- Second timing exceeding the applicable 120 or 100 seconds to play a stroke (2 excessive shot times) – a fine of \$5,000.

Third and Subsequent Offenses:

- Third and subsequent timings exceeding the applicable 120 or 100 seconds to play a stroke (3 or more excessive shot times) – a fine of \$10,000 for each offense.

NOTE 1: Timings, Bad Times and Excessive Shot Times which occur on the PGA TOUR, PGA TOUR Champions and Korn Ferry Tour will be counted together for the purposes of determining a player's cumulative season total. Fines will be pro-rated based on the number of occurrences on each respective tour.

NOTE 2: Timings, Bad Times and Excessive Shot Times which occur at co-sanctioned tournaments, Zurich Classic and non-Four-Ball rounds at official Pro-Am tournaments (e.g., Round 4 at The American Express and rounds 3 and 4 at the AT&T Pebble Beach Pro-Am), will count towards a player's cumulative season total.

NOTE 3: Timings, Bad Times and Excessive Shot Times which occur at Major Championships *will not* count towards a player's cumulative season total.

DEFINITION AND APPLICATION OF AVERAGE STROKE TIME (AST)

Average Stroke Time (AST) is a data driven statistic based on the recording of a player's individual stroke times and produced by ShotLink. At the conclusion of a tournament a player's average stroke time is compared against the field average.

- a) For a given tournament, if a player has an average stroke time of 7.0 seconds or more above the field average, they have recorded an Average Stroke Time (AST) infraction.
- b) For a given tournament, if a player has an average stroke time of 12.0 seconds or more above the field average, they have recorded an Excessive Average Stroke Time (EAST) infraction.

AST infractions (including those deemed excessive) are accumulated during the season before monetary fines are applied.

NOTE 1: The calculation of a player's average stroke time for a tournament is calculated as follows:

- a) Each individual stroke time is the amount of elapsed time from when the preceding player makes his stroke to the time the player makes his stroke.
- b) The following strokes are then removed from the calculation of the average:
 - All strokes played immediately after relief drops, penalty drops, and provisional balls played;
 - Each instance of the first player to play (e.g., first tee shot, first approach, first putt, etc.);

- All strokes that require large spans of time;
- For each individual player, the top 10% slowest shots recorded; and,
- If a competitor plays more than 9 holes in a group of 2 when groups of 3 have been scheduled, their stroke data for that specific round will not count towards their Tournament Stroke Average (AST).

NOTE 2: The following tournaments are not included in the season accumulation of AST infractions:

- a) Major Championships and Genesis Scottish Open (tournaments where ShotLink stroke data is not recorded);
- b) The American Express (one round of professional only play) and all tournaments with a team format, e.g., Zurich Classic, Presidents Cup.

NOTE 3: The accumulation of AST infractions will be updated on a weekly basis. The player data and fine structure will be reviewed by the Rules Committee and Policy Board on an annual basis.

FINES CUMULATIVE DURING A SEASON – AVERAGE STROKE TIME (AST) INFRACTIONS

A. Once a player has accumulated ten (10) Average Stroke Time (AST) infractions during a season, monetary fines will be instituted as follows:

- First through ninth (1st – 9th) AST infractions - no fine.
- Tenth (10th) AST infraction - \$50,000 fine.
- Eleventh through Fourteenth (11th – 14th) AST infractions - additional \$5,000 fine for each offense.
- Fifteenth (15th) and subsequent AST infractions - additional \$10,000 fine for each offense.

B. Once a player has accumulated three (3) Excessive Average Stroke Time (EAST) infractions during a season, monetary fines will be instituted as follows:

- 1st Excessive AST Infraction - no fine
- 2nd Excessive AST Infraction - no fine
- 3rd Excessive AST Infraction - a fine of \$5,000
- 4th and subsequent Excessive AST Infractions - a fine of \$10,000 each

NOTE: Average stroke time (AST) infractions on the PGA TOUR and Korn Ferry Tour will be counted together for the purposes of determining the cumulative number of AST infractions during a season. Fines will be pro-rated based on the number of occurrences on each respective tour.

NOTE: Fines received for an Excessive Average Stroke Time (EAST) will be deducted from any fines received for an Average Stroke Time (AST).

REPEAT OFFENSES

Any player that receives a fine under this pace of play policy for Timings, Bad Times, Excessive Shot Times or Average Stroke Times will be subject to double this existing fine structure the following season. For each consecutive season beyond one season in which the player is subject to fines

under the policy, the fine amount will continue to double from the previous season. (**NOTE:** Any player who receives a fine under this policy on the Korn Ferry Tour will not be subject to double the existing fine structure in their first year on the PGA TOUR.)

In addition, a player who exceeds ten (10) timings or average stroke time infractions in more than one season or has an Average Stroke Time that is consistently above TOUR average, and shows no improvement over the course of a season, may be subject to further sanctions under the Conduct Unbecoming a Professional regulation. This may include but is not limited to suspension and/or other measures designed to help the player improve his pace of play including mandatory education, additional fines, or other requirements.

APPEALS

Any appeal of a Bad Time or Excessive Shot Time must be referred to the on-site Chief Referee immediately upon completion of the player in question's round. The Chief Referee's decision shall be final. **If the player in question does not appeal immediately upon conclusion of his round, any penalties and fines shall stand.**

A player may not appeal any occasion of being Timed or any Average Stroke Time infraction.

For Excessive Shot Times a provision has been added to account for "a valid reason for taking longer" on an individual shot. This is purposely broad in order to account for the wide range of situations a player can encounter on the course and will be interpreted in a reasonable way by the Rules Committee.

DETERMINATION OF TIME ALLOTTED FOR PLAY FOR THE ROUND

The Rules Committee will determine the amount of time that an 'average group' of players is expected to play a round in groups of two, three or four. Each hole to be played will be assigned an amount of time using the below framework as a guiding principle:

	Groups of Two Players	Groups of Three Players	Groups of Four Players
Par 3 Holes	10 minutes	11 minutes	12 minutes
Par 4 Holes	12 minutes	14 minutes	16 minutes
Par 5 Holes	15 minutes	18 minutes	20 minutes

Additional, or less time, may be allotted to a given hole based on the following four factors:

1. Length of the hole
2. Difficulty of the hole
3. Length and topography of walk between the green and tee/shuttle time
4. Historical data of the average time taken to play the hole

Once the 'Time Chart' has been finalized (typically no later than Wednesday of tournament week), it will be displayed on the player and caddie notice boards, including the virtual locker room and available at the starting tees.

In the event of adverse or unexpected weather, the Rules Committee will make the necessary adjustments in the field.

RETURN OF SCORECARD

The following term of the competition defines when a scorecard is returned to the Committee, as referenced by item 19 "Scorecard Returned" on the 2025 Local Rules and Terms of Competition document (hard card).

"Under Rule 3.3b, a player must promptly proceed to the scoring area once their round is completed, and the player's scorecard is returned to the Committee 15 minutes after the scorecard is accepted into the electronic scoring system.

But if a scorecard mistake is discovered before it is accepted into the electronic scoring system and the player is not in the scoring area to correct that mistake, the player's scorecard is returned 15 minutes after that mistake is discovered.

Exception 1: If the player is in the scoring area when the 15-minute time limit expires, the player's scorecard is only returned when the player leaves the scoring area.

Exception 2: A player's scorecard is returned if any of the following four events occur, even if it occurs before the 15-minute time limit has expired or the player is still in the scoring area:

- Starting times have been released after a cut has been made
- The player begins their next round
- Any player has made a stroke to begin a play-off
- The competition has closed

NOTE: When applying the Exception to Rule 3.3b(3) or under any Rule where a player must correct a mistake before returning their scorecard (such as Rule 14.7c), the player's scorecard is returned when the player has left the scoring area."

POLICY FOR USE OF GOLF CARTS BY DISABLED INSTRUCTORS

PGA TOUR members have made requests that instructors with disabilities who are physically unable to walk the golf course be permitted to use golf carts while accompanying players during practice rounds.

While we will make every effort to accommodate disabled instructors who need golf carts, we remind the players that additional golf carts on site at tournaments create numerous logistical and safety concerns. As such, we have worked closely with television networks, local media, and the tournament organizations to reduce the overall number of carts.

Nonetheless, the following policy shall be applicable for members seeking to obtain the use of a golf cart for a disabled instructor.

- The request for the use of the cart must be made by the PGA TOUR member.
- In requesting the use of a cart for an instructor, the PGA TOUR member must indicate the name of the instructor, the nature of the instructor's disability, and if requested by PGA TOUR, provide medical reports or other data indicating the extent and nature of the instructor's disability.
- A request must be made for each individual tournament and must be made no later than 2 weeks prior to that tournament.
- The PGA TOUR Chief Referee after reviewing the request, documentation submitted with the request, and after further discussions with the member and/or the particular instructor, if necessary, will make a determination as to whether a cart should be issued to the instructor. Carts will be made available only to instructors who have a disability that prevents them from walking along with their players. The Chief Referee's decision shall be final.
- If a cart is issued to the instructor, the following rules relating to the use of the cart shall apply:
 - Carts will be issued only on designated practice rounds days (normally Monday, Tuesday and Wednesday) of tournament week.
 - Only the instructor (not the player) may ride in the cart.
 - Cart use shall be restricted to out-of-fairway areas as specifically designated by the Chief Referee.
 - Carts will not be permitted in designated practice areas (e.g., range, putting green, etc.) at any time.
 - If in the Chief Referee's opinion, use of the cart could potentially damage the playing surface of the golf course (e.g., due to wet conditions), the Tournament Director shall have the right to deny the use of a cart.
 - The cart shall be picked up from the location specified directed by the Chief Referee and returned to that location.

- No more than 3 carts may be utilized by instructors at any one time. To the extent that more than 3 carts are requested at any one time, the Chief Referee shall establish a schedule during practice rounds for the use of such carts.

We appreciate the membership's cooperation with these policies as we believe they strike the appropriate balance between the membership's need to accommodate their disabled instructors while, at the same time, not unfairly hindering practice rounds by other members or endangering the safety of spectators and others at tournament sites.

AUTOGRAPH POLICY

In an effort to provide a more orderly and controlled environment for fans seeking autographs, and at the same time allow players to avoid interruptions and distractions while preparing for and competing in tournaments, the PGA TOUR has established the following guidelines:

1. The autograph policy is in effect for official competitive rounds only. A player may not sign autographs after the start of his round until it is completed, except, at his option, during a suspension of play.
2. An autograph area may be designated by the host tournament, though its use by players is optional.
3. Tournaments are required to enhance the use of the autograph area with marshaling assistance and security for marquee players.

PRACTICE AREA POLICY

To provide contestants the ability to practice without distraction, the PGA TOUR Policy Board has adopted the following policy:

Only contestants, their caddies, instructors, managers, media, golf equipment manufacturers (when invited by contestants), tournament representatives and PGA TOUR staff are permitted onto any area designated for practice, (e.g., range, practice putting green, chipping or pitching greens, bunkers and the tournament golf course) during practice rounds.

The use of permanent markers, paint or other similar products to create lines on the practice putting and chipping greens is not permitted. If marks or lines are created on these surfaces, they must be done with a non-permanent material, such as a chalk line, which will not damage the turf and will disappear in a short period of time.

NOTE: Family members and friends are not permitted inside the ropes on the golf course at any time. Family members are permitted on the other designated practice areas when accompanied by the player. Players are expected to use good judgement and discretion when inviting family members onto designated practice areas. Players are responsible for their minor children and their conduct. Only one tournament representative is allowed access to designated practice areas at a time.

On pro-am days, practice by professionals and amateurs not in the pro-am or without a mandatory sponsor function in designated practice areas is prohibited from 30 minutes prior to the first pro-am starting time through the final pro-am starting time, for each segment/wave of tee times. Tournaments using the 9&9 pro-am format may amend this policy and practice restrictions will be posted in the locker room during tournament week.

On pro-am days at tournaments played from the start of each season until the Masters Tournament, professionals and amateurs not in the pro-am are permitted to practice chipping and putting on course prior to the first pro-am starting time. Full shots or bunker shots on course are not permitted. On pro-am days at tournaments played after the Masters Tournament until the conclusion of the FedExCup Playoffs, professionals and amateurs not in the pro-am are permitted to practice all shots on course prior to the first pro-am starting time. Any practice taking place prior to the pro-am must not interfere with the pace of play of the pro-am and players shall not endanger persons preparing the golf course for the pro-am.

On practice days, after 8:30 a.m. all play must begin from the first tee unless expressly approved by a member of the Rules Committee. This rule does not apply to tournaments using the 9&9 pro-am format.

INTERNET POLICY

The PGA TOUR creates a section within PGATOUR.COM with information about each member.

Each player's site consists of player photos, a biography consisting of data similar to the information found in the Media Guides, statistics, results from the current year's tournaments, a scorecard from the most recent tournament played, and related stories and content.

The PGA TOUR recognizes that in the age of the internet, PGA TOUR members may be launching or re-launching their own web sites to support their fans, their sponsors, and their personal business ventures.

At the written request of a PGA TOUR member, PGATOUR.COM will link to such player's "official player site" from that particular player's page on PGATOUR.COM so long as there is a reciprocal link back to PGATOUR.COM from the "official player site" home page.

Keep in mind that a PGA TOUR member's marketing rights have specific parameters regarding the use of the PGA TOUR name, marks, or logo. These parameters also apply to online usage.

In addition to linking capabilities and the use of TOUR marks, PGATOUR.COM will attempt to assist any member in his online ventures. Please contact the Player Relations Department or the PGA-TOUR.COM department (Scott Gutterman - x4892) with additional questions.

KORN FERRY TOUR EXEMPTION FOR FORMER FULLY EXEMPT PGA TOUR MEMBERS

In accordance with Article III, Section A 1(h) of the Korn Ferry Tour Regulations, players who were fully exempt PGA TOUR members for at least the preceding five consecutive seasons, or if such player is not fully exempt he must have played in at least 25 events on the PGA TOUR in the respective season, or become exempt during the season by winning a PGA TOUR cosponsored or approved event will be eligible for a Korn Ferry Tour exemption in one of the first two seasons after the player fails to retain fully exempt status on the PGA TOUR provided that he notifies the PGA TOUR no later than 10 days after the conclusion of the Korn Ferry Tour Qualifying Tournament for the year preceding the season in which he desires to use this exemption. (A player may not use a Special Medical Extension in accumulating his five season total unless, during the season, he achieves combined top 125 FedExCup points while playing under his Special Medical Extension. If a player receives a Special Medical Extension during this time, and does not achieve top 125 FedExCup points, such player would need to extend his exempt eligibility an additional season to qualify for this exemption.)

A player who is a Veteran Member of the PGA TOUR who fails to retain fully exempt status on the PGA TOUR but retains playing status in the 25 finishers beyond 125th place on the prior season's FedExCup Points List category shall be eligible for this exemption in the season immediately following failing to retain status in the 25 finishers beyond 125th place on the prior season's FedExCup Points List category; provided that he participated in less than five (5) events on the Korn Ferry Tour in any of these seasons.

Any eligible player may use this exemption only one time in his career.

For additional information, please contact PGA TOUR or Korn Ferry Tour Membership Services.

PGA TOUR POLICY FOR PAYMENT OF PRIZE MONEY TO PLAYERS WHO MAKE THE CUT BUT ARE UNABLE TO COMPLETE THE TOURNAMENT

Any professional who is disqualified or withdraws for any reason from an official money tournament after making the cut shall be paid last place, unofficial prize money as determined by the final cut the player made (i.e. the primary cut to the low 65 professionals plus ties after 36 holes). A professional who begins play at an official money event without a cut and is disqualified or withdraws for any reason shall be paid last place, unofficial money.

Any professional who has qualified for an official money event without a cut and an alternate list, such as The Sentry or FedExCup Playoff events, but is unable to play due to a serious personal emergency, injury or other disability which requires ongoing medical attention will receive last place, unofficial money without being required to register on-site. The Commissioner, in his discretion, may require a player to provide medical reports or other documentation substantiating the seriousness of his injury or other medical disability.

FedExCup points are distributed to players earning official money. Only players who are regular members of the PGA TOUR or become regular members during the season (as defined by PGA TOUR tournament regulations) will be listed on the "FedExCup Points List." Special Temporary Members and non-members who earn FedExCup points will not appear on the "FedExCup Points List," but will be tracked on a "Non-Member FedExCup Points List".

Points will be awarded at official money PGA TOUR FedExCup events, as defined by the PGA TOUR Tournament Regulations.

Points won by non-members and Special Temporary Members who subsequently become regular PGA TOUR Members during the season will be counted on the FedExCup Points List, along with any FedExCup Points earned as a Special Temporary Member or non-member (excluding those won at the ISCO Championship and Barracuda Championship).

MOBILE AND ELECTRONIC DEVICE POLICY FOR CONTESTANTS AND CADDIES (AND OTHERS WITH ACCESS TO PRACTICE AREAS)

On Practice Days

- Players may use a mobile device (cell phone, smart watch, etc.) in designated practice areas or on the competition course for all communication purposes, data services and capturing content, if done in a courteous or silent manner that does not affect other players. Devices should be kept on silent or vibrate mode.
- Players may use other electronic devices (rangefinders, launch monitors, video cameras for instruction, heart monitors, pedometers, electronic watches with health monitoring sensors and other wearables, etc.) in designated practice areas and on the competition course, but only with proper etiquette and in a manner that does not affect the practice rounds of other players.

During Pro-Ams

- During a pro-am round players are prohibited from using a mobile device for voice calls on the competition course. If a player needs to communicate by text or email outside the pro-am group, he must be brief and use good judgment with respect to his pro-am partners.
- In designated practice areas and on the competition course players may use a mobile device for other data services and capturing content, but only with proper etiquette and in a manner that does not distract or affect the pace of other pro-am players.
- In designated practice areas and on the competition course players may use other electronic devices, as defined above, but only with proper etiquette and in a manner that does not distract or affect the pace of other pro-am players.

During Official Competition

- During a competition round players are prohibited from using a mobile device for all communication purposes (voice calls, text, email, etc.), data services, or for capturing content.
- In designated practice areas, before or after a competition round, players may use a mobile device for communication purposes, data services and for capturing content if done in a courteous or silent manner that does not affect other players.
- In designated practice areas, before or after a competition round, players may use other electronic devices, as defined above, but only with proper etiquette and in a manner that does not affect other players.

- c) Accessing a weather forecast;
 - d) Accessing tournament scoring; and
 - e) Recording physiological information on monitors (including wearables) for use after the round
- However, when using a mobile or electronic device during competition, players and caddies are responsible to know items NOT allowed under the Rules of Golf, including but not limited to:
 - a) Listening to music or other audio to eliminate distractions;
 - b) Measuring wind speed or elevation changes;
 - c) Helping with swing tempo, or accessing any physiological information recorded during the round;

 - e) Distance measuring (under Model Local Rule G-5).

Penalty for first breach of Rule 4.3a is the general penalty, second breach is disqualification.

NOTES:

- a) The Rules Committee may authorize other mobile device use, but only in extreme cases; and
- b) The use of mobile devices by players for capturing and distributing social media content must comply with the PGA TOUR official policy for players posting/streaming to social media on site at tournaments.

GUIDELINES FOR PLAYERS' USE OF ELECTRONIC THERAPY DEVICES

The use of electronic stretching devices, such as massage therapy guns, for medical purposes is permitted under the Rules of Golf. However, the use should not delay play, be of short duration, be discreet and not be used for any other than medical or stretching purposes. The device may not provide any other function that is prohibited under the Rules.

GUIDELINES FOR PLAYERS' USE OF SOCIAL MEDIA AT EVENTS

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Official Policy for Players Posting/Streaming to Social Media On Site at Events. The full terms of the Policy may be found at pgatourlinks.com.

PLAYER ENDORSEMENT POLICY

All sponsorships, endorsements, name and likeness arrangements and promotional activities (collectively, "sponsorships") of members, whether during or outside PGA TOUR competitions, are subject to this policy. When playing in PGA TOUR co-sponsored, sanctioned or approved events, nonmember contestants are subject to this policy as well. Generally, all sponsorships must be tasteful and in accordance with standards of decorum expected of professional golfers. Sponsorships that may reflect adversely upon the image and reputation and/or financial interest of the PGA TOUR, cast the PGA TOUR in an unfavorable light, insult or offend the community or any group within the community or be viewed as hateful, abusive, obscene or divisive, as reasonably determined by the PGA TOUR, are prohibited. Additionally, a player may not display on the player's apparel, headwear, golf bag or golf equipment a display of a political message or endorsement of a political candidate. Further, the following addresses categories of special concern:

Season-Long Points Competition Sponsor FedEx. In recognition of the unique standing of FedEx as the sole sponsor of a season-long points competition on the PGA TOUR, so long as FedEx is the season-long sponsor of the PGA TOUR, no sponsorships are allowed by FedEx competitors United Parcel Services ("UPS") or DHL Express ("DHL") that involve displaying the name, logo or any product likeness of either company on a player's apparel, headwear, golf bag or golf equipment. Such provision shall apply during PGA TOUR co-sponsored, sponsored and sanctioned events to members only. Players with existing sponsorship agreements as of January 1, 2017 with either UPS or DHL will be allowed to continue or extend such relationship but may not expand upon the contractual branding or endorsement obligations in such relationships.

Competing Tours. In order to protect the financial interest of the membership as a whole, and so not as to allow others to freeride on the PGA TOUR's platform, no player may display on his person, bag, hat or otherwise the marks or indicia of an entity or brand that operates, sanctions, sponsors, funds and/or co-sanctions unauthorized tournaments or teams participating in unauthorized tournaments without prior written permission of the PGA TOUR.

Tobacco / Marijuana. No sponsorships of any sort are permitted by companies selling tobacco products (including, starting March 1, 2019, cigars and tobacco smoked in pipes), smokeless tobacco products (including e-cigarettes and vaping products) and marijuana products (recreational and medicinal). However, a player may make appearances for any such company as long as the appearances are private and not promoted or covered publicly. Players with existing sponsorships by companies selling cigars and tobacco smoked in pipes as of March 1, 2019 will be allowed to continue or extend such sponsorships after such date but may not expand such sponsorships after such date.

Alcohol. A player may have a sponsorship by a beer, wine, distilled spirit or other alcohol company, subject to the following terms and conditions:

- Any ads and other promotions (using a player's name or likeness) for any alcohol company must include a social responsibility message and cannot include a direct call to action (e.g. "Call 1-800-555-5555 or visit us at www.xyz.com" or "Drink XYZ Distilled Spirit").

- A player may not display more than one name, brand, logo or other mark or identifier of any alcohol company on the player's apparel, headwear, golf bag and golf equipment in the aggregate at any time.
- No visual representation of any alcohol product (e.g., liquor bottle, etc.) may appear on a player's headwear, apparel, golf bag or golf equipment.

Gambling. A player may have sponsorships by casinos, sports betting, daily fantasy and other legal gambling companies, subject to the following terms and conditions:

- All sponsorships by gambling companies require the prior approval of the PGA TOUR. All sponsorships must be submitted to the PGA TOUR Competitions department in advance for review and approval.
- The gambling company must be in compliance with all applicable gambling laws.
- A player may display on the player's apparel, headwear, golf bag or golf equipment any name, brand, logo or other identifier of a gambling company.
- No visual representation of any gambling-related product (e.g., cards or dice) may appear on a player's headwear, apparel, golf bag or golf equipment.
- A player may not display on the player's apparel, headwear, golf bag or golf equipment more than one gambling-related identifier in the aggregate at any time.
- A player may appear and otherwise be used in ads and other promotions for sports betting and daily fantasy generally, but not ads and promotions that promote betting on a specific player or making a specific bet. For example, a player could appear in an ad that says, "Download the DraftKings app and bet on PGA TOUR golf," but not, "Bet on me this week." Further, each ad or promotion requires the prior approval of the PGA TOUR and must be submitted to the PGA TOUR Competitions department in advance for review and approval. Each ad or promotion must include a responsible gambling or social responsibility message (e.g., "Please remember to bet responsibly").
- A player may not enter into any sponsorship or other agreement that provides compensation to the player based on any sports betting activity (e.g., a player may not receive a revenue share based on the "handle" or revenues from sports betting).

Logo / Mark Size, Location and Quantity. All names, brands, logos and other marks and identifiers ("marks") on a player's apparel, headwear, golf bag and golf equipment must be in good taste as to content, size, location and quantity, as reasonably determined by the PGA TOUR. Further, all marks must satisfy the following specific terms and conditions:

- A mark (other than a mark on a golf bag) may not exceed three by five inches (3"x5").
- Marks on upper torso apparel (including shirts, sweaters, outerwear and upper torso underwear, but excluding, for clarity, belts and headwear) may appear only at the following seven locations: right and left breast, right and left sleeve, right and left collar, and the yoke of the

back (i.e., just below the collar). Only one mark may appear at each such location (i.e., seven logos total are permitted for upper torso apparel).

- Marks on belts may appear only on the buckle or front buckle area. Only one mark may appear on a belt.
- Marks on lower torso apparel (including pants and outerwear, but excluding, for clarity, belts and footwear) may appear only at the following locations: the right or left back pocket area (but not both back pocket areas) and below the right or left knee (but not below both knees). Only one mark may appear at each such location (i.e., two logos total are permitted for lower torso apparel).
- The location of marks is otherwise not restricted, but all marks must satisfy the good taste requirement set forth above.

Golf Outings. Golf outings for all companies are subject to the conflicting events terms set forth in Section A-2 of Article V. Guidelines for Payments to Players

Any payments, other than official prize money and prize money paid for official tournament programs, made

by: a host organization, title or presenting sponsor, or any person or entity acting on their behalf (collectively, "Tournament Sponsors")

to: a player eligible to participate in the applicable tournament

for: any event or activity conducted from Monday of tournament week through the day following the conclusion of the competition (the "Tournament Period"), or in general proximity to the Tournament Period

must be approved in writing by PGA TOUR no less than 45 days in advance of the applicable event.

TOUR will not approve payments it deems to (i) be designed to solicit a player's appearance in the tournament or (ii) give the appearance or perception that it is designed to solicit a player's appearance in the tournament.

Tournament Sponsors will be required to inform TOUR of all such player arrangements and all specifics of such arrangements, including player compensation, and will provide TOUR a copy of all applicable contracts.

Players not following these guidelines or accepting (directly or through an agent) payments from a Tournament Sponsor not in accordance with these guidelines, will be subject to disciplinary action, which could include a minimum fine equal to the amount of compensation received and suspension from tournament play.

These guidelines are issued as an interpretation of the Tournament Regulations relating to appearance fees and, as such, all Tournament Sponsors will be required to adhere to the guidelines as they would Tournament Regulations in accordance with their Tournament Agreement and/or Title Sponsor Agreement.

PLAYER EQUITY PROGRAM

The PGA TOUR Enterprises Board has approved the recurring grants of Restricted Units through the Player Equity Program to reward top performing members and incentivize them to support and build PGA TOUR Enterprises in the future. An insurance of \$100 million each year, starting with the 2025 PGA TOUR season and continuing through the 2030 PGA TOUR season (at a minimum) is planned. All PGA TOUR members are eligible to be considered to receive recurring grants.

Recurring grants will be awarded to members who rank Top-10 in each of the following three components:

1. Career points accumulated over the prior 3 seasons
2. Career points accumulated over the current season
3. Player Impact Program ranking in the last year

To determine the number of Restricted Units awarded to each qualified member, the three components will be weighted and combined as previously authorized by the Board.

Like the initial grants, the recurring grants can only be accepted by Accredited Investors. Questions regarding the Player Equity Program should be directed to PEP@pgatourhq.com.

2025 FEDEXCUP POINTS AND BONUS STRUCTURE

The FedExCup Points System shall be set forth annually by the PGA TOUR Policy Board.

FEDEXCUP POINTS STRUCTURE

Basic Outline

The FedExCup is a season-long competition in which players accumulate points in each eligible FedExCup Points Event. At the end of the season, the winning player will be crowned the “PGA TOUR FedExCup Champion”.

Season

The PGA TOUR’s 2025 FedExCup competition runs from the 2025 The Sentry through the 2025 Wyndham Championship in Greensboro and concludes with the 2025 FedExCup Playoffs, which will consist of the FedEx St. Jude Championship, BMW Championship and TOUR Championship.

FedExCup Points Distribution

- Official PGA TOUR events each award 500 FedExCup points to first place.
- THE PLAYERS Championship, The Masters Tournament, PGA Championship, U.S. Open Championship and The Open Championship will award 750 FedExCup points to first place.
- Each of the Signature Events will award 700 FedExCup points to first place.
- Additional events played during the FedExCup competition (those played the same week as a Major, Signature Event or full FedExCup event) will award 300 FedExCup points to first place.

FedExCup Points are awarded by finish position as defined in the point distribution tables. Limited field events during the FedExCup competition will not redistribute the points for places that do not play. For example, if the 2025 The Sentry has a field of 60 players, the points awarded will be based on the points that would be awarded to each individual position in a full-field event from positions 1 to 60. This will result in the points that would have otherwise been awarded from positions 60–65 in an event not being awarded in the tournament.

Point Distribution by Finish Position

The table below shows the rounded number of points awarded to each position in each of the four main types of FedExCup events.

FEDEXCUP PLAYOFFS POINTS DISTRIBUTION FIRST TWO EVENTS

The top 70 players from the FedExCup competition, after the Wyndham Championship, will be eligible to play in the first playoff event. In the event that one of those players is unable or chooses not to play, the field will be shortened and no alternates will be added.

FedEx St. Jude Championship opens the FedExCup Playoffs with 70 players and ties, followed by the BMW Championship with 50 players and ties.

The top 30 players and ties earning points through the BMW Championship will be eligible to play in the TOUR Championship. In the event any of the 30 eligible players is unable or chooses not to play in the TOUR Championship, alternates will not be added to fill the field.

TOUR Championship Starting FedExCup Strokes

At the conclusion of the BMW Championship, the top 30 players and ties in the FedExCup Points standings will be eligible for the TOUR Championship and will be awarded starting strokes for Round 1 based on their position. The starting strokes awarded at the TOUR Championship are shown in the table below. The TOUR Championship will be played as a 72-hole stroke play event from the starting stroke positions. The player with the lowest stroke total including starting strokes in the TOUR Championship will be named winner of the FedExCup and will be awarded an official PGA TOUR victory.

In the event there are tied players at any position going into the TOUR Championship, tied players will be awarded the same number of starting strokes for Round 1. For example, if two players are tied for second position in the points standings going into the TOUR Championship, both players would receive – 8 starting strokes and the player in fourth position would receive – 6 starting strokes. – 7 starting strokes would not be awarded. Any professionals that are qualified for the TOUR Championship but are unable to participate will not be awarded starting strokes for Round 1 and starting stroke positions for the remaining players will not be reallocated. For example, if the player in position two is unable to participate, – 8 starting strokes would not be awarded, and the player in third position would be awarded – 7 starting strokes.

In the event of a tie for first place following the TOUR Championship, the FedExCup winner will be decided in a sudden-death playoff immediately following completion of competition. The sudden-death playoff will follow the same format that would be used in the event of a tie for first place at a PGA TOUR cosponsored stroke play tournament.

In the event of a tie for positions below first place following the TOUR Championship, the FedExCup bonus distribution will be allocated using the same method currently used to distribute prize money when there is a tie. That is, the total money for each tying position will be averaged and that average will be distributed to each player in the tying position.

Any professional that is qualified for the TOUR Championship but unable to participate and/or any professional who is disqualified or withdraws for any reason will finish in last position for the TOUR Championship.

Other Notes

FedExCup points are distributed to players earning official money. Only players who are Regular Members of the PGA TOUR or become Regular Members during the season (as defined by PGA TOUR tournament regulations) will be listed on the "FedExCup Points List." Special Temporary Members and Non-Members who earn FedExCup points will not appear on the "FedExCup Points List," but will be tracked on a Non-Member FedExCup Points List. Amateurs will not be eligible to earn FedExCup points. For example, if an amateur finishes 3rd at an event and a regular PGA TOUR member finishes 4th, the PGA TOUR member will receive 4th place points – third place points will not be awarded at all.

Points will be awarded at official PGA TOUR FedExCup events where official money is earned. Please refer to Article IV, Section A.6 of the PGA TOUR Tournament Regulations for the definition of Official Money. For purposes of the PGA TOUR Tournament Regulations, the TOUR Championship will be considered an official money event even though prize money is not distributed. FedExCup bonus money will be deemed not to be official money and will not be included on the Official PGA TOUR Money List.

Points won by Non-Members and Special Temporary Members who subsequently become Regular PGA TOUR Members during the season will be counted on the FedExCup Points List, along with any

FedExCup Points earned as a Non-Member (excluding those won at the ISCO Championship and the Barracuda Championship as a Special Temporary Member or Non-Member).

All FedExCup point totals will be calculated and rounded to three decimals. As noted earlier, in the event that there is a tie to three decimal places, at one of the progressive cut levels during the FedExCup Playoffs, the tied players will be added to the field.

SPECIAL AWARDS

PGA TOUR PLAYER OF THE YEAR/JACK NICKLAUS AWARD

The Player Advisory Council and the Player Directors annually nominate a list of players for the PGA TOUR Player of the Year. PGA TOUR members who have played in at least 15 official money tournaments during the season vote on this award. The player who receives the most votes will receive the Jack Nicklaus Award as the PGA TOUR Player of the Year.

PGA TOUR ROOKIE OF THE YEAR/ARNOLD PALMER AWARD

The Player Advisory Council and the Player Directors nominate annually a list of first-season PGA TOUR members for the PGA TOUR Rookie of the Year. A player's rookie season ("Rookie Year") is defined as the season in which he becomes a PGA TOUR member (including Special Temporary Members) and plays in 10 or more events as a member or finishes in the Top 125 on the Official FedExCup Points List or qualifies as a Top 125 Non-member, whichever occurs first.

Further, for purposes of this definition, a new member (including Special Temporary Members) shall not be eligible to be a rookie if he has previously played in more than seven (7) Official PGA TOUR Money events as a professional in any prior season.

PGA TOUR members who have played in at least 15 official money tournaments vote on this award. The Ryder Cup, Presidents Cup and Olympic Games count as one of the 15.

PGA TOUR COURAGE AWARD

Presented to an individual who, through courage and perseverance, has overcome extraordinary adversity (such as personal tragedy or a debilitating injury or illness) to make a significant and meaningful contribution to the game of golf. The recipient of the Award will be selected by the Commissioner and the Player Directors. In their discretion, the Commissioner and the Player Directors may determine that circumstances do not warrant the selection of an award recipient in a given year.

BYRON NELSON AWARD

The player having the lowest adjusted scoring average will be awarded the Byron Nelson Award (minimum of 35 rounds required).

VARDON TROPHY

The Vardon Trophy is awarded annually to the touring professional with the lowest adjusted scoring average. It is based on a minimum of 60 official rounds in events cosponsored or approved by the PGA TOUR, with no incomplete rounds (i.e., stipulated rounds as defined by the Rules of Golf, as approved by the USGA and the Royal & Ancient Golf Club of St. Andrews, Scotland). The adjusted score is computed from the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament, while the field average is 73. His 280 total would then be adjusted to 268,

since he actually played 12 shots better than the field did at the tournament. Any player with an incomplete round is ineligible to win the Vardon Trophy.

PGA TOUR LIFETIME ACHIEVEMENT AWARD

This award is given to recognize individuals who have made outstanding contributions to the PGA TOUR over an extended period, through their performance on the golf course as well as by their actions off the golf course in serving as ambassadors of the game. The PGA TOUR Policy Board will select the person who receives this award.

PAYNE STEWART AWARD

This award will be presented annually to a PGA TOUR player who shares:

- Payne Stewart's respect for the traditions of the game
- His commitment to uphold the game's heritage of charitable support
- His professional and meticulous presentation of himself and the integrity of the sport.

Award nominees and the winner will be selected by the Commissioner's Office, in consultation with a panel composed of the current chairman of the Player Advisory Council, one of the TOUR's independent directors, the president of the USGA, the president of the PGA of America, the current President of the PGA TOUR Tournaments Association and past winners of the Payne Stewart Award.

- (2) A member meeting the criteria set forth in Section A-1e(1) of this Article III shall be permitted to play in PGA TOUR tournaments as set forth below, provided that such member notifies the Commissioner in writing that he desires to take advantage of the Major Medical/Family Crisis/ Mandatory Obligation Extension no later than 30 days following the occurrence of the Extension Event which forms the basis of the request for the Major Medical/Family Crisis/ Mandatory Obligation Extension.

(In the event of a player receiving Mandatory Obligation Extension during a multi-year exemption, the player would receive the total number of events available to him during his final year of eligibility.)

- (b) A player who qualifies for a Major Medical/Family Crisis/ Mandatory Obligation Extension and during the season in which the Extension Event occurred was in the 25 finishers beyond 125th place on the FedExCup Points List category shall be entitled to play in the number of PGA TOUR cosponsored or approved tournaments (the "Available Tournaments") that equal the average number played by the 25 finishers beyond 125th place category during the previous season; minus the number of PGA TOUR cosponsored or approved tournaments in which such member played in the season the Extension Event occurred (the "Tournaments Played"); provided, however, that the number of Available Tournaments shall not exceed the number of official money tournaments for which such member is eligible remaining in the current season after the date of the Extension Event.

- (3) A member shall be entitled to use a Major Medical/Family Crisis/ Mandatory Obligation Extension only once in his career for the same Extension Event.
- (4) A member shall not be entitled to a Major Medical/Family Crisis/ Mandatory Obligation Extension if one or more full seasons shall have passed between the time of the Extension Event and the time such member again is able to resume play, unless, in the case of severe injury to a member or a severe family crisis, the Commissioner, in the exercise of his discretion, determines to permit a member to have additional time not to exceed three seasons. If in the discretion of the Commissioner and after review of medical reports and examinations, it is determined that extreme circumstances exist, an extension beyond three seasons may be granted.

Furthermore, if during the season in which a member is playing under a Major Medical/Family Crisis/ Mandatory Obligation Extension such member determines that additional time is necessary and the Commissioner, in the exercise of his discretion, determines to permit a member to have additional time, such member would be entitled to play in PGA TOUR events under his Major Medical/Family Crisis/ Mandatory Obligation Extension in the subsequent season; provided that, in no case shall the total number of events to which such member is entitled access in the subsequent season exceed such member's Available Events in the season in which the Commissioner grants the additional time less the number of events actually played by such member during such season. Additional time will not be extended beyond the subsequent season. However, if the member playing under a Major Medical/Family Crisis/ Mandatory Obligation Extension sustains a separate Extension Event deemed to be sufficiently serious to prevent the member from competing on a regular basis in PGA TOUR tournaments for a minimum of four months, additional time may be extended for a maximum of one season.

NOTE: For the purposes of medical extension carry-over, the 2019-2020 and 2020-2021 seasons are considered one season.

- Players within the top 20 positions on the current FedExCup Points List, starting with the event following the Masters.
- Players (including nonmembers) within the top 20 positions on the current Official World Golf Ranking.

- Tournament winners whose victories were considered official that no longer qualify for grouping category 1 and who played in 5 or more PGA TOUR cosponsored or approved events or 10 or more combined PGA TOUR, PGA TOUR Champions and Korn Ferry Tour

cosponsored events in the current or prior season (qualifying rounds do not constitute “play” in such tournaments for purposes of this section).

- Former winners of THE PLAYERS Championship, Masters Tournament, U.S. Open, The Open Championship and PGA Championship who no longer qualify for grouping category 1.

Category 2:

- PGA TOUR members eligible to participate in tournaments to the extent provided in Sections A-1c (Top 125 FedExCup), and A-1d (Top 125-Nonmembers) of Article III .
- Players with 50 or more career cuts made in official money PGA TOUR cosponsored or approved tournaments and who played in 5 or more PGA TOUR cosponsored or approved events or 10 or more combined PGA TOUR, PGA TOUR Champions and Korn Ferry Tour cosponsored events in the current or prior season (qualifying rounds do not constitute “play” in such tournaments for purposes of this section).
- Players (including nonmembers) within the top 21–50 positions on the current Official World Golf Ranking.

Category 3:

- All others.

NOTE: PGA TOUR members eligible to participate in tournaments to the extent provided in Section A-1e of Article III, (Major Medical Extension) shall retain the grouping category they were assigned when they were injured.

During the draw when the number of players in a grouping category is not sufficient the necessary number of players will move up as follows:

Category 1A to category 1:

- In order on the previous season’s FedExCup Fall Playoffs & Eligibility Points List.

Category 3 to category 2:

- The leading player to earn a PGA TOUR card from the previous season’s Race to Dubai

During the season, players in category 3 will be eligible to move to category 2 as follows:

or exceed 100th place on the FedExCup Playoffs & Eligibility Points List through the U.S. Open.

- Players within the top 125 on the current season's FedExCup Playoffs & Eligibility Points List through the Wyndham Championship, and Special Temporary Members whose official points equal or exceed 125th place on the FedExCup Playoffs & Eligibility Points List through the Wyndham Championship.

4. Starting Times

Starting times for the first and second rounds shall be assigned by draw, and shall be fixed for the rounds after a reduction of field on the basis of current standings at the conclusion of the preceding rounds, consistent with weather conditions and available daylight hours, with the highest scorers starting first and the lowest scorers starting last. However, in unusual circumstances, the Chief Referee in his discretion may change this sequence. All starting times shall be fixed under the supervision of the Chief Referee.

5. Reduction of Fields (Cuts)

Unless otherwise provided in the tournament agreement or unless otherwise determined by the Chief Referee in his discretion (e.g., due to weather), the starting field shall be reduced to the 65 players (including amateurs) having the lowest scores at the conclusion of 36 holes of tournament play, including any players tied for 65th place.

In the event of a postponement or cancellation of any of the first three rounds, the Chief Referee in his discretion may schedule the final 36 holes to be played in one day. If he schedules the final 36 holes in one day, he will reduce (cut) the field to the score which has the closest number of players (including amateurs) to the 60th position. Should there be an equal number at different scores at equal intervals above and below 60th position, the higher score shall be used. In the event of any such reduction (cut), professionals eliminated who otherwise would have played in the final 36 holes shall receive their appropriate share of the prize money in accordance with their respective positions.

Once a reduction of field has been made after 36 or 54 holes and the next round groupings have been approved by the Rules Committee, no withdrawal or disqualification will affect the calculation of the cut line.

6. Substitutions and Alternates

After the commitment deadline but before 12 noon (local time at the tournament site) on the third day preceding the first scheduled day of official tournament competition (usually Monday), any player who withdraws or is elevated to a higher eligibility category (i.e. Top 10, becomes part of the eligible field, etc.) will be replaced by the highest ranking alternate on the applicable alternate list. At and after 12 noon (local time at the tournament site) on the third day preceding the first scheduled day of official tournament competition (usually Monday), any player who withdraws or is disqualified prior to starting will be replaced by the highest ranking alternate on the PGA TOUR alternate list, except that in a tournament awarding official money a player who withdraws and is one of the four sponsor exemptions not pursuant to Section A1a(12)(a) and (b) of Article III may be replaced, at the discretion of the sponsor, by

another sponsor exemption, provided that the player either committed to the tournament in advance of the commitment deadline, is a member who failed to commit to the tournament by the commitment deadline and who would not have been part of the eligible field at such deadline, is a nonmember, or is a member of the PGA TOUR Champions who would normally not have committed to that particular PGA TOUR (Regular TOUR) tournament. Additionally, the Aon Next 10 and Aon Swing 5 categories, should an eligible player not commit, the next available player will become eligible up until the final commitment deadline on Monday. Likewise, in an official money event without an alternate list, any sponsor exemption who withdraws or is disqualified prior to starting may be replaced, at the discretion of the sponsor, by another sponsor exemption under the same commitment regulations. Furthermore, in a tournament awarding unofficial money, any player who withdraws and is an “unrestricted” sponsor exemption may be replaced at the discretion of the sponsor, regardless of his commitment status.

NOTE: When the previous week’s tournament concludes on Monday, the deadline above shall be extended to 12:00 noon on the second day preceding the first scheduled round of official tournament competition (usually Tuesday).

NOTE: When the tournament begins on a Wednesday instead of Thursday (i.e. Farmers Insurance Open), the deadline above shall be extended to 12:00 noon on the second day preceding the first scheduled round of official tournament competition (Monday).

NOTE: Concurrently with a withdrawal, the highest ranking alternate from the applicable alternate list automatically becomes a contestant in the tournament and is subject to the same rules, regulations and guidelines as other contestants in the tournament field, including the obligation to begin play at an assigned starting time.

NOTE: It is an alternate’s responsibility to know his position on the PGA TOUR alternate list. It is the responsibility of the contestant or an alternate when he becomes a contestant to know his starting time. An alternate who is not available to replace the withdrawal is disqualified from that tournament.

7. Professional-Amateur Competitions/Tournament Sponsor Functions

Unless other wise provided in the tournament agreement, the host organization of any cosponsored or coordinated tournament may sponsor and conduct a professional-amateur competition (a “pro-am”) in conjunction with the tournament, normally to be played on the day immediately preceding the tournament. The pro-am shall be played in groups no larger than five, and each group must include at least one professional.

A tournament hosting a pro-am with four amateurs may request to utilize an alternate format whereby one professional plays the first nine holes and a second professional plays the second nine holes (9&9 format). Professionals will have the option to request 18 holes (up until the commitment deadline) until all the first nine-hole positions are filled.

UNSANCTIONED PRO-AMS: The tournament also may request an unsanctioned pro-am be played on the tournament course on the 1st day of tournament week (typically Monday). Schedules and formats for play of such pro-ams shall be subject to the written approval of the Commissioner or his designee no less than 45 days prior to the date, and PGA TOUR shall

have no obligation with regard to providing professionals for such pro-ams. A maximum of 30 teams will be permitted for such pro-ams.

Amateur players shall be selected or approved by the tournament. Amateurs shall have up-to-date handicaps computed under the USGA handicap system. They shall use their full handicaps or 21 strokes, whichever is lower, except that a plus handicap shall be changed to zero. An amateur contestant in a PGA TOUR event, playing in the Pro-Am as an amateur, may play from the professional teeing ground.

CELEBRITY AND PROFESSIONAL PRO-AM PARTICIPANTS: At the option of the tournament, a second celebrity professional may occupy a spot normally held by an amateur with such second celebrity professional to play in the Pro-Am with his full handicap; provided, however, at least one amateur must be on each team. Host Organization agrees that any celebrity golf professional who competes in a PGA TOUR, PGA TOUR Champions or Korn Ferry Tour official event as a professional shall be unable to participate in a Pro-Am event as an amateur for a period of one year from the player's participation in the cosponsored TOUR official event. Such a professional player shall, however, remain eligible to participate as the professional in a Pro-Am group, if he is also a participant in the professional Competition. PGA of America Members may play from the same teeing ground as amateurs, however, their handicaps would be 0 and their scores cannot be counted in the Pro-Am team score.

WOMEN AMATEUR PLAYERS: Women amateur players will play from the forward teeing grounds, except where the Chief Referee determines the use of such teeing grounds will be inadvisable (e.g., due to roping problems). In the rare instance where forward teeing grounds are not used, women amateur players shall have 6 strokes added to their handicap (with a maximum of 27 strokes), and shall play from the same teeing grounds as used by the men amateurs.

PLACEMENT OF AMATEUR PLAYERS: The draw will be blind, except that (i) the host organization may assign not more than one "celebrity" to a team, in which case the other amateurs in that team shall be drawn from the other handicap classes, and (ii) PGA TOUR may authorize in writing exceptions for a pro-am with only one amateur on each team.

CONDITION OF ENTRY FOR PROFESSIONAL PARTICIPANTS/EXCUSED WITHDRAWALS: A commitment to enter a tournament is also a commitment to play in a related pro-am at the tournament course or participate in a tournament sponsor function. The failure of a professional player to participate in a pro-am or tournament sponsor function after a commitment by such player to do so shall cause him to become ineligible for the tournament, unless the player is excused from the pro-am by the Commissioner or his designee or the on-site Chief Referee after registering on-site and presenting evidence of an injury or other disability which requires medical attention. Further, at the discretion of the Commissioner or his designee, a player may be excused from the pro-am or tournament sponsor function due to a serious personal emergency, such as the funeral or serious illness of a family member or close personal friend, or other extenuating circumstances. In determining whether a player is excused due to extenuating circumstances, the Commissioner or his designee will consider all factors, including the player's level of effort to satisfy his pro-am obligation. In the case of a player being excused due to a serious personal emergency or other extenuating circumstance such member may be excused without having registered on-site. Further, upon being excused from the pro-am or tournament sponsor function, the player is not permitted to practice at the tournament

site the day of the pro-am. A player who is excused from the pro-am or tournament sponsor function for any reason will be required to perform a substitute tournament function and may be subject to disciplinary action for unbecoming conduct depending on the circumstances of his excused absence.

PLAYERS WHO ARE LATE FOR TIME OF STARTING: A player who is late for his pro-am starting time may be required to complete play with his group if practical and perform an additional tournament sponsor function. In addition, the player may be subject to disciplinary action for conduct unbecoming a professional golfer, which could include a fine or suspension from tournament play. Repeated refusal by a professional player to participate in pro-ams or tournament sponsor functions shall be considered conduct unbecoming of a professional golfer subject to disciplinary action by PGA TOUR.

ELIGIBILITY/SPONSOR PICKS: Each professional player in any pro-am shall have executed the official entry form for the host organization's tournament. At least 80 percent of the professional players shall be PGA TOUR members chosen from the previous season's FedExCup Fall Points List to a floor of 125 (FedExCup playoff events shall use the current FedExCup Points List through the previous week), and will be eligible in the order of their standings on such list. The host organization shall have the right to choose the remaining professional players, including any spots remaining from the 80 percent above that were below 125 on the previous season's FedExCup Fall Points List without regard to the previous season's FedExCup Fall Points List/current FedExCup Points List. Tournaments utilizing the "9&9" format shall have at least 90 percent of the professional tee times chosen from the previous season's FedExCup Fall Points List to a floor of 150 and, thereafter, chosen from the current season's FedExCup points list as of two weeks prior to tournament week, and will be eligible in the order of their standings on such list. The host organization shall have the right to choose the remaining professional players.

ASSIGNMENT OF PLAYERS: Players will be eligible in order of their standings on such lists until the first nine-hole positions are filled, thereafter, professionals will be assigned by taking the first player assigned to the second nine holes and pairing them with the highest ranked player assigned to the first nine holes (i.e. #1 and #48 together, #2 and #49 together, etc.). When Hall of Fame eligible members and Life Members, who are currently active players, are in the Pro-Am as a result of their positions on the previous or current season's FedExCup Points List or being a sponsor selection, they will be assigned their preference first, in order of the previous season's FedExCup Points List. Following the assignment of Hall of Fame eligible members and Life Members, the host organization, upon mutual agreement by the player, may assign the Defending Champion a Pro-Am time prior to assigning other players to the pro-am as detailed above. A player may not decline a sponsor's exemption to play in the pro-am.

SPONSOR VALUE SELECTIONS: A maximum of 16 players shall perform a mandatory tournament sponsor function. The list will be determined by the next 8 highest ranked players in the field, as determined by their positions on the previous season's FedExCup Fall Points List/current FedExCup Points List. Additionally, the host organization may have the option to select up to eight (8) player exemptions to participate in a mandatory tournament sponsor function. Players eligible to be selected are those outside the pro-am and alternate lists. A player may not decline the sponsor's selection to participate, however, a player can only be selected a maximum of five (5) times. If the host organization chooses not to select such players, the next eight (8) players in order of previous season's FedExCup Fall Points List/current FedExCup

Points List, will be added to the list. Consistent with the mandatory tournament sponsor function program, if a sponsor's selection withdraws after assignments are made, they will not be replaced. The host organization shall notify the PGA TOUR of the planned tournament sponsor functions, which shall be subject to the approval of the PGA TOUR. The PGA TOUR shall assign sponsor's exemptions to these functions first followed by the remainder of the list in order at their discretion.

PRO-AM ALTERNATES/REPLACEMENT POLICY: Pro-am alternates are PGA TOUR members entered in the tournament who are not among those assigned a starting time in the Pro-Am, and are listed in order of their position on the previous season's FedExCup Fall Points List/current FedExCup Points List, (4 for FedExCup playoff events, 6 Signature events and The ZOZO Championship; 16 for the 9&9 format; 12 for 9&9 format at tournaments with a field of 120 or less and at multi-course Pro-Ams, and 10 for all others) preceding the 20 total players who must perform a mandatory tournament sponsor function. A professional who withdraws or is excused from the pro-am prior to 12 noon (local time at the tournament site) the day preceding the pro-am shall be replaced by the highest ranked pro-am alternate, except that a professional who is in the pro-am as a sponsor's exemption may be replaced by another sponsor's exemption. If the host organization elects not to choose another professional, the highest ranked pro-am alternate shall replace the withdrawal.

A professional, including sponsor's exemptions for the pro-am, who withdraws or is excused from the pro-am after 12 noon (local time at the tournament site) the day preceding the pro-am shall be replaced by the highest ranked alternate from the applicable morning or afternoon pro-am alternate list. For the purpose of replacing a professional withdrawing after 12 noon (local time at the tournament site) the day preceding the pro-am, the first six applicable pro-am alternates (12 for the 9&9 format) as of 12 noon (local time at the tournament site) the day preceding the pro-am shall be designated for replacement of late pro-am withdrawals. Pro-am alternates one, three and five (one, three, five, seven, nine and 11 for the 9&9 format; at multi-course pro-ams, alternates one, three, five at host course and two, four, six at secondary course) shall be designated for the morning and shall be available to play should a player with a morning pro-am starting time withdraw. The designated morning pro-am alternate's responsibility concludes when all players in the morning have started play. Pro-am alternates two, four and six (two, four, six, eight, ten and 12 for the 9&9 format; at multi-course pro-ams alternates seven, nine, 11 at host course and eight, ten and 12 at secondary course) shall be designated for the afternoon and shall be available to play should a player with an afternoon pro-am starting time withdraw. The designated afternoon pro-am alternate's responsibility concludes when all players in the afternoon have started play. Should any of these six/12 designated pro-am alternates be unable to replace the applicable withdrawal, he shall become ineligible for the tournament, unless the player has registered on-site and is excused from the Pro-am by the Commissioner, his designee or the PGA TOUR Chief Referee after presenting evidence of an injury or other disability which requires medical attention. Further, at the discretion of the Office of the Commissioner, a player may be excused from the pro-am or tournament sponsor function due to a serious personal emergency, such as the funeral or serious illness of a family member or close personal friend. In the case of emergency, such member may be excused without having registered on site. Further, upon being excused from the pro-am or tournament sponsor function, the player is not permitted to practice at the tournament site the day of the pro-am. It is the players' responsibility to know his position on the pro-am alternate list as of 12 noon (local time at the tournament site) the day preceding the Pro-am.

If a pro-am afternoon starting time withdrawal occurs and the next applicable pro-am alternate is a morning designated player, that player shall have the option to replace the afternoon pro-am withdrawal, provided he has informed the Rules Committee of his desire to play by 12 noon (local time at the tournament site) the day preceding the pro-am.

Pro-am alternates seven and below (13 and below for the 9&9 format), as of 12 noon (local time at the tournament site) the day preceding the pro-am, will not become ineligible for the tournament if unable to replace the applicable pro-am withdrawal.

PRO-AM SHIFT/OPT OUTS: The tournament host organization, subject to mutual agreement of the player, may shift up to five players from the pro-am into an alternative sponsor function, subject to the review and approval of the PGA TOUR.

Similarly, the top 30 players on the previous season's FedExCup Points List and Life Members, subject to mutual agreement of the host organization as well as review and approval of the PGA TOUR, may elect to perform an alternative sponsor function in lieu of playing in the official pro-am up to two times per year (except for Life Members who have no limitation), provided the player submits his request no less than 30 days in advance of the tournament. No more than three players may make such an election for any one tournament, with priority assigned first to Life Members and then in order of their position on the previous season's FedExCup Points List. At the discretion of the Commissioner or his designee, the number of top 30 players or Life Members choosing to perform an alternative sponsor function at a particular tournament in lieu of playing in the official pro-am may be extended beyond three players.

Notwithstanding any other provision in these Regulations, a professional who is not in the starting field of a tournament is ineligible to compete in the pro-am at the tournament site unless expressly approved in writing by the Commissioner or his designee.

NUMBER OF TEAMS: In any pro-am, the number of teams shall be limited to 52 professional players or 104 professional players if using the 9&9 format and two, three or four amateur partners, except that pro-ams using shotgun starts shall be limited to 54 such teams.

NOTE: Eight amateur places in each pro-am will be reserved for use by PGA TOUR.

PRIZE MONIES: The prize monies specified in the tournament agreement shall be paid directly to a junior golf initiative on a weekly basis. The junior golf organization to receive the donation would be identified by the local Tournament Organization and would be required to have 501(c)(3) status. The money would be donated from the PGA TOUR Player Prize Fund. Players would not be required to report the winnings as earnings. In the event no 501(c)(3) organization promoting junior golf could be identified or the tournament is held outside the United States, money would be donated to the National First Tee program.

ADVERSE WEATHER: If, in the judgment of the Chief Referee, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR or the tournament render commencement or continuation of the pro-am inadvisable in its originally scheduled format, the Chief Referee in his discretion may postpone, cancel or alter play therein. In the event of cancellation of the pro-am, prize monies shall be distributed as noted in previous paragraph.

FORMAT OF PLAY: At the option of the tournament, the pro-am may be conducted using the scramble format. Other general terms and conditions of such pro-am as described herein shall be applied, provided that each professional player in the pro-am will play at stroke play and will not be a part of the amateur scramble competition other than the use of his score on a hole.

8. Best Efforts; Withdrawals

In making a commitment to participate in a PGA TOUR cosponsored, coordinated or approved tournament, a player thereby obligates himself to attempt to exercise his maximum golf skill and to play in a professional manner.

After making a commitment to participate in a tournament, a player shall not withdraw, either before or after signing an entry form for such tournament, except that:

- a. Prior to the commitment deadline, a player may withdraw for any reason.
- b. After the commitment deadline and before the tournament has commenced, a player may withdraw because of injury or other disability which requires medical attention, or serious personal emergency, such as the funeral or serious illness of a family member or close personal friend. The player shall immediately notify PGA TOUR of his reason for withdrawal, and within a period of 14 days submit written evidence supporting such reason to the Commissioner. For withdrawals related to injury or illness, a player's letter must include additional documentation from a medical professional substantiating the nature of the ailment and the prescribed treatment.

NOTE: Fatigue will not be considered a valid reason for withdrawing.

- c. During a round, a player may withdraw because of injury or other disability which requires medical attention, or serious personal emergency. The player shall notify the PGA TOUR Chief Referee or a PGA TOUR Rules Official of his reason for withdrawal, and within a period of 14 days submit written evidence supporting such reason to the Commissioner.
- d. Upon completing any round of 18 holes a player may withdraw, upon notifying the PGA TOUR Chief Referee or a Rules Official and returning a signed scorecard. In this case, the player's round is complete and the withdraw will be taken for the subsequent round. Should the player's subsequent round for which he is being withdrawn occur after the reduction in field size, the player would remain eligible to make the cut but would not appear in the following rounds groupings.

A player who breaches the provisions in Section A-8 of this Article IV shall be subject to a fine or suspension from play, or both, in PGA TOUR cosponsored and coordinated tournaments.

9. Suspensions, Postponements and Cancellations

If, in the judgment of the Chief Referee, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR renders commencement or continuation of tournament play inadvisable, play shall be suspended or postponed until such time as the Chief Referee, after consultation with the host organization, determines that such weather conditions or other occurrence have improved sufficiently for play to commence or resume,

provided that no such suspension or postponement shall extend the tournament beyond the Monday following the scheduled conclusion of the tournament, except that in the event of a suspension during a final round being played on Monday when at least half of that round's starting field has completed play, the final round will be completed on Tuesday, but no later. For THE PLAYERS Championship and the Playoffs, the Commissioner may, in his discretion, extend play as necessary in order to complete 72 holes of competition.

In the event of cancellation of any part of a tournament, prize money shall be distributed among the lowest scorers after the last completed round of play in the same number, amounts and order as for the originally scheduled number of holes. If a tournament is shortened to less than 72 holes and there is a tie for first place, there will be a playoff at a convenient time, as determined by the Chief Referee. The tournament will be considered "official" for purposes of determining official money if at least two official rounds have been completed or, in the case of a tournament played over three or more courses, if players have completed at least one official round on each course. The tournament will be considered "official" for purposes of determining official wins if at least three official rounds have been completed or, in the case of a tournament played over four or more courses, if players have completed at least one official round on each course.

If less than one official round of the tournament is completed as the result of any cancellation, the host organization shall not be required to pay any prize money and shall refund any dues paid for limited PGA TOUR memberships by nonmember entrants. In an open tournament, the host organization shall refund all entry fees paid; in an invitational tournament, the host organization shall not be required to pay a service fee to PGA TOUR.

If, however, at least one official round is completed, the host organization shall pay the full amount of any service fee payable to PGA TOUR under the tournament agreement, and 50 percent of the purse. If at least two official rounds are completed, the host organization shall pay the full amount of the service fee payable to PGA TOUR and 100 percent of the purse.

B. GENERAL PROVISIONS

The following general provisions relating to the conduct of tournaments apply to PGA TOUR cosponsored and coordinated tournaments.

1. Entry Forms

All entry forms for cosponsored and coordinated tournaments shall be prepared by PGA TOUR and furnished to the host organization.

All entries shall be subject to acceptance by the host organization and PGA TOUR, and may be rejected or revoked by either without liability at any time before or after commencement of tournament play if the entrant fails to meet the eligibility requirements set forth in the entry form and these Regulations, violates any of the regulations or otherwise conducts himself in a manner unbecoming a professional golfer. If a player's tournament entry is revoked, he shall not be entitled to share in the prize monies thereof.

All players in PGA TOUR cosponsored and coordinated tournaments shall grant and assign to PGA TOUR through their entry forms, without limitation, their individual television, radio,

motion picture, photographic and similar rights (including all forms of television and other electronic media) with respect to their participation in such tournaments, provided that PGA TOUR's use thereof shall be limited to advertising, promoting or publicizing the PGA TOUR, PGA TOUR golf tournaments or broadcasts related thereto, and provided further that in no case shall such rights be used in any broadcast, motion picture or other program on an electronic medium that is for instructional purposes without the express written consent of the player(s) involved.

Players also shall agree in such entry forms to (i) refrain from any action that will interfere with PGA TOUR's ownership and exercise of the rights granted and assigned to it hereunder, including any use by other parties of such rights that are authorized by PGA TOUR; (ii) abide by these Regulations, including any amendments thereto as may be adopted from time to time; and (iii) abide by the USGA Rules of Golf, subject to any modifications thereof approved by PGA TOUR.

A professional who has incorporated may enter cosponsored and coordinated tournaments in the name of his corporation, and any money winnings will be paid directly to such corporation, provided that the beneficial interest in such corporation is owned entirely by the professional (and/or members of his immediate family). The professional shall give a personal guarantee of all obligations of the corporation on a form prescribed by PGA TOUR, and the player shall remain personally subject to all requirements applicable to professionals who enter such tournaments in their own names.

2. Course Preparation

Preparation of the course shall be subject to approval of the Chief Referee. Locations of teeing grounds and hole positions on putting greens shall be selected by the Chief Referee.

The Chief Referee may direct growing, cutting and watering of grass as the Chief Referee may deem advisable to provide appropriate playing conditions. Unnatural substances, such as artificially colored sand-like material in bunkers, are prohibited.

3. Playoffs

In the event of a tie for first place at the conclusion of the scheduled number of holes in a PGA TOUR cosponsored or coordinated tournament at stroke play, a playoff shall be conducted for the purpose of determining the tournament winner. Such playoff shall be on a "hole-by-hole" basis immediately following the conclusion of the final round, or on the following day if the Chief Referee determines that darkness, weather or other conditions preclude conducting a playoff on the day of the final round. At the discretion of the Commissioner, a multiple-hole playoff format based on aggregate score may be implemented.

The winner of any playoff shall be deemed to have placed first in the tournament and his prize money determined accordingly. The loser of any playoff involving two players shall be deemed to have placed second and shall be entitled to second-place prize money. If a playoff involves more than two players, those other than the winner shall be deemed to have tied for second place regardless of their scores in the playoff, and their prize monies shall be apportioned accordingly. The determination of all prize monies shall be under the direction of the Chief Referee.

4. Distribution of Purses

The purses of all PGA TOUR cosponsored and coordinated tournaments, including the proceeds received from the sale of television rights allocated by PGA TOUR to such tournaments, shall be distributed to the low finishers therein, as determined or approved from time to time by the PGA TOUR Policy Board.

5. Other Prizes

Prizes of any nature for other than total score shall be subject to approval by the Commissioner.

6. Official Money

Official money shall be awarded to individual prize-winners in such PGA TOUR cosponsored or approved tournaments as the PGA TOUR Policy Board may designate, provided that at least two official rounds have been completed or, in the case of a tournament played over three or more courses, if players have completed at least one official round on each course, and provided that official money shall not be awarded in any pro-am (but official money will be awarded in a tournament for individuals even if held concurrently with a pro-am). The breakdown of official money will be determined from time to time by the PGA TOUR Policy Board.

NOTE: For purposes of determining official money standings, money won by a nonmember shall count the same as money won by a PGA TOUR member, provided that the nonmember satisfied the requirements of Section A-2b of Article III, except that prize money earned by a nonmember or Special Temporary Member in the ISCO Championship and the Barracuda Championship will be deemed not to be official money and will not be included on the Official PGA TOUR Money List.

NOTE: The TOUR Championship will be considered an Official money event even though prize money is not distributed. FedExCup bonus money will be deemed not to be official money and will not be included on the Official PGA TOUR Money List.

V. CONFLICTING EVENTS; MEDIA AND MARKETING RIGHTS

A. CONFLICTING EVENTS

1. Obligations of PGA TOUR

On a date on which any golf tournament or event cosponsored by PGA TOUR is being played, PGA TOUR will not cosponsor or approve any other similar golf tournament or event without the advance written consent of the tournament of the first scheduled PGA TOUR tournament or event, which consent shall not be unreasonably withheld. "Similar golf tournament or event" means a tournament or event of the same type (i.e., PGA TOUR/Regular TOUR tournament or event). For example, PGA TOUR shall not be prohibited under this section from holding a PGA TOUR Champions, Korn Ferry Tour, PGA TOUR Latinoamérica, PGA TOUR Canada, or PGA TOUR China tournament on the same dates as a PGA TOUR (regular tour) tournament or event.

2. Obligations of PGA TOUR Members

To contribute to the success of a PGA TOUR tournament or event and to permit PGA TOUR to fulfill its contractual obligations concerning representative fields, no PGA TOUR member shall participate in any other golf tournament or event on a date when a PGA TOUR (Regular TOUR) cosponsored tournament or event for which such member is exempt is scheduled, except for the following tournaments or events:

- a. A tournament or event for which a member obtains an advance written release for his participation from the Commissioner (See "Guidelines for Conflicting Event Release" set forth below);

NOTE: No conflicting event releases will be approved for tournaments held in North America.

- b. A tournament or event cosponsored or approved by and held in the territory of the PGA section with which the PGA TOUR member is affiliated or where he is then employed, provided that he is eligible for such sectional tournament under the constitution of the PGA;
- c. The PGA National Professional Championship, and PGA winter tournaments for professionals;
- d. Golf tournaments on the "home circuit" of a foreign player who is a PGA TOUR member.

NOTE: "Home circuit" is defined as the recognized professional golf tournament circuit which plays all or some portion of its schedule in the country of which the player is a citizen. Such foreign PGA TOUR member shall be eligible for this "home circuit" exception to provisions of these Regulations with regard to conflicting tournaments provided he has played, or committed to play, in a minimum of 15 PGA TOUR cosponsored or approved tournaments (as defined in paragraph C of Article I) in the season, or in the case of a

(See Section D-2 of Article IX, Membership Reinstatement Provisions.) 3. Guidelines for Conflicting Event Release

- a. Each Regular Member of PGA TOUR ordinarily shall be eligible for three releases per season based on participation in 15 PGA TOUR cosponsored or approved tournaments and, in addition, shall be eligible for one release for every five cosponsored or approved tournaments (as defined in paragraph C of Article I) in which he participates above 15 tournaments.
- b. Notwithstanding the above, the Commissioner may deny any particular release request if he determines that such a release would cause PGA TOUR to be in violation of a contractual commitment to a tournament sponsor, or would otherwise significantly and unreasonably harm PGA TOUR and such sponsors. Also, the Commissioner shall be entitled, but not obligated, to grant additional releases when he determines that to do so would not unreasonably harm PGA TOUR or the sponsor involved.
- c. In making the factual determinations contemplated in the preceding paragraph, the Commissioner shall consider, but shall not be limited to, the following factors:
 - (1) The overall makeup of the field from which the member seeks to be released;
 - (2) The member's standing on the current and previous season's FedExCup Points List;
 - (3) The number of tournaments that the member has played in, or committed to play in, for the current season;

- d. The Commissioner will consider conditional releases under the following circumstances:
 - (1) If the member has not played in the tournament for which he seeks to be released for an extended period of time, such release may be conditional upon his participation in the tournament the following season.

The Commissioner normally shall make decisions on release requests not later than 30 days in advance.

Speech that could be reasonably viewed as hateful, abusive, obscene and/or divisive is expressly prohibited. G. USGA RULES OF GOLF

Play in all PGA TOUR cosponsored, approved or coordinated tournaments shall be conducted in accordance with the USGA Rules of Golf, as modified by PGA TOUR. Only contestants, their caddies, instructors, managers, media, golf equipment manufacturers (when invited by contestants), tournament representatives and PGA TOUR staff are permitted onto any area designated for practice (e.g. range, practice putting greens, chipping or pitching greens, bunkers and the tournament golf course during practice rounds).

The use of permanent markers, paint or other similar products to create lines on the practice putting and chipping greens is not permitted. If marks or lines are created on these surfaces, they must be done with a non-permanent material, such as a chalk line, which will not damage the turf and will disappear in a short period of time.

NOTE: Family members and friends are not permitted inside the ropes on the golf course at any time. Family members are permitted on other designated practice areas when accompanied by the player. Players are expected to use good judgment and discretion when inviting family members onto designated practice areas. Players are responsible for their minor children and their conduct. On pro-am days, practice by professionals and amateurs not in the pro-am or without a mandatory sponsor function pursuant to Article IV, Section 7 (Pro-Am/Tournament Sponsor Functions) in designated practice areas is prohibited from 30 minutes prior to the first pro-am starting time through the final pro-am starting time, for each segment/wave of tee times. Tournaments using the (9&9 pro-am format may amend this policy and practice restrictions will be posted in the locker room during tournament week.) On practice days, after 8:30 a.m., all play must start from the first tee, unless approved by a member of the Rules Committee. This rule doesn't apply to tournaments using the 9&9 pro-am format.

On pro-am days at tournaments played from the start of each season until the Masters Tournament, professionals and amateurs not in the pro-am are permitted to practice chipping and putting on course prior to the first pro-am starting time. Full shots or bunker shots on course are not permitted. On pro-am days at tournaments played after the Masters Tournament until the conclusion of the FedExCup Playoffs, professionals and amateurs not in the pro-am are permitted to practice all shots on course prior to the first pro-am starting time. Any practice taking place prior to the pro-am must not interfere with the pace of play of the pro-am and players shall not endanger persons preparing the golf course for the pro-am.

During practice rounds, the following shall govern certain types of strokes:

1. Only one stroke, including a stroke from a bunker, may be aimed for the putting green, except as follows:
 - (a) If such stroke does not land or stop on the putting green, only one additional stroke may be played.
 - (b) More than one chip shot outside a bunker may be played, provided such practice does not damage the course unduly.
2. Not more than three bunker strokes may be played in directions other than toward the putting green, provided the bunker is not thereby damaged unduly.
3. More than one stroke may be played on the putting green.

In any case, a player must not delay any following players. No practice strokes shall be permitted if a player of a group behind the player is waiting to play.

During tournament week, practice facilities and the tournament course are for qualified players and the first 10 alternates on the PGA TOUR alternate list or other eligible players as determined by the on-site PGA TOUR Chief Referee. Caddies shall present a neat appearance in both clothing and personal grooming. A caddie may enter the locker room during the week to assist the player with retrieving items from his locker. Caddies are not allowed in the locker room at any other time. Players who wish to bring their own caddies to a PGA TOUR cosponsored or coordinated tournament shall so indicate at the time they commit to participate in such tournament, and shall be responsible for the conduct and behavior of such caddies at such tournaments, and the conformance of such caddies to these *Regulations*.

J. LOCKER ROOM FEES

Players in the starting field of the tournament who use locker room facilities at the host clubhouse shall pay a minimum fee of \$50 to the locker room attendant for such service.

VII. DISCIPLINE, PENALTIES & APPEALS

Each PGA TOUR member, by participating in cosponsored, coordinated or approved golf tournaments, acknowledges the right and authority of the PGA TOUR Policy Board, the Commissioner and the Appeals Committee to (i) fine and suspend the member from tournament play, and/or (ii) fine and permanently bar the member from play in PGA TOUR cosponsored, approved or coordinated tournaments for violation of the *Tournament Regulations*.

Any such participating member, if involved or affected in any manner whatsoever by a decision of the PGA TOUR Policy Board, the Commissioner or the Appeals Committee with respect to any such violation hereby releases the PGA TOUR Policy Board, the Commissioner or the Appeals Committee, PGA TOUR, Inc., the Professional Golfers' Association of America, and each director, officer, member, employee, agent or representative of any of the foregoing, jointly and severally, individually and in their official capacity, of and from any and all claims, demands, damages and causes of action whatsoever, in law or equity, arising out of or in connection with any such decision or action by the PGA TOUR Policy Board, the Commissioner or the Appeals Committee.

Fines are due and payable within 30 days unless the member has made a written appeal. Should the appeal be denied, the fine will be due and payable within 30 days of such denial of appeal and, notwithstanding such 30-day period, until such fine is paid the member will be ineligible for competition.

A. NOTIFICATION OF DISCIPLINARY INQUIRY

Except for penalties under the USGA Rules of Golf (including Slow Play, Local Rules and Conditions of Competition for PGA TOUR) and for minor penalties, any members subject to disciplinary action or penalties defined as intermediate or major penalties shall first be notified of such proposed action in writing. Such notice may be presented to the member by the Chief of Operations, PGA TOUR or his designee, except that any notice of a proposed major penalty shall be executed by the Commissioner.

Within 14 days of such notice of proposed disciplinary action or penalty, the member shall submit to the Commissioner such facts or evidence of mitigating circumstances as may apply.

Within 14 days of receipt of such information from the member, the Commissioner shall notify the member in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After imposition of any penalty hereunder, the member shall have the right of appeal as set forth in Section E of this Article VII.

B. USGA RULES OF GOLF

Any member who, while participating in any PGA TOUR cosponsored, coordinated or approved tournament, breaches the USGA Rules of Golf, Local Rules and Conditions of Competition for the PGA TOUR, Local Rules or Conditions in effect for the conduct of such tournament shall be subject to the penalties provided in such Rules or Conditions, as well as any other penalties determined by the PGA TOUR Policy Board. The decision of the PGA TOUR Rules Committee for the competition with respect of such breach(es) shall be final and conclusive.

C. CONDUCT UNBECOMING A PROFESSIONAL

Any member who shall be deemed guilty of conduct unbecoming a professional golfer while participating in a PGA TOUR cosponsored, approved or coordinated tournament, or activities related thereto (e.g., practice rounds, hospitality events, etc.), or who otherwise violates the provisions of Articles VI and VII of these Regulations and/or the PGA TOUR Anti-Doping Program relating to Drugs of Abuse shall be subject to fine, suspension and/or permanent disbarment from tournament play as provided in these Regulations.

In any instance where a member of PGA TOUR has for any reason been placed on probation for an infraction of any rule of PGA TOUR, then and in that event, if at any time during the probation period that member shall violate any rule of PGA TOUR, irrespective of whether that violation carries with it a penalty designated minor, intermediate or major as described under Sections D-1, D-2 and D-3 of this Article VII, the Commissioner may immediately suspend the member's playing privileges. The Commissioner shall inform the member of the decision to revoke the probation within 14 days. In addition, if there are credible allegations of serious criminal misconduct and/or violations that compromise the integrity of competition and/or the financial interest of the PGA TOUR, the Commissioner may immediately suspend a player pending the outcome of an investigation by TOUR and/or determination through an appropriate criminal or civil proceeding. Such serious criminal misconduct includes, but is not limited to, child abuse and other offenses involving minors, domestic violence, human trafficking, sexual assault, and/or any reckless conduct that results in serious mental or bodily injury to another.

A suspension imposed by the Commissioner under this Section C. is separate from any penalty under Section E. and, therefore, is not stayed during any appeal under Section E and shall remain in effect until such time the Commissioner has informed the member of the decision to revoke the probation underlying the suspension.

Prior to imposition of any intermediate or major penalty (except under the Rules of Golf), the member shall be notified orally, if possible, and in writing signed by the PGA TOUR Chief Referee or the Commissioner or the Chief of Operations, PGA TOUR or his designee (in the case of an intermediate penalty). In the case of minor penalties, notification may be by the Chief of Operations, PGA TOUR or his designee. Such written notifications shall specify the precise charges or violations. To the extent practicable, such written notifications shall be given within seven days following such violation.

Any written notification required by this section to be given to a member shall be emailed, hand-delivered or sent to him via registered or certified mail, return receipt requested, to the address of the member as shown in the records of PGA TOUR, provided that delivery to a member's locker at a tournament site shall constitute hand delivery under this section.

1. Minor Penalties

A minor penalty is a fine of not more than \$10,000. A minor penalty may be imposed by the Chief of Operations, PGA TOUR or his designee.

2. Intermediate Penalties

An intermediate penalty is a fine of between \$10,001 and \$20,000 and/or suspension from play for not more than three tournaments, including the tournament then in progress or scheduled for the calendar week in which the alleged violation occurred. For violations of the PGA TOUR Anti-Doping Program related to Drugs of Abuse, an approved plan of treatment and rehabilitation to be conducted at the player's expense, in addition to or in lieu of other penalties may be imposed. A major penalty is a fine in excess of \$20,000, suspension from tournament play for more than three tournaments and/or permanent disbarment from play in PGA TOUR cosponsored or coordinated events. For violations of the PGA TOUR Anti-Doping Program related to Drugs of Abuse, an approved plan of treatment and rehabilitation to be conducted at the player's expense, in addition to or in lieu of other penalties may be imposed. A major penalty may be imposed only by the Commissioner except as otherwise specified in these Regulations.

E. APPEALS

1. Minor Penalties

Appeals from minor penalties shall be to the Chief of Operations, PGA TOUR or his designee. Such appeal may be written or oral, and may include defenses or mitigating circumstances, including written statements of witnesses. Such appeal shall be received by the Chief of Operations, PGA TOUR, or his designee no later than 14 days after the date of the written notification of imposition of the penalty. The Chief of Operations, PGA TOUR or his designee shall render his decision on appeal, in writing, within 14 days of his receipt of the appeal, and such decision shall be final.

2. Intermediate and Major Penalties

Within 14 days of the date of notification of an intermediate or major penalty, the member may submit a written appeal to the Commissioner; provided, however, that if the initial penalty was imposed by the Commissioner and the Commissioner deems it in the best interest of PGA TOUR, any appeal to the Commissioner may be transferred by the Commissioner to the Appeals Committee. Such appeal may include statements from others having knowledge of the facts. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, and within 14 days of receipt of such appeal, the Commissioner shall reach a decision and shall promptly notify the member in writing of his response, specifying the reason therefor. No member who has not appealed an intermediate or major penalty to the Commissioner shall have a right of further appeal to the Appeals Committee.

An appeal shall operate to stay the effective date of any penalty, except suspension from a tournament then in progress or scheduled for the calendar week in which the alleged violation

occurred, until after the final decision on the appeal. However, no appeal as set forth in this Section E.2. shall operate to stay a suspension imposed by the Commissioner under Section C.

3. Appeals Committee

There shall be an Appeals Committee consisting of three non-Player Directors designated by the Board. The Appeals Committee shall prescribe its own rules of procedure.

A member may appeal to the Appeals Committee from any decision by the Commissioner denying any initial appeal from the imposition of an intermediate or major penalty. The Appeals Committee shall also consider any appeal directed to it by the Commissioner, as provided in Section E-2 of this Article VII. The appellant shall give written notice of appeal, directed to the Appeals Committee (in care of the Commissioner) within 14 days of the notice from the Commissioner denying the player's initial appeal.

Within 14 days after giving notice of appeal to the Appeals Committee, the appellant and the Commissioner may submit to the Appeals Committee any and all written evidence, documentation, affidavits, witness statements, legal memoranda, or other materials relevant to the appeal or any penalties imposed on the appellant. The Appeals Committee will review and consider all such materials. The Appeals Committee may, in its discretion, request a member or a witness to respond to questions from the Appeals Committee.

As soon as practicable after considering the materials submitted to it, the Appeals Committee shall give appellant and the Commissioner written notice of its decision. Upon the evidence before it, including any evidence previously submitted to the Commissioner, the Appeals Committee may affirm, modify (increase or decrease) or reverse the decision of the Commissioner. The decision of the Appeals Committee shall constitute full, final and conclusive disposition of the matter.

4. Anti-Doping Program

The provisions of this Article shall only be applicable to violations of the PGA TOUR Anti-Doping Program relating to Drugs of Abuse, as determined in the sole discretion of the Program Administrator for the PGA TOUR Anti-Doping Program. All other violations of the PGA TOUR Anti-Doping Program shall be subject to the disciplinary and appeals terms and processes set forth in the PGA TOUR Anti-Doping Program Manual.

 - (2) Subject to all applicable requirements and obligations of these Regulations.

6. Special Temporary Members

A Special Temporary Member shall be:

- a. Eligible to participate in tournaments to the extent provided in Section A-1r of Article III.
- b. Subject to all applicable requirements and obligations of these Regulations.

7. Team Tournament Winners

A Team Tournament Winner shall be:

- a. Eligible to participate in tournaments to the extent provided in Section A-1s of Article III.
- b. Subject to all applicable requirements and obligations of these Regulations.

8. Veteran Members

A Veteran Member shall be:

- a. Eligible to participate in tournaments to the extent provided in Section A-1t of Article III.
- b. Subject to all applicable requirements and obligations of these Regulations.

9. Temporary Members

Any nonmember of PGA TOUR (except an amateur) who qualifies to participate in a PGA TOUR cosponsored or coordinated tournament or event shall be required to become a temporary member of PGA TOUR for the duration of such tournament.

B. VOTING MEMBERSHIP

1. Eligibility

A nonvoting member can become a voting member by (i) playing in at least 15 PGA TOUR cosponsored or approved tournaments (as defined in paragraph C of Article I) in a season (qualifying rounds do not constitute “play” in such tournaments for purposes of this section); and (ii) attending at least one player meeting designated by PGA TOUR (a “mandatory meeting”) or performing a substitute educational requirement established by the PGA TOUR Policy Board, including, without limitation, attending a makeup meeting or video presentation (an “educational requirement”) in the season in which he first plays 15 events; and (iii) in the case of members playing their first full PGA TOUR season, having attended the New Member Orientation meeting (normally held prior to the first event of the following season).

NOTE: Members playing their first full PGA TOUR season who are unable to attend the New Member Orientation meeting due to a serious personal emergency or, any such members gaining membership other than through the DP World Tour, Korn Ferry Tour or the Qualifying Tournament may perform a substitute educational requirement established by the PGA TOUR Policy Board, including, without limitation, attending a makeup meeting or video presentation.

NOTE: For the purpose of the player retirement plan, a nonvoting member who becomes a voting member as a result of fulfilling the conditions set forth in this Section B-1 of Article

IX shall be entitled to begin accumulating retirement plan credits in the season following the season in which such nonvoting member first becomes a voting member.

2. Retention of Voting Membership; Reinstatement

A voting member shall play in at least 15 PGA TOUR cosponsored or approved tournaments (as defined in paragraph C of Article I), or any combination thereof equal to at least 15 PGA TOUR (Regular TOUR) cosponsored or approved tournaments, excluding qualifying rounds in each season; and shall further attend at least one mandatory meeting or perform an educational requirement. If he fails to do so, he shall cease to be a voting member.

Notwithstanding the above, any member who was a voting member at the time he became unable to play in PGA TOUR tournaments due to injury or medical disability and thereafter resumes play under the Major Medical Extension as provided in Section A-1d of Article III, or Minor Medical Extension as provided in Section A-1m of Article III, shall retain his voting membership while playing under such category, provided that while playing under such category such player attends at least one mandatory meeting or performs one educational requirement.

A former voting member who plays in at least 15 PGA TOUR (Regular TOUR) cosponsored or approved tournaments in a season, and attends at least one mandatory meeting or performs an educational requirement in such season, shall automatically be reinstated to Voting Membership retroactive to the beginning of such season in which he plays in a least 15 PGA TOUR cosponsored or approved tournaments and attends such mandatory meeting or performs such educational requirement.

3. Special Privileges of Voting Members

Besides their exclusive rights to vote for Player Directors of the PGA TOUR Policy Board (see Section G of this Article IX), only voting members shall be eligible to participate in the PGA TOUR Deferred Compensation Player Retirement Plan (the "Cuts" plan) unless the member has achieved Veteran Member status pursuant to Section A.1.t of Article III.

C. DUES AND FEES

Members shall pay such dues and fees as may from time to time be prescribed by the PGA TOUR Policy Board.

A nonvoting member who becomes a Voting Member shall pay any differences between the initiation fee paid by him when he becomes a (nonvoting) member and the initiation fee required of a Voting Member as of the time he becomes eligible therefor.

A voting member who loses voting status shall not be required to pay an additional fee if he is reinstated to voting membership.

D. TERMINATION AND REINSTATEMENT OF MEMBERSHIP

1. Termination

A player shall cease to be a member of the PGA TOUR:

- a. If he resigns;
- b. If he fails to pay required dues or fees within the time specified by PGA TOUR;
- c. If he loses his eligibility for membership under Section A of this Article IX; or
- d. If in the judgment of the PGA TOUR Policy Board he commits a serious breach of these Tournament Regulations, the USGA Rules of Golf, the PGA Code of Ethics or conducts himself in a manner unbecoming a professional golfer; or
- e. If he loses his eligibility for membership under the terms of the PGA TOUR Anti-Doping or PGA TOUR Integrity Program.

2. Reinstatement

A player whose PGA TOUR membership is terminated for playing performance reasons (i.e., for failing to retain his exempt status) shall be eligible for reinstatement to such membership if he subsequently becomes eligible under Section A of this Article IX.

If a player's membership in PGA TOUR shall be terminated for any reason other than the foregoing, he shall not be eligible for reinstatement to membership for at least six months from such termination, except on the affirmative vote of two-thirds of the members of the PGA TOUR Policy Board.

Notwithstanding any other provisions of these Regulations, any PGA TOUR member who (i) resigns from membership or purposely allows his membership to lapse by nonpayment of dues and thereafter participates in a conflicting event (as defined herein), or (ii) in the case of a Regular Member or Life Member (as defined in Section A.1 and 4 of this Article IX) takes advantage of the provisions of Section A-2d of Article V ("home circuit exception") to the conflicting event rule for foreign members and thereafter fails to honor his commitment to play in at least 15 PGA TOUR cosponsored or approved tournaments (as defined in paragraph C of Article I), or in the case of a Regular Member or Life Member (as defined in Section A.1 and 4 of this Article IX) who is age 45 or more and has made 150 cuts or more in tournaments awarding official prize money in his career, in a minimum of 12 PGA TOUR cosponsored or approved tournaments in the season, shall lose his PGA TOUR membership as of the conclusion of the season in which he fails to play such 15 events (or 12 events as the case may be) and shall not be eligible to apply for reinstatement to PGA TOUR membership for one season.

Notwithstanding the above, the Commissioner, upon application by a foreign member and for medical reasons or other extraordinary circumstances that the Commissioner, at his discretion, determines to be a valid reason for not playing in at least 15 PGA TOUR cosponsored or approved tournaments, may reduce the 15- minimum (or 12-minimum as the case may be) tournament requirement.

Any PGA TOUR member who resigns from membership while playing under a multi-season exemption (see Section A.1.a.(1)-(9) of Article III) and thereafter notifies PGA TOUR that he desires to rejoin as a member after having fulfilled the one (1) season waiting period, as applicable, referred to above in this Section D.2, shall be entitled to rejoin the TOUR at the beginning of any season remaining in his exempt period, and shall be entitled to the remaining portion

of such multi-season exemption (with such remaining portion of the multi-season exemption determined as if such member had not resigned).

E. MEETINGS OF PLAYER MEMBERS

1. Annual Meeting

The annual meeting of the members of PGA TOUR shall be held on a date and at a place to be determined by the Commissioner at least 60 days prior to the holding thereof. Players invited to attend shall include regular, Life, Past Champion and all voting members of PGA TOUR.

2. Special Meetings

Special meetings of members of the PGA TOUR shall be held whenever called by the Commissioner upon the written request of two or more of the Player Directors of the PGA TOUR Policy Board, or upon the filing with the Commissioner of a petition signed by not less than 25 percent of the voting members of PGA TOUR. Within 30 days of the receipt of such request or petition, the Commissioner shall schedule and give notice of such meeting.

3. General Provisions

- a. So far as is practicable, meetings shall be scheduled at a place and time convenient to the members, preferably at the site of and within two days of the commencement of a PGA TOUR cosponsored tournament.
- b. Notice of each meeting of the members shall be mailed to each member, addressed to such member at his address as it appears on the records of PGA TOUR, not less than 10 or more than 30 days before the scheduled date of such meeting. Each such notice shall state the place, date and hour of the meeting, and the purpose for which it has been called. No notice of any meeting need be given, however, to any member who personally appears thereat or signs a written waiver thereof, whether before or after such meeting, and no notice need be given of any adjourned meeting of the members if the time and place of such adjourned meeting are announced at the meeting at which the adjournment is taken, provided the adjournment is not for more than 21 days. Any business may be transacted at any adjourned meeting which might have been transacted at the meeting as originally scheduled.
- c. The presence, in person, at any meeting of the members of a majority of all the voting members shall constitute a quorum for the transaction of business. In the absence of a quorum, a majority of the voting members present or, if no voting member is present, any officer of PGA TOUR present, may adjourn the meeting for a period not exceeding 21 days in any one case.
- d. Each voting member present at meetings of members shall be entitled to one vote in person on all matters with respect to which voting members may vote. All matters voted upon by the voting members at any meeting of the members except the election or removal of a Player Director, as provided in Section G of this Article IX, shall be decided by the vote of a majority of the voting members present.

- e. Nothing herein shall preclude the scheduling by PGA TOUR of additional informal player meetings.

F. PGA TOUR POLICY BOARD

1. Members

The members of the PGA TOUR Policy Board (Board of Directors of PGA TOUR, Inc.) shall consist of five Player Directors ("Player Directors"), one Lead Player Director ("Lead Player Director"), one officer of the PGA of America ("PGA Director") and five public figures with a demonstrated interest in the game of golf ("Independent Directors").

2. Rules and Procedures

The rules and procedures governing the meetings and other actions of the PGA TOUR Policy Board shall be as prescribed herein and in the corporate Articles of Incorporation and Bylaws of PGA TOUR, Inc.

G. PLAYER ADVISORY COUNCIL AND PLAYER DIRECTORS

1. Player Advisory Council

- a. Eight members of PGA TOUR (Regular TOUR) shall be elected annually to serve on a PGA TOUR Player Advisory Council (the "Council") by voting members and fully exempt members of the PGA TOUR. For purposes of this section, fully exempt PGA TOUR members shall be defined as those players eligible for PGA TOUR cosponsored, open events in accordance with Article III, Section A.1.(a) through (j) of these regulations (i.e. through and including the Top Finishers from Q-school category). The purpose of the Council is to advise and consult with the PGA TOUR Policy Board and Commissioner on matters affecting PGA TOUR (Regular TOUR) members.
- b. The members of the Council will be elected as follows:
 - (1) Not later than ten days following the completion of the last official money event in each calendar year, the Commissioner shall mail to all eligible members a list of members of PGA TOUR finishing within the top 125 on the FedExCup Fall Playoffs & Eligibility Points List, Top Finishers of the DP World Tour / Korn Ferry Tour / Q-school and players eligible for tournament play pursuant to Sections A.1.a(1) through (11), A.1.a(18), A.1.b, A.1.c, A.1.d and A.1.e of Article III of these Regulations.

The list shall be arranged in seven groups of 25, in order of the FedExCup Points List followed by the Top Finishers of the DP World Tour / Korn Ferry Tour / Q-school. Players eligible for tournament play pursuant to Sections A.1.a(1) through (11), A.1.a(18), A.1.b, A.1.c A.1.d and A.1.e of Article III of these Regulations and not already listed will then be evenly distributed among these seven groups. Each eligible PGA TOUR member may vote for one player in each group of 25 who is not a Player Director of the PGA TOUR Policy Board.

- (2) Ballots shall be returned to the office of an outside auditor no later than 30 days following the date on which they are mailed to eligible members. The member who receives the greatest number of votes in each group of 25 shall be deemed elected. In addition, the player remaining with the highest number of votes from any of the seven categories will be elected as an at-large member of the Council.

The results of the election shall be announced as soon as practicable unless a tie vote in any group of 25 makes a runoff necessary, in which case the Commissioner shall promptly conduct a mail vote of all eligible members to resolve the tie and announce the results when voting is completed.

- (3) Upon completion of the election as provided above, the current Player Directors shall select eight additional members to serve on the Council. Thereafter, the current Player Directors shall nominate at least two and not more than three of the elected and appointed members of the Council to serve as Chairman. Every third year, beginning in 1992, the Player Directors shall nominate at least three and no more than five of the elected and appointed members of the Council for the purpose of serving as Co-Chairmen. Any member of the Council so selected by the current Player Directors shall be an actual voting member of PGA TOUR at the time such member is selected.
- (4) After the Player Directors have made their nominations for Chairman or Co-Chairmen of the Council as provided in Section 3 above, the Commissioner shall mail to all voting members of PGA TOUR the nominees for Chairman of the Council. Each such voting member of PGA TOUR may vote for one of the nominees for Chairman. Every third year, as referred to in Section 3, each voting member may vote for two of the nominees to serve as Co-Chairmen.
- (5) Ballots shall be returned to the office of an outside auditor no later than thirty (30) days after mailing by the Commissioner. The nominee for Chairman who receives the greatest number of votes shall be the Chairman, and the nominee who receives the second-greatest number of votes shall be the Vice-Chairman.

In those years when Co-Chairmen are to be elected, the two nominees who receive the most votes will share the position of Chairman. In those years, the Vice-Chairman shall be that member who receives the third- greatest number of votes. The results of the election shall be announced as soon as practicable unless a tie vote makes a runoff necessary, in which case the Commissioner shall promptly conduct a mail vote to resolve the tie and announce the results when the voting is completed.

- c. The Chairman (or Co-Chairmen in those years when there are Co-Chairmen) or, in his or their absence, the Vice-Chairman of the Council will be invited to attend meetings of the PGA TOUR Policy Board as an observer without a vote.
- d. A member of the Council shall hold office until December 31 of the year of his election or until he ceases to be a member of the PGA TOUR, whichever first occurs. A vacancy occurring during the year (other than a vacancy in the office of Chairman) will be filled by a vote of the Council for players in the category of FedExCup points of the retiring member. Members of the Council may be reelected from year to year.

2. Term of Chairman and Player Directors

- a. A Chairman or the Co-Chairman of the Council shall hold office until December 31 of the year of his or their election. Thereafter, the Chairman, and every third year each Co-Chairman, will automatically become a Player Director and will hold such office for a period of three years and until his successor is elected and qualified or until his earlier resignation or removal.
- b. Beginning in 2023, the Player Directors shall appoint a fifth Player Director to serve a one-year term starting January 1, 2023. Thereafter, the Player Directors shall appoint a fifth Player Director every third year, beginning in 2024.
- c. Beginning in 2023, the Policy Board agreed to appoint a specific player to the board ("Lead Player Director") separate from the five elected Player Directors.
- d. Whenever the office of Chairman of the Council becomes vacant by reason of death, resignation, disqualification, removal or otherwise, or if the Chairman ceases to be a voting member of PGA TOUR, the Vice-Chairman of the Council (if then a voting member of PGA TOUR) shall assume the office of Chairman and shall serve for the unexpired term of his predecessor. If the Vice-Chairman of the Council is unable or unwilling to accept the office of Chairman, or is not then a voting member of PGA TOUR, the Player Directors then serving on the PGA TOUR Policy Board shall elect the Chairman from among those individuals then serving on the Council who are then voting members of PGA TOUR. The individual so selected shall serve the unexpired term of his predecessor. In such case, the new Chairman of the Council shall become a Player Director upon the expiration of his term as Chairman of the Council as provided in Section G-2a of this Article IX.

3. Vacancies and Removal of Player Directors

- a. Whenever the office of any Player Director becomes vacant by reason of death, resignation, disqualification, removal or otherwise, or if such Player Director ceases to be a voting member of PGA TOUR, the remaining Player Directors shall elect a successor who shall serve for the unexpired term of his predecessor.
- b. Any Player Director may be removed at any time, with or without cause, by the vote of two-thirds of all the voting members of PGA TOUR at a regular or special meeting called for that purpose.

H. AMENDMENTS

These Tournament Regulations may be amended or repealed at any meeting of the PGA TOUR Policy Board by the affirmative vote of a majority of the Board, provided that at least four of such majority shall be Player Directors and Lead Player Director, provided, further, that if any member of the Board, including a Player Director or Lead Player Director, upon advice of PGA TOUR counsel or otherwise, abstains from participating in any vote to adopt, amend, or repeal any provision of these Tournament Regulations because of an actual or potential conflict of interest, the Board nonetheless may adopt, amend or repeal such provision by a vote of a majority of the disinterested directors, even if (i) such majority is comprised of no Player Directors or Lead Player Director, and/or (ii) the disinterested directors constitute less

than a majority of the Board, and provided further that if any Player Directors or Lead Player Director do vote on such change, such majority shall include at least 75 percent of the Player Directors and Lead Player Director voting thereon. The voting members of PGA TOUR shall have the power to reverse or repeal any such amendment pertaining to tournament matters by the affirmative vote of two-thirds of all the voting members.

X. COSTS & EXPENSES OF LITIGATION

If any member of PGA TOUR shall institute any legal action or other proceeding against PGA TOUR and such member does not obtain the relief requested in such action, such member shall reimburse PGA TOUR for all costs and expenses incurred by PGA TOUR in connection with such action, including without limitation, reasonable attorneys' fees, whether incurred in preparation of trial, at trial, on appeal or in bankruptcy proceedings.

If such member does obtain the relief requested in such action, PGA TOUR shall reimburse such member for all costs and expenses incurred by such member in connection with such action, including without limitation, reasonable attorneys' fees, whether incurred in preparation of trial, at trial, on appeal or in bankruptcy proceedings.

In the event any such action or proceeding is settled or resolved other than by a final determination of a court or other tribunal, such member shall not be entitled to recover costs, expenses or attorneys' fees against PGA TOUR unless PGA TOUR expressly agrees otherwise as part of such settlement or resolution.
